Abner Aquino
July 12, 2026

The Divine Principle and Blessing (DP and B) 2-Day Workshop is being organized as part of the providential goal set by the Cavite Family Church in preparation for the Blessing of 2027, with particular focus on first-generation members and previously married couples (PMC).

The program content highlights the core teachings of the Divine Principle, with special emphasis on the

value and meaning of the Blessing.

The initial three batches of the workshop are scheduled for July 11 - 12, August 8 - 9, and September 12 - 13, 2026. The aim is not only to reach the goal numerically, but more importantly to cultivate a deep understanding and heartfelt appreciation of the Blessing among all participants. There are nine (9) participants attended on the July 11-12 workshop.

The Cavite Family Church practices giving a modest honorarium to lecturers and staff of the seminar as a symbolic expression of gratitude and as a way of embodying the principle of "Give and Take", thereby helping to sustain the activity.

The program is supported through registration fees, voluntary donations, and funding assistance from the Cavite Education Fund, ensuring both continuity and shared ownership of the providential goal.

Bro. Romel John Songcayauon gives a lecture on the "Second Coming" during the first batch of the campaign on July 11-12, 2026. Other lecturers includes: Bro. Abner Aquino, Rev. Reynaldo Estoce, and Bro. Joel Amangan.
