

## HPHC - FFWPU Australia: Happy New Year 2025

As we step into this new year, I want to share my resolution with all of you: "Always learning to be a Fountain and not a Drain." This year, I aim to inspire and uplift those around me, continuously seeking knowledge, growth and humbleness.

I also believe in aging with a heavenly purpose and taking charge of my own health, so let's prioritize our well-being together.

I hope to be a source of positivity and support, just as you all have been for me in our holy community.

Wishing you all and your family a year filled with unfading love, laughter, and endless hyojeong opportunities to grow and shine.

Here's to a fantastic 2025!

With love and gratitude, Sung and family
