Birth Date: August 28, 1962

Blessing Date: August 25th, 1995

Ascension Date: April 10, 2020

Our dear brother Manolito Uy of Manhattan Family Church ascended on April 10, 2020.

Manolito Uy was born on August 28, 1962 in Manticao, Misamis Oriental, Philippines. He married Jeanette G. Rivera, the love of his life, in 1990. Then on August 25, 1995, they received the Marriage Blessing with 360,000 couples officiated by our True Parents.

Manolito was a very hard-working man. During his professional life, he received the Most Outstanding Employee Award three times. As an engineer, he

was a man who knew the value of living an ordered life. As such, he was a man that many people looked up to. One of his life mottos was to always earn everything he received. Not to owe anybody anything. Those who knew him would say that he was a very honest man. To his wife, he was simply, trust. Others would say that he was a very loving man. To his wife, he was simply, love.

Manolito had many qualities that made him the great man he was. He was a very approachable and loving man. He would do anything for anybody. He knew how to make people feel special. He was a man full of heart. His legacy is that everyone who came across him could not help but love him. He was an ideal father to his children. At work, he was an excellent employee, very humble, never boastful. He shied away from the spotlight. He was also very protective of his family. To his wife, he was simply, the anchor.

Manolito was very humble and shy. But, he was also very stubborn. When he knew that he was right, he would stand on his conviction and not falter. He was not perfect, but he was a principled man in words and in deeds. A loving father, son, brother, and friend. To his wife, he was simply, The better half.

Manolito is survived by his lovely wife Jeanette and their three children: Camille, Claude, and Cody.

He is, and will be, dearly missed.
