

A TIME LINE OF PRAYERS By

SUN MYUNG MOON

Collection of True Father's Prayers to be listened to in about a 40-minute section - Collection 18 of 20 – from 1996 (pg 683) to September 9, 1999 (pg 720)

1996

Father's Prayer on True Parents Day

Loving Father! Today is April 18th, 1996 and we are celebrating the 37th True Parent's Day. Heaven and earth are carefully watching over this place and all people are watching whole-heartedly. Please accept this sacred altar which, centering on your true love, connects all the good spirits of the spiritual-world, their good descendants on this earth, and even our children who are yet to be born as our future hope.

You created this world in order to feel the stimulation and unrealized potency of love. In order to realize that ideal of creation, you have sought after the object partner of your love, who was to be the center of authority for the realm of your objects, and established your substantial representative.

All creations of this world should have already fulfilled your will and become united in your love. They should have returned pride and glory as your creation. The individual, family, tribe, nation, world, and even the spiritual world should have formed a unified realm as your eternal victorious foundation of eternal love. And that should have become the

happy and satisfying realm of your objective partners and the foundation for your mobility.

However, our ancestors have failed to fulfill your desire and humanity has committed innumerable wrong doings until now. And there was no one among our ancestors and among the people of this world, who knew the profound depth of your heart, as you crossed the hills, wilderness, rivers and oceans of restoration, shedding tears and yearning for the day of forgiveness even as you endured all the wrong doings of humankind.

You have sent True Parents to this world and allowed the miserable Korean people to survive in the midst of powerful nations. As the Korean people walked the history of sacrifice and misery, you have allowed to them the ardent wish for the future hope through the indigenous belief in the messianic figure 'Chung Do Ryung' (man of righteousness) and kept the national spirit strong in extremely adverse conditions. I know that the Korean people should forever be grateful for this to you. All of this was a part of the preparation for finding and establishing your lost sons and daughters.

Korean people, as an individual, family, or a nation, could not stand proudly in front of other people. Valleys of tears, sweat and blood were hidden behind their history, in order to bestow the mission of

being a heavenly nation in front of the Cain world. I am grateful that you have protected the path of Korean people so that they may survive and emerge from their miserable past.

In order to grant heavenly blessing and grace to the Korean nation, you have plotted the course of indemnity without hesitation to the Korean people and they had to endure misery and lamentation. Korean people cried out as they reached the limit of seemingly endless despair and as they endured even the fate of slavery, yearning for national liberation. Although the time has come for them to emerge on the worldwide level through the advent of True Parents after their liberation, the Korean people failed to receive this heavenly fortune.

The Korean people were to secure the path of True Parents, to pioneer the living environment for True Parents, and to build a new heavenly nation centering on True Parents with a strong sense of mission. The nation of Korea, however, was divided into the enemy camps of North and South and had to go through the wretched history of bloody civil war. We know

that such a history, which was woven by you, is the course for paying indemnity.

Because of that failure, I lost the family foundation and the national foundation, and I was driven out to the wilderness. From there, I tried to make the women of world Christianity the vanguard and resolve the past failure. Only then can the heavenly family overcome the environment of tribe, people and nation, and establish a new mother, new children and the name of new parents, first in a new family and moving beyond toward tribe, people, nation, world and cosmos.

Although you wanted to have a father, a mother, and children whom you could love together with all people and the whole universe in our first ancestor's family, that ideal family was never realized. However, through True Parents, you wanted to establish the joyful family, tribe, people, nation, and world which can wipe away all the pain, sorrow and lamentation.

Father, please forgive the half century after World War II which broke your heart with an even greater sorrow. Although I was cast out to the wilderness, I pioneered the sorrowful path and overcame the individual level, family, tribal, national, and the worldwide level. In the midst of the entire world coming against me and trying to destroy me, I struggled to set the tradition of your love, uniting my mind and body and never hesitating to risk my life, for I knew that I must overcome all obstacles with an unchangeable heart for the realization of your will. I am so grateful that you have been with me on my difficult course and allowed me to rise to a victorious position of dominance today.

You have suffered to pioneer the kingship of the unified world. When we realize the time for the kingship of the unified world is near, we, the members of Unification family, should tearfully express our gratitude to you.

You asked for a national level event to take place before the end of April. Through just such an event which took place two days ago in Washington DC, today's Christianity had to indemnify the failure of Christianity at the time of World War II, had to unite with You and True Parents, the Lord of Second Advent, creating the foundation of unity. Father, I know that you have walked with me for 40 years through the hills of indemnity, as I

pioneered the path to bring You back from hidden obscurity, to take back the lost position from Satan, and to restore the heart of father and son.

