From this historical photo, third and fourth from left are Rev. Yo Han Lee (a former Christian minister with a theological background, 36 Couples' Blessing) and Rev. Young Whi Kim (studied electrical engineering at Seoul National University, 36 Couples' Blessing).

The first public Blessing was the Blessing of three disciples, the couples of Rev. Won Pil Kim, President Hyo Won Eu and Rev. Young Whi Kim. Hyo Won Eu was the first president of our church in Korea and Young Whi Kim was the second president.
