Dear LA Family,

In the spirit of celebrating 250 years of history for the United States and 50 years since our pivotal Yankee Stadium and Washington Monument rallies, our LA Family leadership feel it's important that we don't lose the story of the past 50+ years in Los Angeles.

In 2023 True Mother inducted a history department to "forever remember" the Blessed families, missionaries, faithful members who attended Heaven's Providence centered on True Parents.

We want to do the same with **the story of Los Angeles Family**. From the people, the milestones, the struggles, to where we are now.

We are looking for a small committee with a passion for history (and a patience for old photos, bulletins, and stories) to help us curate our church's history. Please note that this is a joint project, therefore no one person would be held responsible to carry out the entire project.

Responsibilities could include:

- Collecting photos, documents, and records from over the decades
- Interviewing longtime members about their memories
- Organizing materials into an archive, timeline, or written history
- Helping shape how we might share this story with the congregation (a display, booklet, website, or anniversary event)

No special expertise is required. You do not need to be a legacy member of Los Angeles church either. We simply seek those with curiosity, sensitivity and a willingness to dig in.

If this speaks to you, **please respond to this interest form by August 2nd.**