The members of the Unification family were to set the foundation of sacrifice by tears, sweat, and blood to prepare the path of True Parents. However, they have lost this foundation of living sacrifice and have completely forgotten through their ignorance that I myself have pioneered this path with You. Moreover, they have frequently failed in their duty of filial piety to attend True Parents, who have in them the sorrowful lamentation that is many times greater than the suffering accumulated ever since the time of the fall.

It was like a dream and a fantasy to realize the realm of liberation for the Kingdom of Heaven on earth, in a world where God is still not free to relate with any individual, family, tribe, and nation. You, however, held my sorrowful hand and guided me through the path of True Parents, and you now grant me the present environment where I can cross that hill and be liberated. The elder sonship lost at the time of Adam's family is restored through establishing the true familyship on the worldwide level. True Parents deny the false parenthood which Adam acquired after losing the true parenthood, deny Satan, the false parenthood, and the false kinship resulting from the fall. They won the victory over Satan and over the Cain world that opposed them.

As I represent the victorious original Adam, I longed for the time when I can subjugate and go beyond the kingship of this Satanic world, after realizing the victorious foundation of the eldership and parenthood. I am truly grateful for your grace that the time has now come for the world to overcome the Satanic dominion and be embraced in your liberating love, by declaring to the world a new era of kingship on the foundation of the true sonship and true parenthood.

Communism has died out and Democracy should now go beyond the environment of conflict. We should shout a battle cry louder than any revolutionary army in human history. We should be proud of True Parents and lift the Unification flag high, for we have found the center which we sought after, longed for, and yearned to receive love from.

We should become a liberated people and humankind whom True Parents can love and be proud of. As True Parents go beyond the 36th anniversary of their Blessing, reaching toward the 40th year, we have the responsibility

of the 3.6 million couples' blessing, of pioneering the path for the liberation of the heavenly nation, and of connecting all these things on the horizontal level during the next four years.

Since this 37th True Parents' Day goes beyond the number 36, we know that this is the time for you to joyfully declare the liberation of humanity, because you established the foundation of victorious sovereignty through the event two days ago, because you subjugated the sovereignties of Cain nations, and because you glorified the sovereignty of True Parents from a family, tribe, people, nation, to the world.

Father, we pray Your will be done and that You may reap as you desire. Freely exercise your authority personally on this earth and upon all people! We know that no kingship in the satanic world is capable of matching the true kingship that comes after true parentship. We humbly ask that you destroy the wall of evil, replace it with the wall of peace, and liberate the cosmos by exercising your full authority and power. I sincerely ask and hope that You can grant the liberation of the world to begin from today and grant the Unification members and their relatives to glorify you for eternity by raising the torch of liberation.

We long to celebrate this kind of holy day transcending distance. Our cherished hope and longing is to connect with True Parents' direct lineage and to pioneer the path for the heavenly Parent to visit us on this earth. We held this kind of ceremony for 36 years, wishing that You can demolish the walls of separation on every direction, that You can flatten all the hills of sorrow, that You can be the absolute center together with True Parents, and that You can bring about the realm of liberation within the direct dominion. Please accept this day of hope joyfully and remember all these years as the days of victory and your glory.

Please forgive those who attended this ceremony without knowing how awesome and significant it is to attend, and how such an ignorance can violate heavenly law. On this special day, I ask your forgiveness upon the Blessed Families who failed to uphold the dignity of heaven, for True Parents received the grace from you, who have pioneered this path in the front line, on behalf of the Blessed Families who welcomed the holy days. I earnestly ask and pray that You may grant the liberated cosmos to those who follow the footsteps of True Parents, overcome the hills of obstacles and victoriously enter into the Kingdom of Heaven on earth.

Centering on today's ceremony, the Blessed Families have the historical responsibility of guiding all nations into one direction from today until the year 2000 when I will be 80 years old. The standard goal of that direction is receiving the Blessing. Please grant the day of liberation and Blessing to all humankind when everyone can open their heart and their historical environment, and go without hesitation from the earth to the top of heaven following the way of Blessing.

Commemorating today, I proclaim the beginning of a new history to the physical world as well as the spirit world. Father, please allow peace to prevail in this world and realize the kingdom of heaven on earth. I pray that heaven and earth can receive the heartfelt joy and happiness of this day. I sincerely ask You to forget the shortcomings of all people of the past, present and future and declare the liberation.

