

The Youth from the HJR Workshop gifted True Mother a Baroque Pearl Necklace and earrings, purchased in Melbourne. Mother was very pleased with this gift. After offering our performance the leaders were blessed with a chance to meet True Mother and she came out wearing our necklace. She liked it a lot, but she also commented, with a smile, that it was heavy. True Mother asked Rev Daniel to sing, so he sang Waltzing Matilda (as suggested by his wife, Chizuru). A great blessing that offerings from Melbourne can be received by True Parents.

Members gathered on Sunday to commemorate 7.1 Jeol and 7.8 Jeol. Thank you for all those who attended and to those who helped set up the holy table and offerings.
