

The Youth Gathering brought together UPA missionaries and young members of the Melbourne church for a meaningful time of fellowship. The program began with a joint service of worship and prayer, followed by a time of sharing personal goals for the remainder of the year. Afterwards, participants prepared and enjoyed Korean dishes such as kimbap and seaweed soup together, experiencing Korean culture. Following the meal, various games were played, allowing everyone to build friendships and enjoy fellowship.

The Boys' DP Workshop was held from June 7 to 8. The workshop was attended by four boys. On the first day, the program began with staff introductions and ice-breaking activities, followed by a Divine Principle lecture by Rev. Daniel. The teachings were delivered in accordance with the participants' age level, covering key topics from the existence of Heavenly Parents to True Parents. A total of three lectures were given over the two days, and Q&A sessions were held afterward, allowing the participants to freely ask questions and deepen their understanding.

In addition, outdoor activities, pizza making, and various games helped the participants build stronger bonds and create meaningful memories. Each day began with Hoon Dok Hae, and concluded with prayer at Cheonseong-won, providing an opportunity to practice basic life of faith.

Through this workshop, the boys of the Melbourne Church were able to grow closer to one another and deepen their understanding of Heavenly Parents and True Parents. It is hoped that they will continue to participate actively in the upcoming winter retreat and experience further growth.

The 64th Day of All True Things celebration was held at the Melbourne Church. To commemorate this special occasion, an offering table was lovingly prepared with a variety of Australian fruits, snacks, and cakes. In addition, Auntie Jacinta kindly prepared a beautiful commemorative flower wreath.

Participants joined the 64th Day of All True Things celebration being held in Sydney via Zoom, taking time to reflect on the significance of this holy day. After the ceremony, everyone shared the offered fruits and cakes together, expressing gratitude to Heavenly Parent for the creation of all things. It was also a meaningful time of fellowship, allowing members to enjoy warm and joyful moments together.

Another big thank you to Noriko for inviting Rev Dr Tuisuga and Lemapu to her home to deliver a reflection for the PCLC 26th Online Fellowship. Rev Dr Tuisuga spoke on the theme "God-centered Families: A Blessing to the World" while referring to Joshua 24:15. Afterwards, we shared a tasty dinner and enjoyed warm fellowship for a few hours.

**Winter sonata:**

20<sup>th</sup> June

A Winter Sonata was held at the Melbourne church on June 20th, with approximately 80 members and guests in attendance. The event provided a warm and joyful atmosphere of fellowship as participants shared a variety of multicultural dishes and refreshments prepared by each family. Gathered around the bonfire, members sang songs and engaged in heartfelt conversations, creating a memorable sense of unity and warmth despite the cold weather.

One of the highlights of the evening was the delicious spit roast feast generously provided by one of the members, followed by a lantern walk around the neighbors. From the eldest members to the youngest children, everyone came together as one family, sharing the love of Heavenly Parent and deepening their bonds with one another.

Several guests and distant members also attended, experience the warmth and spirit of our community. We hope that even more members and guests will join future fellowship events as we continue to strengthen our relationship, building and growing together as one community.
