Sweet & Lovely: Her Tribe in February

FEB 17 • WRITTEN BY LOS ANGELES FAMILY CHURCH

Thank you for your support!

Dear Sisters and Friends,

WFWP-LA held the bi-monthly Her Tribe on February 15 under the theme of "Nest of Happiness". In a cozy setting, 15 sisters learned quotes of Mother of Peace about responsibility of love, shared how they are putting their effort in creating the environment of love in their family and community, over home-made chocolate dipped fresh strawberries by Meagan Robles, Chairwoman of WFWP-LA.

The following is the Reading of Mother Han's Peace Philosophy:

"I love you." These are the sweetest words. They are the first words, because through love all life begins. But human beings can speak these words either responsibly or irresponsibly. God also gave animals the power to multiply through love. Animals search for a partner with whom to bear and raise offspring. But they differ from us in that for them, love is instinctual and they are not responsible to make moral decisions related to love. For human beings, in contrast to animals, love is accompanied by responsibility. Love practiced with moral responsibility is what we call "true love."

"A husband and wife who believe in the sanctity of love and fulfill their responsibility accordingly are practicing true love. Through their love, God creates a nest of happiness... True love is the most important factor in creating a happy family." Mother of Peace

Thank you for your participation! Her Tribe is open to all women.

Thank you.
