

Bridgeport International Academy seeking High School Math Teacher

Alexa Sensini
November 7, 2022

[Bridgeport International Academy](#) is looking to hire a high school math teacher. We are a small private school located in Bridgeport, CT. About 10% of our students are UC connected, and most of the staff have varying levels of UC affiliation.

We offer a highly diverse environment and seek a creative person with a background in mathematics. There are potential housing benefits connected to the position in addition to salary and benefits.

TO APPLY

We are collecting resumes now. If you or someone you know is interested in the position please contact Emily Kise at ekise@bridgeportacademy.org for further information.