I proclaim all these things on the earth in the name of the Father, in the name of heaven. In the content of this proclamation, You have permitted all people to embrace the grace of Blessing in their mind, body and environment. So I ask You to allow all people to willingly accept Your will and become the people of peace.

I proclaim all these things in the name of True Parents.

Amen.

1997

Benediction At The Declaration Of The Realm Of Cosmic Sabbath For Parents Of Heaven And Earth

Chil Pal Jeol (7.8 Jeol) Declaration Of The Realm Of Cosmic Sabbath For Parents Of Heaven And Earth

In 1997, the year True Father turned 77, at seven minutes and seven seconds

past 7 AM of the seventh day of the seventh month on the lunar calendar

(August 9, 1997), he declared the historical "Declaration of the Realm of the

Cosmic Sabbath for the Parents of Heaven and Earth" at the Central Training

Center in Sutaek Dong, Guri city, Gyeonggi province, Korea, in the presence of

more than 7000 national messiahs and world leaders from Korea, Japan, the

United States, and other nations around the world, and members. True Father

named the declaration "Chil Pal Jeol" and said that it was the holiday of all holidays of the Unification Church.

Beloved Father! Today, 1997, July 7, 7 hours, 7 minutes and 7 seconds, centering on the 3.6 Million Couples Blessing, we have accomplished this year's motto, "Let Us Be Proud of True Parents and Love True Parents by Accomplishing the 3.6 Million Couples Blessing."

How hard You have struggled and borne the heart of han! As Your children, True Parents, we are here with Your other children not knowing Your heart in this historical age. In the meantime, you sent True Parents to the earth so we could build the foundation where mankind could speak out Your heart and be educated about Your internal situation. Through that foundation, we came to know the sad history that since Adam and Eve fell as teenagers and their family was broken down by Satan's scheme, humankind has been linked to fallen Adam's family and Satan's lineage instead of to God's lineage.

Therefore, until now, history has kept the lineage of the realm of the archangel and the lineage of Satan. When we think about founding the realm of religion in order to establish the history of the new archangel's position in the Kingdom of Heaven, we know that the providence of individual restoration is the history of regaining the elder sonship from the realm of the archangel.

The Age of the Second Advent

We thank You for this great time when we are facing the age of the Second Advent, the center of the worldwide salvation through the Old Testament, New Testament, and Completed Testament eras. Now we can fix the

problems of family breakdown and corrupted juvenile ethics originally caused by Adam's fall.

In 1945, at the end of World War II, Christianity and the allied nations, which had the mission of a bride to welcome the Lord of the Second Advent, failed their responsibility as the bride. This loss of the world-level nation, an Abel nation, and Eve nation of Adam's family, which carried the victorious hegemony in the world-level providence, created greater pain and suffering than the loss of a family in the Garden of Eden.

If Christianity had received the Second Coming of Christ centering on the allied nations, we could have held a historic worldwide Mass Blessing Ceremony so that humankind could have been liberated through the Blessing by linking with the lineage of True Parents after uniting the han of Jesus, (whose mind and body were separated by Satan) and prepared a united world centered on Christian culture. At that time, by working with 800 million Christians, God's desire to establish the Kingdom of Heaven on earth would have been completed within seven years, by 1952.

Christian culture, however, rejected its bridal responsibility of receiving the Lord of the Second Advent, As Adam's family turned over the fallen world to Satan during the fruitful growth period, Christianity and an Eve nation in the bridal role failed their responsibility and gave the victorious foundation at the worldwide level over to Satan all at once. As a result, fallen grief exists on the earth once again.

True Father's Wilderness Path

We are reminded of the sad history in which True Father alone had to walk the wilderness path. The han that Adam's family left on heaven and earth could not be compared to True Father's path. True Father's path was a time of deeper sadness than the course of Jesus, who could not unite people based on his family.

Yet, I realized that it was Your desire to end Satan's lineage by liberating mankind centered on the ideology of a world family which would indemnify all of history. Also, I realized Your will which was to look for a place of rest and freedom in heaven and on earth.

Father, You have been yearning for a millennial world during seven millennia of history. I know how hard and significant that is! You tried to

maintain the standard of Your wish by having Christianity observe the Sabbath on the seventh day.

Because all these tasks were not completed, I know that You have been sitting alone on Your throne in heaven and enduring the unbearable history of the realm of Satan like a prisoner. I found Your Fatherly heart that no one ever knew. You had to forget the situation that You could not forget, You had to re-create the condition into which You could not pour out Yourself, and You had to love those people whom You could not love. In spite of sadness and even death, I pioneered the path in which I could console Your heart, and I endured persecution to prevail over the hill of forty years with the determination to face any kind of deadly path, Father.

