**FRIDAY 27 – SATURDAY 28
DECEMBER 2019
NEW YORK • USA**

Our Dear Brothers and Sisters in Christ,

We are thrilled to be guests in Korea for this remarkable experience. Over the many, many times we have been hosted in your special country, we have been consistently moved by your extraordinary hospitality, your acute attention to detail, and most of all by your total love for Jesus Christ.

It is our deep honor this time to extend back to you a very special invitation. Just two months from now, immediately following Christmas, our American Clergy Leadership Conference will be convening in New York City for an incredible interfaith event. We are planning to host 30,000 clergy, world and civic leaders, and other guests, firstly on December 27, at a gala seminar and celebration at the city's historic Manhattan Center, and on December 28, a Rally for Peace at Newark, NJ's showpiece arena, the Prudential Center.

The World Clergy Leadership Conference (WCLC) is to be an association of faith leaders dedicated and committed to the task of uniting humankind under the banner of Peace while, at the same time, respecting each others' religious beliefs, customs and traditions. There is only One God, yet there are many diverse ways of expressing one's understanding of a Supreme Being and how God is made known and manifested in daily living. Coming together as an association to share and exchange spiritual principles on Peace and Unity from each other's perspective allows for growth and development among peoples and the establishment of the Kingdom of God among us.

The purpose of different religions coming together in unity of mind and heart is to demonstrate the beauty of Faith as well as to manifest and witness to each other how the many pathways to God can lead us all to unity and peace.

—Dr. Ki Hoon Kim

“Romans 8:28 ‘And we know that in all things God works for the good of those who love Him, who have been called according to his purpose.’ Brothers and sisters, you are those who love Him most, and He is calling you to come share that love.”

—Rev. Dr. Willie L. Weston Sr.

“As the world-renowned evangelist, Rev. Dr. Billy Graham said in South Korea in 1973 ‘Love one another!’ Such a simple command, but one that we have not been able to make a reality in this world. We would not be complete without our brethren of Korea by our side praising His Name and Glory for the world to see! We invite you to be part of this turning point in the dispensation of God, December 28th will be the day marked in history.”

KEYNOTE ADDRESS

Dr. Hak Ja Han Moon
THE MOTHER OF PEACE

Dr. Moon began her public activities for world peace in 1992 when she founded Women's Federation for World Peace (WFWP). Since the passing of the Rev. Dr. Sun Myung Moon, she has led the worldwide ministry of the Unification movement. Her priorities include the education of young people, challenges facing the environment, and human disasters such as the growing refugee crisis. She is also the founder of the prestigious Sunhak Peace Prize, which honors exceptional men and women working to solve these issues plaguing people around the world.

The heart and soul of Rev. and Dr. Moon's lifelong ministry is the re-establishment of God's ideal of the family as the cornerstone of world peace. The Marriage Blessing movement, which began with three couples in 1960, has reached millions of couples of all faiths worldwide.

Dr. Moon teaches that women, as true daughters of God, must play a central role in creating a just and peaceful society. Since the rally at Madison Square Garden in 2017 and at Nassau Coliseum in 2018, Dr. Moon has called for each of us to be the leaders to restore peace on earth. She emphasized this path to peace begins within each of us. She has carried this message around the globe to rallies in South Korea, Austria, Japan, Brazil, Senegal, Zimbabwe, South Africa, and just last weekend in Albania. We are very excited for you to hear her message of peace for yourself in this very exciting city.
