Yarra Ranges Interfaith Network visits Belgrave:

11th June

Today we had the Yarra Ranges Interfaith Network come to Belgrave to hear about our movement. 2 Catholic priests and 2 Buddhists came along with members. A special shout out to Jacinta D. for the Devonshire teas. They enjoyed the presentation and asked some very respectful questions, happy in the new knowledge. Members talked and shared for about an hour afterwards. One of the Catholic priests went home with Father's Autobiography.

Working Bee:

Angelo Natanni, James Babb and Doug Greenall felled a damaged and sick Acaia tree, which was threatening to fall on the car spaces at Belgrave. Members also did a makeover on the toilets, adding new items to freshen the place up.

1 Day Divine Principle Workshop:

18th June

This month the witnessing team organised a 1 day Divine Principle lecture. With Randall Apps and Pastor Daniel giving lectures. Although we only received one guest, Suzzane, she is a very promising WFWP member who is in a very good position to receive the Messiah.

Experiments for nature walk:

22nd June

The front of the property has myriad of native plant varieties in the front lawn. These plants can be precious habitat from native fauna, as well as a good attraction for guests. It is also difficult to mow this area due to roots and the tough native grass, it also takes a lot of time. To make a native garden walk could solve this issue and bring a lot of life to the property. Several experiments of path enclosures have been tried, so far using fallen branches and logs from the property seems to be the cheapest and most aesthetically pleasing solution.

Hopefully in the coming months a pathway can be decided upon.

President and Mrs Hori visit Melbourne:

23rd - 26th June

Victoria received President and Mrs Hori on Thursday 23rd June. They were welcomed by a welcoming party, which included prominent members and 2nd gen. Together they were accompanied by our Sub Regional Director Rev Yutaka Yamada and our National leader Rev John Adamedes. From there they enjoyed a lunch of Aussie steaks at a Bistro which overlooked the Dandenong ranges. They then moved to Belgrave where they observed the church property and received a report from Pastor Daniel. That evening we had dinner at the Olinda Tea House where important matters were discussed.

The following day the visiting party took a brief tour of Melbourne city, including lunch at one of Mr Suzuki's restaurants. Mr Arai led the group as an experienced guide, and we visited the Melbourne Museum to understand some of the history of Melbourne. However, due to the exhibit on Melbourne being closed, we instead looked at much of God's creation. In the evening President and Mrs Hori met with Vic Council members and shared deeply with them.

On Saturday the Hori couple went to meet UPF and WFWP members for lunch in the Docklands. Pres. Hori was very impressed with the foundation of VIP's that have been cultivated in Melbourne. From the afternoon they attended the Church family event Winter Sonata, where many members, especially 2nd gen gathered together.

On Sunday President Hori gave a sermon to the members, which was very heartfelt. Around 70 members gathered in person, with a further 30 online totalling 100 members. After lunch a Q&A session was held, everyone shared their hearts as well as performing songs for each other. Finally a farewell dinner was had on St Kilda beach before they left back to Sydney.