Forty-Year Path of Restoration

The fatherland, which should be the central nation of all nations centered on the unified world of North and South, and the whole culture of East and West were lost. Even the clan which You

prepared to complete the Blessing was lost, too. Unification Church members understand that I have had to walk the path of restoration for forty years. There has been fighting between the democratic world and the communist world because all the descendants of the clan which was to become the clan of heaven faced the situation of division.

I understand that these forty years represent the 4,000 years of providential history. Yet no one has known Your painful sadness that for forty years True Parents have been persecuted by sovereign nations of the Satanic world that once used to persecute Christianity and Christians, as well as other religions and their people. These forces opposed Your will to comprehend the world.

All alone, all alone, all by Yourself. According to the directions given by You, who pioneered the path, I have fought and conquered the hills of persecution for forty years. This has been the battleground to declare Your individual resting place as well as the resting place for a couple, a family, a tribe, a nation, the world, and the cosmos. This place has been the ideal free environment of creation that You can call Your domain of freedom. Now it is completed, Father. Now, centering on True Parents, we are making the amazing declaration of the realm of the cosmic Sabbath.

Your son, Sun Myung Moon, who has lost the dream of his youth, of his 20's and 30's, while inheriting and tolerating the big heart of Heavenly Father, has conquered the hills of 40 years of agonizing history, while overcoming numerous failures that are filled with insults and bitterness.

As a result, the 3.6 million couples Blessing has been successfully completed. In place of Adam's family, these families on the world level can receive the Blessing at once that Adam's family failed to get. The realm of the Sabbath, where billions of people enter the realm of liberation, can evolve to both the Kingdom of Heaven in heaven and on earth. I thank You for that. The elder sonship had to be restored first, then parenthood and kingship had to be restored. Father, I thank You for the completion of 3.6 million couples Blessing that breaks beyond the limit of three stages.

The elder sonship on a family level can be sustained on earth. The right of a family on a national level and a cosmic level can be sustained on earth as well. Therefore, because this is the time for receiving the age of kingship centering on a family, from today the real liberation can be declared. This is the Sabbath for God, who has not been able to rest in a family. Again, I sincerely thank You for that.

Today, it is 1997, July 7, 7 hours, 7 minutes, and 7 seconds. Also, Your son, Sun Myung Moon, is at the age of 77. These eight occurrences of the number seven signify that the number seven can connect to the number eight, becoming the Sabbath and the day of a new start, transcending the numbers seven and eight. All this is connected with the number seven. Now all Unification members, centering on a family which inherits the tradition, heart, and authority of heaven, can attend God. Now God can rest in a nation, the world, and the cosmos. We are facing the victorious time when the kingship of the Kingdom of Heaven on earth and in heaven are established at the same time. The foundation of the Sabbath where God and True Parents can travel freely expands from the family level to the cosmic level.

For this great work to be done, Mother, who can represent Eve's nation, had to come to the United States of America, which is the Archangel's nation, and to the United Nations to promote the fortune

of unification, so that she can spread this fortune over the divided Korea, where the base camp for the liberation of the family can be founded to represent the liberation of people. Thanks to Your guidance and protection, True Mother could make three speaking tours during which she poured forth the words

of True Parents. True Mother has opened up the Blessing for high-ranking officials by giving speeches in 16 places. Transcending the number 16, the Blessing that occurred vertically has become holier than ever.

True Mother has been welcomed in all her speaking tours by guests who represent women of all nations centering on women of the North and South. Today is a day of declaration based on these speeches. Tomorrow we will have another Blessing to declare the victorious realm of heaven in front of high-ranking Korean officials who represent the essential central figures and representatives of sovereign nations of the world. It means that we are entering the age of kingship on a family level. We attribute this Blessing, which the Unification Church received as the number one family Blessing team, to Your hard working path. If it was not for You, Korea would have no place to exist. But as You and True Mother are working together, we are having this great opportunity, and I am very grateful, Father.

A thousand thanks to You, Father, for having been able to complete both the foundation of the victorious 40 years and the Declaration of the Realm of Cosmic Sabbath for Parents of Heaven and Earth at the same time.

As the foundation of the Sabbath of the age of kingship on a family level, national level, worldwide level, and cosmic level are established on earth, Your will is facing the time when this country is called as the center of God's providence of salvation, liberating the world, and bringing the world of love. Please gladly remember this.

