Every one of us needs to feel deeply grateful for being born. There is not one person whose birth is meaningless.

“Everything has been brought to its consummation, completion, and conclusion.” This turned out to be True Father’s final prayer. With it, he brought his life to a close. Breathing with some difficulty for a moment, he squeezed my hand tightly. “Mother, thank you! Mother, please take care of everything. I’m so sorry and I’m truly grateful,” he said.

As we were joined as husband and wife, I made a firm resolution in front of God: During my lifetime, my beloved husband and I will bring to a conclusion the history of the providence of restoration through indemnity, during which God has laboriously toiled. I know that what hurts God's heart more than anything else are the religious conflicts that take place in His name. Without fail, we will end them.

My husband and I had deep experiences in prayer during the Danbury imprisonment, and we together concluded that it was time for the liberation of all women, and for me to take a public role to teach and exemplify it. Thus arose a careful creation of the spiritual and physical foundations for what came to be called the Women's Federation for World Peace.

You did not bring yourself into the world.
 Your life is a gift from God. His will for us is that
 we make our lives beautiful and worthwhile.
 When we believe in our hearts that we are here
 for our children and family, for our spouse, as well
 as for all humanity and the entire world,
 we will find happiness.

My husband, Father Sun Myung Moon, and I have lived our whole lives for the liberation of God's homeland. We have nothing to be ashamed of, nothing to hide. I have never looked back, nor to the left or the right; I have only looked at the path ahead. I never became attached to my circumstances. Night or day, there has never been a moment that I did not keep Heavenly Parent with me... Whenever crises arose, Heavenly Parent guided us with pillars of fire and cloud.

Your 2024 Calendar is designed for you to print on 11x17 paper. We know most of you don't have a printer that can print this size. We recommend you download and take the file to a local print shop, and ask them to use a heavy paper stock — 100# would be good — or light card stock.
