True Mother's Message at the Leadership Conference in USA

Hak Ja Han

March 16, 2018

International Peace Education Center

Las Vegas, Nevada.

...there are only two True Parents—True Father and True Mother. Thus, it is only by uniting with them and Heavenly Parent that the nation, and eventually, the world, can be brought back to God. She then discussed why she chose Senegal as the location for the African Summit, explaining that it shows her unity with True Father in the spirit world and Heavenly Parent. She ended her message by showing her faith in the American movement.

The following is an official translation of the speech:

I am pleased to meet you everyone. Please take your seats. Can you see me well? Can you see me better now?

During this past celebration of Foundation Day, I asked this question: “At this current moment, where do you stand?” Do you remember this question? Where do you currently stand? Following the fall of Adam and Eve, God had to lead the undesired providence of salvation through indemnity, the history of the providence of restoration through indemnity. How arduous and painful must this course have been that it took 4,000 years until the people of Israel could be raised through this long, historical and providential dispensation? When the people of Israel laid a foundation at the national level, Heavenly Parent sent Jesus Christ as promised.

However, what happened to Jesus? Did the people of Israel fulfill their responsibility or not? As a result, the Old Testament Age became a past [dispensation]. Following Jesus' crucifixion, Christianity emerged centering on the revival initiated by the Holy Spirit. In the early days of Christianity, Christians endured tremendous persecution and martyrdom. However, Jesus prophesized that he would come again and Christians waited [for the Second Advent] with faith. Through the works of the Holy Spirit and the efforts of the Apostles, Christianity developed.

Now, I would like to ask you this question: where does the term trinity come from? Catholicism speaks of the Father, the Son and the Holy Spirit, and in so doing, usually draws a triangle. Who created this term? Jesus did not speak of the trinity. Originally, God created heaven and earth and he created all of Heaven and Earth in accordance with His Original Form. Thus, in the mineral world, we can see plus and minus, among plants, we see stamen and pistil, in the animal world, we can identify male and female and [Heavenly Parent] created humankind as man and woman. The birth of any living organism does not begin with the male; birth is possible through the mother. Looking back at the creation of Heaven and Earth, if Heavenly Parent had the Holy Father, there was also the Holy Mother [within Heavenly Parent]. Therefore, the current definition of the trinity is wrong. Within Heavenly Parent is the Holy Father and the Holy Mother, the True Parents. This is how Heavenly Parent should be explained. Isn't that so?

Now, the New Testament Age also became an age of the past and through True Parents, we welcomed

the Completed Testament Age. However, even the Completed Testament Age became an age of the past. In 2013, the Only Begotten Daughter, True Mother proclaimed Foundation Day and the starting year of Cheon Il Guk. Therefore, we currently do not live in the era of the Completed Testament Age but in the era of Cheon Il Guk and in order to earn your qualifications as citizen of Cheon Il Guk, you must fulfill the mission of Heavenly Tribal Messiah. That is the position where you need to stand.

Tribal Messiahship does not end with blessing 430 families. It is when all blessed 430 families also each complete the blessing of 430 families that a national level foundation capable of expanding to the world can be established. In so doing, we can realize the long awaited wish of Heavenly Parent and humanity: the world of one family under the Heavenly Parent. Please understand that looking at today's reality, this can be accomplished. Do you understand?

Therefore, with what determination are you living in this present age? With regards to True Parents, we must make sure that there is no one among all of humanity that does not know about True Parents. Moreover, the fact that the Only Begotten Daughter, True Mother, is here right now and is leading the current providence is something all of humanity should know. I am sure you felt this during the African Summit.

Senegal is not the leading power of Africa; moreover, it is a Muslim nation. Our membership there is also quite small. In such a nation, however, we were able to host a Summit with heads of state representing the continent. This was an impossible task. However, I made a firm resolve.

At the time, the leaders of our movement suggested hosting the Summit in a nation with a greater membership and a nicer external environment. Despite such suggestions, [I remained firm] and said no. Heaven worked so hard to prepare the righteous individuals for this very moment. In particular, in the Christian cultural realm, it is not easy to embrace Islam. Now, Senegal is an Islamic nation and Africa has carried the wounds of slavery for so long. [The former slave port of] Goree Island is close to the city of Dakar. That is why I resolved to liberate Africa and implement the worldwide providence of salvation through Africa. This is the reason I chose to host the Summit in Senegal.