Now I am offering the path that Your son has walked on with tears and then declaring this to be an anniversary date. Please allow me to do so. From this moment on, I am declaring the age of liberation. As You have wished to act on the whole body in its totality, with all authority and everything, please fulfill Your wishes. Please claim the realm of liberation of mankind. I sincerely wish and ask for Your Blessing to move on to the liberating Kingdom of Heaven. Now, it is the day and the time to stop the tears of sadness and to remove all the shed tears and all the tear stains from True Parents' family. I sincerely wish that You will receive this declaration of liberation in the name of True Parents. May You realize Your wish to have prestige to travel freely among Your beloved children, countries, world, and the cosmos. May the families of True Parents who work for Your liberation be able to travel around the world freely and come back home without any trouble.

So please accept this time of Declaration of the Realm of Cosmic Sabbath for the Parents of Heaven and Earth! Please declare it over heaven and earth! Raise high and wave the victorious flag of world unification in heaven and earth! I declare this day in True Parents' name! Amen! Amen! Amen!

August 9, 1997 Central Training Center, Su Taek Dong, Seoul, Korea Transcribed from Korean by Taek Yong Oh and Moonsook C. Yoon Translated by Wonjune Kim

Blessing Prayer & Proclamation of the Blessing

Reverend and Mrs. Sun Myung Moon, Officiators Blessing 97 RFK Stadium

Our most beloved Heavenly Father!

Today, November 29, 1997, we have gathered at RFK Stadium in Washington, DC. We are deeply grateful that we could hold this 3.6 Million and 36 Million Couples Blessing with you, Heavenly Father, our Creator!

Dear God, we thank you that we could bring these couples together in a bond of true love with true parents in our hearts. Thank you for allowing us to have this Blessing ceremony. Here we can establish a new beginning by bequeathing the blood lineage of true parental love.

This place is the focus of the whole world: the nations represented by these chosen men and women and the entire spirit world. We are truly, truly, truly grateful that you have given your permission for this Blessing of Marriage to be held at this place. Heaven and Earth are in harmony here, and through the True Parents these true children can inherit God's family tradition.

We recall the history of humankind. We know that the first ancestors made a mistake of one moment, which gave birth to billions of sorrowful years witnessed by you, the Parent of Heaven. We also know that to reverse that

mistake, saints and sages have walked the path of suffering, sacrifice and offering, leaving behind a history of woe.

Father, you sacrificially forgave the world, beginning with the family that violated Heaven's will. You unfolded the providence of salvation and promised in the Old Testament that you would send the Messiah to the Earth. The Messiah comes in the position of the second Adam, to fulfill what the first Adam's family left unfulfilled in the original Garden of Eden. The second Adam was to become True Parents by establishing true love, a true married couple, and a true family which could connect the descendants of Adam's family to God's blood lineage. This was to have been done by establishing the bond of blood by which the parents representing Heaven and the parents representing Earth could unite, centering on true love.

Jesus Christ came as the Messiah, as the second Adam, to fulfill the mission of True Parents. However, because the people did not unite with him and care for him, the mission was left unfulfilled. Although Jesus is the Messiah, he did not complete the responsibility of True Parents and did not establish a family to extend the messianic mission to the nation and the world. He had to take up the cross, leaving behind his promise to return.

God promised to send the third Adam, the Second Coming of the Lord. He comes to restore the 2,000 year history in which humankind failed to perfect the family and nation worldwide. Beginning from the position of perfected third Adam and standing in the position of the True Parents, I have

formed the history of blessed families, centering on you, Heavenly Father and True Parents. This is so that we might inherit again the tradition of the heavenly blood lineage.

Today, 39.6 million couples are gathered to receive the Blessing. This is a time of glory for Heaven, pride for Earth, and liberation for humankind. We are grateful for this. Through the Blessing of marriage, Heaven and Earth are able to dwell together on Earth. Through this ceremony, God is able to establish the realm of the Sabbath on Earth and personally dwell directly with us. Also, through this ceremony, the world of angels and the world of saints and sages can dwell on Earth.

Through this, all families of the world are empowered to become your tribe by weaving together, one family after another. In this way, they are able to establish the one family and return joy to Heaven by cutting off Satan's

blood lineage. We are truly grateful for your permission to have this eternal moment.

Now, by completing 39.6 million couples on Earth, and by being liberated through the grace of the Blessing, we cross the final battle line at which you can allow the Blessing, which Adam's family failed to bestow, to be given to all humankind.

