

## Inauguration of Heavenly Parents Holy Community in Liechtenstein, July 12, 2020

---

In 1965, True Father established the Holy Ground in Vaduz, Liechtenstein.

Blessed families with friends from Liechtenstein, Vorarlberg and Tyrol (Austria) gathered at this place. Nearly 30 people from 7 nations and 3 continents came together and spent the day in family fellowship. Probably never before have so many people gathered at this place in this small country.

The national leader of Liechtenstein, Walter Waldhäusl, reminded in his speech that although we come from different backgrounds, we have a common origin: God, who is Heavenly Parents. He loves us as His children. He explained that the numerous religions and denominations consider their mission within their own denomination and that there never a religious community under Heavenly Parent came about. The longing of God, however, is that all people should become a community under Heavenly Parent in which everyone lives for the benefit of others; Heavenly Parents Holy Community.

But the Heavenly Parents Holy Community is not the ultimate goal. The wish of God goes one step further. Namely, that all be bound into the heavenly lineage of inheritance and thus become „One Family Under God“.

**Thus, after unison prayer, this day – the 12<sup>th</sup> July 2020 - was proclaimed the beginning of the Heavenly Parents Holy Community in Liechtenstein!**

Afterwards we spent the day together with talks, barbeque, sports and games. The holy community was immediately put into practice to the joy of all participants.