The Messiah; all of humanity yearns for the Messiah and the advent of the Messiah should at least take place at the national level. Unfortunately, 2,000 years ago, even though Heaven worked to prepare the people of Israel, they failed in their responsibility and Jesus could not stand on a national level and emerge as the True Parent. Hence, [Jesus] prophesied that he would come again. Therefore, with regards to Heaven's providence, when looking at the 2,000 year history of Christianity, what is more important than the Second Advent of the Messiah, is the advent of the Only Begotten Daughter who comes from Heaven's lineage with no relations to Satan, just as Jesus did 2,000 years ago. Unless the Only Begotten Daughter is born, the returning Messiah cannot advance to the position of True Parent.

In the gospel of Matthew, it is written that people can be forgiven for slandering the Messiah. However, whoever blasphemes against the Holy Spirit cannot be forgiven. Do you remember this passage? This means that with regard to the history of the providence of restoration through indemnity, we are in the Last Days. Whoever blasphemes against the Only Begotten Daughter, True Mother shall find no salvation. You must understand this. We are in the Last Days. Do you

understand?

Therefore, please awaken people from their ignorance. You must teach them. Regarding the members of the True Family, there have been some issues. They do not understand Heaven's providence. One of them claims to be the eldest son. I do not know whether the concept of eldest son is as strong in Western culture but in Eastern culture, in particular in Confucianism, the concept of eldest son [is strong.] The eldest son carries the family name. When the eldest son ascends to the spirit world, the second or third son does not become the eldest. The line continues with the son of the eldest son; it is that son's responsibility. No matter how old the uncles may be, the ancestors should be attended by attending the eldest son's son as the center. This is the tradition of Eastern, of Confucian culture.

However, regarding Heaven's providence, what is clear is that True Parents are True Parents of Heaven, Earth and Humankind. There is no previous or future True Parents of Heaven, Earth and Humankind. This means, there can be no concept of inheritor or successor. Do you understand?

With regards to carrying on the tradition of True Parents of Heaven, Earth and Humankind, the person standing in the position of eldest son can become a central figure in carrying on the tradition. In simple terms, this son stands in a position akin to the High Priest. There are High Priests in each nation; those among you who are responsible for a nation are the High Priests of that nation. However, regarding the providence as a whole, when it comes to establishing the tradition centering on True Parents, the eldest son's line will carry this mission through the generations. Do you understand what I mean?

Just as there is only one Heavenly Parent, there is only one True Parents of Heaven, Earth and Humankind. Please remember this. Do you understand? Thank you. You are all truly wise and sensible. I need to proudly speak of all of you once again.

To reiterate, there can be no confusion or side branches hampering us on the path we are taking; please understand that there is only one path.

I have patiently waited and endured for a long time. I was born and grew as Heavenly Parent's daughter. This is why even if no one taught me the Divine Principle, I knew Heaven's providence. That is how I made a firm resolve at a young age. I became the subject [of the providence]. My thought was that I will realize Heavenly Parent's dream during my lifetime. In the future, the Divine Principle will need many updates. What I mean is that theories from the Completed Testament Age do not suffice. I spoke to all of you that I would build and prepare a foundation that would enable all of humanity throughout the world to experience internally and externally the achievements of True Parents, agree with True Parents and understand easily their providence. Did I achieve this goal or not?

Furthermore, how would the world of peace that Heavenly Parent and humanity yearn for look like? After resolving to make a model [for the world of peace] and expand this model, what happened to the Cheonwon Complex? You all came to Korea for True Parent's Birthday celebrations isn't it? Each year, the [Cheonwon Complex] will look different. I am working so hard; should you or should you not expand Heaven's foundation in your respective nations and throughout the world?

It is because I saw that potential [in America] that I suddenly came here. We shall realize the restoration of the nation and the restoration of the world without fail! Isn't that so?

