

Father's Day Bingo with Palestinians:

6th September

It was so inspiring meeting the Palestinian families in Melbourne. We had Pizza and then played Bingo. Chris won a price and then I did! Pastor Steve also turned up. Very friendly people and we generally had a great time meeting all people from all ages. Also we met a few people that we knew from UPF meetings so it was good to reconnect with familiar faces, and the young people reached out too. -Candace Robertson
