#### Online Religious Freedom & Human Rights Forum

We warmly invite you to attend the upcoming Religious Freedom and Human Rights Forum, hosted by Professors World Peace Academy – Los Angeles.

At this important providential time, as we face serious challenges surrounding True Mother and growing global uncertainty, religious freedom stands at the heart of human dignity and God's providence. This forum will bring together scholars and practitioners to reflect on the global urgency of religious freedom and to consider what we, as members of the Family Federation and the PSWM alliance, are called to do at this moment.

We are honored to welcome Dr. Holly Folk as the special guest speaker, alongside Dr. Thomas Selover and Dr. Frank Kaufmann. Dr. Folk is a professor at Western Washington University and has been working closely with Dr. Massimo Introvigne, founder of CESNUR and editor-in-chief of Bitter Winter magazine.

Please join us for this important dialogue and help shape meaningful change.

Date: Saturday, January 31

Time: 10:00–11:30 AM PST