True Parents' Victory Celebration for Africa Summit 2018

It's nice to see you! Before I came out here today, I wondered what the etymology of Africa was and searched for it. Africa! I learned that Africa was called "Motherland" because it is called the cradle of civilization and that Africa means "light." Then Africa, according to heaven's providence, is a continent prepared to unite with Mother. You know True Parents. You are blessed families and blessed children who were blessed by True Parents. Then should you know the Parents' language? Alternatively, will you continue to communicate in your own language? You must learn the parent's language. Therefore, I have given Sunmoon University scholarships to our second-generation members from around the world to educate many of them haven't I? Those children, in four or six years will become global leaders who speak perfect Korean.

In regards to Africa, the reason I chose Senegal, is because I met righteous people [(from) there] prepared by Heaven.

By liberating Africa's painful past, I wish to raise them into a position where they can take responsibility for Heaven's providence through the physical and spiritual worlds. Even in the world, there is nothing a mother will not do for the happiness of her children. I am the True Mother of the cosmos.

Today, in society, if you say "Africa," people think of a poor continent with low living standards and various difficulties. Yet if we look at history, Africa is the cradle of Ancient Civilization. However, the reason this flower could not bloom was because of the Fall. This was because we became fallen human beings who were not qualified to meet Heavenly Parent, the center and the Creator. The beginning and end of Heaven's providence is the same. Adam and Eve, whom God created to become the first ancestor of humankind fell but God could not throw away the principles he had put in place at the time of the Creation and begin again with new people. The providence had to continue according the principles put in place at the Creation. This was why, in order to save fallen humankind, God had no choice but to begin the providence of salvation and go through the sorrowful, lonely, and sad providence of restoration through indemnity.

Today there are 7.4 billion people in the world but they all did not know the Creator God, the Heavenly Parents' essence. The Christian providence continued for two thousand years but they do not even know why Jesus had come. The providence continued through Christianity, which began with the Pentecost experience of the Apostles. They had no center. There have been many mistakes and errors made because [Christianity] was passed down through people-oriented thought. One example is that after Jesus' crucifixion, after 313 years the Roman Empire recognized Christianity and it spread

from the Italian Peninsula across Europe to Britain.

In the 17th century, King James had the bible translated from Hebrew into English and laymen could begin to read the Bible. That is why the Puritan movement emerged so those who had been confined under man-made systems could freely attend God. Thus, they set off to find a new land where they could freely worship God. That land is now the United States. God blessed America. Why did God bless America? This was because they had made the foundation for the returning Lord who had promised to return.

Therefore, during the short time of 200 years America became a democratic world power.

Yet America is forgetting its essence. Many problems are arising -- the breakdown of the family, juvenile delinquency, drug problems... America was becoming sick.

On top of that, they were being threatened by communism.

Heaven had prepared the great nation of America for 200 years! America should have been a nation that lived not only for itself but for the world.

Yet America could not do this and when True Parents went to America because we are the True Parents, we shed blood and tears for forty years for a movement to revive America.

Yet America did many wrongs to True Parents. Nevertheless, because True Parents are the True Parents of all humankind, we forgave and gave America another chance. God blessed America as the eldest son nation which could unite the global siblings.

In a family, the eldest son must unite his siblings and help them so they can fulfill their responsibilities and become filial children to their parents.

Yet today, what state is America in now? They must be taught again by True Parents.

Yet the ACLC ministers from America who have a Christian background have come to life and they have begun to take full responsibility as Heavenly Tribal Messiahs in their congregations. Earlier Rev. Bakary Camara said that the Heavenly Tribal Messiah Movement in Africa is going well. This is a good thing. The 7.5 billion people of the world longed for and wished dearly for the True Parents of humankind! They are living at the same time as True Parents, yet how sorrowful will they be if they go to spirit world not having met, nor seen, nor heard of True Parents! I went to Goree Island yesterday. Missionaries who came from Europe to Africa in Christ's name forgot Christianity's essence and became self-centered.

Europeans colonized Africa for more than 500 years and didn't teach them. They stole the natural resources Heaven had bestowed on Africa and because of differences in skin color they enslaved them rather than treating them as humans. That they did all of this in the name of Christ truly pains my heart as the True Mother.

Thus, even though it was difficult I went to Goree Island and felt I had to release the sorrow of the many young Africans who had passed through this place.

