new! Let Us Support the Young Family in Time of Need

Dear Brothers and Sisters,
We would like to ask for your prayers and support for our dear brother, Emanuel Voelker, a 2nd Generation Blessed member, husband, and father of three young boys. His wife and children are currently living in Japan.

Emanuel has recently been diagnosed with late-stage thyroid cancer, including a 5cm tumor and another nodule on the right side of his neck. He is already experiencing breathing difficulties and pain, and surgery may be complicated due to the risk of the cancer spreading to surrounding tissues and lymph nodes.

At this time, we are coming together to support his family and cancer treatment. Donations will help to support his family with 3 young children, and to cover cancer treatment, surgery recovery, living expenses during his inability to work, and long-term cancer care and maintenance.

Any support, big or small, would be deeply appreciated. Online contribution link is [HERE](#).
Thank you for your love and generosity.
