### **Cheon Bo Report:**

During the online CheonBo Asia Pacific workshop, on Saturday 30 January 2021, Victorian Blessed families were grateful to liberate ancestors and collaterals. Miti liberated collaterals from the Cook Islands. Yves & Jacinta Moreau liberated 11 collaterals from Australia, England and France, including:

### **Jean Moreau de Séchelles** « Finance Minister » of French King Louis XV

During many IIFWP-UPF Events, Yves often met with the 1<sup>st</sup> President of the Seychelles Islands, Sir James Mancham 1939-2017. He once asked me if I was related to the **Jean Moreau de Séchelles** 1690-1761, who gave his name to the **Seychelles** Islands in 1756. I totally forgot that incident until reading the Preface of "Mother of Peace" where True Mother says:

*"... After conducting these events (in São Tomé and Príncipe), I took a little rest on the tiny island of the Seychelles, the crashing waves..., the refreshing breeze... I walked along the shore of an emerald green sea whose dancing waves smiled and greeted me. The white sand between my toes was soft and warm. I truly felt at peace enveloped in a cloudless sky touched by the cool rhythmic breeze and warm sunshine. I saw the beauty God created for us in the beginning, intact and untouched. I communed with God, the one who gives this Blessing."*

I felt this was a call to action from my good friend Sir James Mancham in the Spiritual World. May this liberation be an offering to help that small and exotic African island nation loved by True Mother.