If you look at a riverside, there are pebbles. There are stones that are round with no edges and shine very brightly. When I see your faces, I see that you are shining brightly. Through this, I can feel another interesting aspect of God, the Creator. Now, Heavenly Parent's dream, humankind's dream is being completed and concluded, but you cannot be the only ones who receive blessings. You must know that the further you spread blessings, the greater your happiness will be. You cannot stop once you become tribal messiahs, you all must become national messiahs through the highest leaders in your nation.

In order to do that, the young second-generation members here, must study hard and be prepared in all respects for the future. They should strive in every respect to become united in heart with True Mother during this age. The reality is that one world centered on Heavenly Parent, one human family, can only be realized when we center ourselves on True Parents and attend them. Only through that can you become filial children who can stand in Heavenly Parents' presence. Isn't this something we should be grateful for? This is a happy thing! During these five days in Senegal, we held a historic event.

We cannot stop with this and let this opportunity pass by.

Now that we have plowed the field,
we must sow seeds and have them take root. Then what must we do?
When we look at Africa, there must be a center. I have
already selected a spot on this continent. Therefore, I have decided
to create a headquarters which will play the central role for all of Africa, here in Senegal!

True Parents of Heaven, Earth, and Humankind's Blessing Ceremony for Heavenly Africa and True Parents of Heaven, Earth, and Humankind's Prayer for Africa's Liberation

House of Slaves, Goree Island

Almighty Heavenly Parent, until now Heaven has gone through so much pain and suffering to restore fallen humankind, but you had to absolutely complete the ideal of creation.

Heavenly Parent! How many long days have passed as you worked hard and took a sorrowful course to find your son and daughter? We know of the history that has pained Heaven many times because of humankind's ignorance.

Heavenly Parent! Nevertheless, you never gave up on us. Thus, you were able to find the victorious True Parents, for whom you had wished for so long. When all the people of the world are reborn through the True Parents, there will be such happiness and delight on that day.

Heavenly Parent! The True Parents, True Mother, the only daughter of God, has come here today. You sent Jesus to complete Heaven's providence.

You embraced those who made it so that Jesus had no choice but to be crucified. Jesus prophesied that he would return and Christianity began through the Pentecost. Yet Christianity did not know your deep will or Jesus' essence and they left a sorrowful history here in Africa and on Gorée Island. Where did Jesus' words of "Love your neighbor as yourself" go? The missionaries who came as Christians forgot this essence when they came to Africa. How could they treat people in this way because of differences in skin color? Please remember the people of Africa who have endured and waited for more than five hundred sorrowful years.

Beloved Heavenly Parent! Today in the name of True Parents, I liberate the sorrowful spirits of Gorée Island and through a spiritual workshop conducted by Heavenly Parent, they can be resurrected as good spirits and return to earth and be with their descendants so that Africa can become an Africa that can realize the dream of one human family centered on Heavenly Parent and become the light and lamp of the world. Let us cooperate enthusiastically to achieve a world of no more conflict, suffering, or war—one world of complete harmony and unification centered on Heavenly Parent. I liberate and proclaim this in the name of True Parents. Aju!

Opening Plenary of Africa Summit 2018 Keynote Address

Abdou Diouf International Conference Center

Dakar, Senegal

Respected President Macky Sall, presidents of national assemblies, distinguished guests from all across Africa, religious figures, traditional chiefs, members of IAPP:

Today we have gathered here to open a new chapter in history. You have gathered here at this historic and eternal moment when Africa will be revealed to the world as heavenly Africa, which attends God at its center. You know of the pyramids that rise towering over the desert near the Nile River, where ancient civilizations arose.

Even with the technological skills we have today we cannot verify how four thousand five hundred years ago they were able to bring stones greater than 140 cm. high across the desert to create this stone structure. Why did they build such a structure?

Through the ceaseless use of their original minds, human beings instinctively want to return to God. More than they did their earthly life, they pursued the future and new life through rebirth and resurrection. This also becomes proof that humankind today is not taking the normal path. God created all things in heaven and on earth and then created the man and woman who would become humankind's first ancestors. God gave them a time of growth so that through that time they would come to fulfill their responsibilities.

