Interview with KVAA President Tom Parkinson:

19th November

After communicating with Debby the Secretary of Korean War Veterans Association I was able to secure an interview with their President Tom Parkinson at Pascoe Vale RSL. Debby called the following Tuesday to follow up and inquire about the USB with a copy of the Rally of Hope. Since they were not able to celebrate the 70th year anniversary due to covid they are very keen to watch the performance in their honour.
