Don't miss meeting Dr. Luonne Rouse, the new National Co-Chair of ACLC, together with his wife Marie, at this Sunday's Sunday Service. They are a most inspiring Blessed Couple who truly understand about True Mother and The Blessing. Dr. Rouse is a deeply inspiring speaker and often speaks about how True Parents have brought us "The Culture of the Heart." Please do everything you can to join this Sunday to come and show Dr. Rouse and Marie a truly warm New Hope welcome.

Rev. Dr. Luonne Abram Rouse is an ordained minister with the United Methodist Church and a licensed marriage and family therapist in New York. With over 20 years' experience as a pastoral counselor, Dr. Rouse has been most effective in addictions intervention.

Dr. Rouse served in the United States Navy Reserve Chaplain Corps and remains an advocate for faith groups in the armed forces. He has been an advocate for social justice and racial reconciliation, serving as President of a NAACP chapter in South Carolina and Chairman of Rainbow PUSH Tristate chapter in New York.

A licensed marriage and family therapist in New York, Dr. Rouse integrates theological integrity into the clinical paradigm with psychodynamic and cognitive behavior supportive care of individuals, couples, and families. Having years of experience as a local church pastor, Rouse supports clergy and laity in church development and growth.

He married Marie L. Rouse as a 10/10/10 Blessed Couple. The Rouses are blessed with five adult children, four grandchildren (expecting a fifth in May) and one great-granddaughter. "We are committed to True Family Values," says Dr. Rouse.
