"My heartfelt congratulations and thanks to Aimmee Kodachian for launching this excellent magazine, Empowering Humanity, which I believe is a publication whose time has come... a magazine that is needed like fresh air in our current toxic environment to inspire, uplift, give hope and encourage souls around the globe for peace. Congratulations!"

Let's support our Global Friend and ourselves by [signing up for the free first edition](#) and by being enriched by its content.

Below is the announcement made by Aimmee:

A Special And Exciting Announcement!!

After months of hard work and persistence, I am deeply grateful and extremely excited to share with you that "Empowering Humanity Magazine " was officially released on Wednesday, July 20th. The release was very successful! People from around the world are getting their FREE access, enjoying reading and learning powerful insights from some of the top experts in their field.

The journey of completing this magazine was not easy. There were several roadblocks, unexpected delays, sleepless nights, and dealing with exhaustion. But my team and I continued to persevere. As the publisher and editor-in-chief, I could not be prouder of my INCREDIBLE team!! A special THANK YOU to everyone who took part in helping me with this magazine issue!

The goal of this magazine is to raise the consciousness of the world by empowering and encouraging people from all walks of life to see their lives from a different perspective, uplift their spirits, and find peace in their hearts and minds.

*WFWP USA would like to congratulate our [Global Friend](#) Aimmee Kodachian on the launch of the magazine *Empowering Humanity*. WFWP USA President, Angelika Selle contributed to the first edition of *Empowering Humanity* with an article on page 67-77. She starts off by saying:*

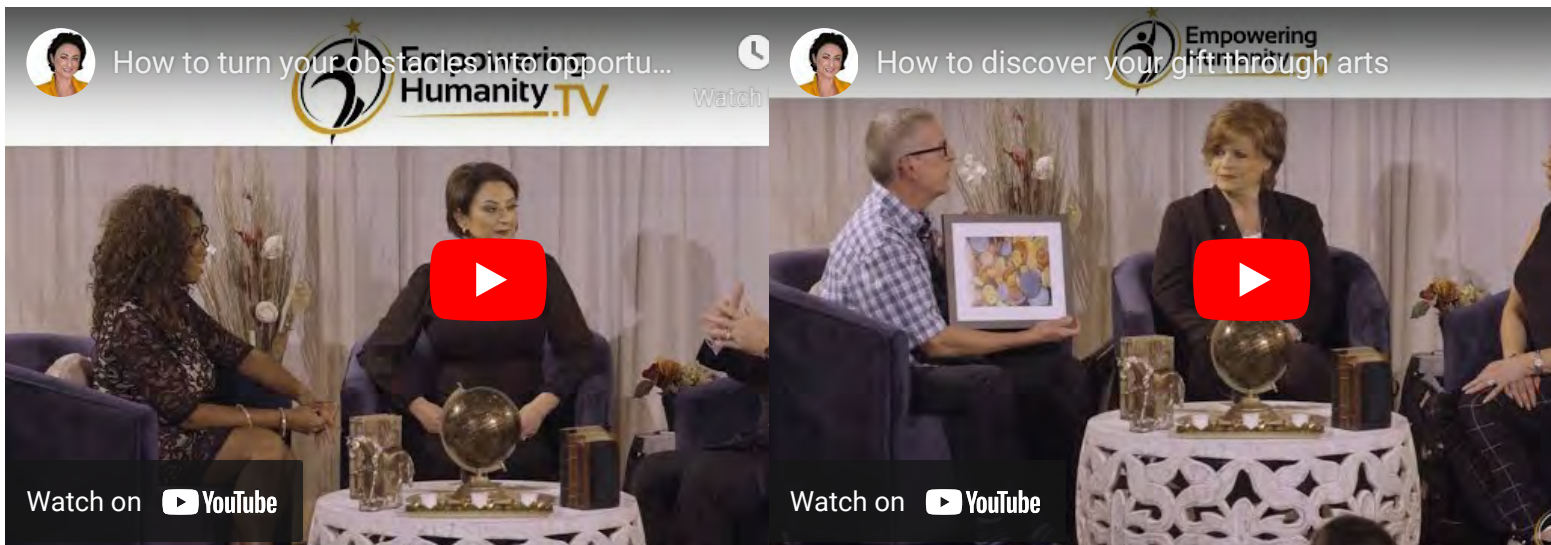

The Empowering Humanity TV Show is both a show and a movement focused on serving the world.

Viewers will learn from some of the top experts in their field various steps, techniques, and powerful insights on how to connect with their heart, mind, and soul in order to stay healthy—mentally, physically, and financially.

The goal of the TV show movement is more than providing knowledge — it is empowering Humanity through education, inspiration, sharing insights, steps, and techniques to provide a clear direction to reach humanity's ultimate goal to live a purposeful life.