In summary, they should have grown looking toward God, aligned with God like a sunflower toward the sun. They should have developed in this way until they could become humankind's first ancestors and receive the Blessing. However, during this period they were unable to do this. That is the cause of fallen humankind today.

Yet God is an omniscient and omnipotent being. The beginning and the end must be the same. Therefore, God had no choice but to begin the bitter history of the providence of restoration through indemnity. How difficult and rough must that path have been that it took the long period of four thousand years to choose and then raise the Israelites until they had a national foundation for Heaven to send Jesus, God's only son!

Yet what happened? The Israelites could not become the foundation for Jesus Christ. Jesus had no choice but to go the way of the cross.

At the crucifixion, a thief was on Jesus' left and another was on his right. The thief on the left taunted Jesus. Seeing this, the thief on the left said, We have been condemned justly; we are getting what we deserve for what we have done, but this man has done nothing wrong. Jesus said, Today you will be with me in Paradise. Paradise! Jesus prophesied he would return. He said he would return to hold the marriage banquet of the Lamb. Why did Jesus go to Paradise? Paradise is not heaven. It is like a waiting room for going into heaven. This was why Jesus had to return.

He had to return to meet God's only daughter and be in the position of True Parents. Fallen humankind cannot be directly in God's presence on their own. I am saying they must be resurrected and reborn through the True Parents. The two-thousand-year history of Christianity began with the Pentecost experience of the apostles. Rome accepted Christianity in ad 313 and it then crossed Italy and traversed Europe to the island of Britain. Thus, the Atlantic realm civilization began and people in the nations around Britain headed out to the world. They set off in the name of Christ. However, they did not know Jesus' essence. They did not know God properly.

Therefore, in conclusion, they lived their lives not for others but lived lives of taking. I know that the place that suffered most was the African continent. Those who set off in Christianity's name did not educate the nations they colonized. In the end, they put their own benefit first and because of this, in conclusion, the curtain came down on the Atlantic civilization era. Heaven has prepared for the returning Messiah through a different people. That is Korea, the Republic of Korea, in Asia. There, God's only daughter, whom God could call "my daughter," was born after six thousand years. With that foundation and with Heaven's protection, in 1960, we became the True Parents.

Yet, Christianity could not create the foundation. Just as two thousand years ago, during the time of Jesus, Christians who have been waiting for two thousand long years know neither what they must do in the Last Days nor whom they were waiting for. In Genesis, it says, ".And there was evening and there was morning - the first day." Christians are still in the evening. They have been unable to greet the morning.

Those who have been preparing for two thousand years for this moment, can you still not wake up from your sleep? The result and problem is that they knew neither God's essence nor the Messiah Jesus Christ's essence.

Christianity has made many mistakes during these two thousand years. From within the Christian realm many denominations arose and Communism emerged. This was because they did not know the center.

However, now, through my revealing the truths of Heaven's providential history, Africa will become heavenly Africa that attends God, a proud nation that can stand in front of the world as a guiding lamp.

Today, with the heart of a True Parent, as True Mother, I have come to eradicate Africa's past pain and begin a new history for Africa. This was why I chose this nation, Senegal. I have seen that Heaven has prepared and raised righteous people for this particular time. I pray that you can deeply feel that Heaven is with us. That is why, centered on Africa, I am opening a new era, the Pacific civilization era, which entails a revolution of the culture by the heart of filial love. I pray that together we can go forward toward creating a happy kingdom of heaven on earth where all human beings attend Heavenly Parent as their center.

Therefore, I am advocating a Peace Highway, which will travel from the south of Africa, from the Cape of Good Hope, through Africa, Europe, Eurasia, and Asia, connecting all the way to Korea. Through this, humankind will communicate and realize a kingdom of heaven on earth filled with freedom, equality, peace, unification, and happiness, in which there is no need for war and there is neither high nor low.

Africa has much to do. I selected Africa as the priority. Today, when we look at the pollution and destruction caused by people's ignorance, we feel there is no hope for humankind's future, which is why I want Africa to return to its healthy state when God created it. Representatives from all nations, do you agree? I pray and ask that you go forward to the day when we realize the dream of one human family under God working hand in hand together with me and with all nations as brothers and sisters in front of God