Please, Heavenly Father, take direct dominion over everything from this moment on, as we press forward toward the final goal. I beg you to establish your reign of goodness. Reign from the position of both right and left, with Heaven's dominion and realm of victory at the center. Engage the entire cosmos to complete the purpose of creation.

We are grateful to carry out your will by holding the 39.6 million couple Blessing today. We have passed the turning point in the completion stage of the 3.6 million couples, having moved through the formation stage of 30,000 couples and the growth stage of 360,000 couples. Now, having blessed 36 million couples, we stand at the midpoint of the course leading to the level ground of 360 million couples. Please give your blessing upon this Ceremony, as it marks the halfway point of the final course. Please allow your endless love, heavenly tradition and blood lineage to link to all of the brides and grooms gathered here. Bless them please, so that they may become ancestors who can be truly proud for eternity.

Father, I bless these couples and offer you this sacred ceremony. I ask you please to receive this offering. Thank you very much. I bless these couples in the name of True Parents.

Amen! Amen! Amen!

Proclamation Of The Blessing

God our Father! You are the origin of all things in the universe and the source of true love. Today, together with the True Parents, you are connected from this RFK Stadium to the entire world. Through the Holy Blessing, these 3.6 million and 36 million couples want to create true God-centered families which can live eternally as models of true love. Heavenly Father, please come and personally direct this ceremony and bestow your eternal blessing of true love. Amen. Amen. Amen.

November 29, 1997 Washington, DC United States Of America

1998

God's Day Midnight Benediction

True God's Day of 1998

Beloved Father! Today is the very first hour to welcome of the New Year of 1998. Today, we sent off the year of 1997 and welcomed the New Year. In the world of your heart, every plan, beginning from now on, is for the liberation of all families of the world. I am really thankful that we can have a New Year in which we can march forward to attend Heaven.

Last year, the foundation of 40 million couples' Blessing was accomplished, upon the 3.6 million couples, 36 million couples connected to the growth stage victory. From today, toward the remaining 360 million couples, the families of all humankind should settle down, centering upon absolute sex, which is God's ideal of creation, and the couple's relationship which is centered on absolute love.

Due to the lost of the ideal family throughout the many processes of history, towards the fulfillment of the religious aspiration throughout the Old Testament Age, the New Testament Age, and the Completed Testament Age, for the restoration of the standard of the original family through the path of indemnity. God has walked a historical path of recreation. For the reasons above, all human beings cannot avoid but begging for Your mercy.

There was a foundation of tens of millions of years of persecution and of public fighting in order to send True Parents to a chaotic world. Therefore, we received True Parents on earth. Centering on the victory of the realm of Christian Culture, after 2000 years, centering on the year of 1945 after World War II the circumstances represented the spiritual situation of the Eve nation, Abel nation, and Cain nation. At the same time, the external

Eve nation, Abel nation, and Cain nation had been confronted, so that the victorious foundation could be retained, and Jesus was able to rule over the spiritual world.

On this foundation, the Third Adam came and indemnified everything and tried to start the family level of the world. But because Catholics and Protestants could not make unity and because of the opposition of Christianity, centering on the Unification Church, this 40 years history of restoration was a bloody one. True Parents who were sent to the people who did not know anything had to go through a suffering course. We had become such people You could not even imagine according to Your Will.

I know very well how sorrowful you are to face this sad day. I also know the sorrow of True Parents who had to work hard until fulfillment for their responsibility, which was to establish the victorious foundation on 185 nations centering on Korea, centering on Japan, centering on America, and centering on Germany in 40 years.

With this victorious foundation, we have today, beyond the watershed of 3.6 million couples and 36 million couples Blessing in the worldwide level. Centering upon 360 million couples Blessing, the completion of the family identical to Adam's family in the realm of human liberation occurred, through the public hard work of heavenly Parents and earthly Parents, thus gaining approval of this time period of blessing. I am really thankful for Your grace and permission to connect this to humankind.

From now 1998, to keep the final vertical period, centering on all humankind, with the 360 million couples Blessing, we want to march forward to accomplish this life or death mission, to go over the peak of Han, to accomplish Your final wish in the providential history of salvation, which is the cutting off of the blood lineage of the satanic world.

The spiritual world which has been helpful until now; the angelic world centering on God, the ancestors who stand in the saints' position which represents the angelic world, everyone absolutely must become one, with the "Declaration of the Realm of the Cosmic Sabbath for Parents of Heaven and Earth" which can bring resurrection to earth, thus You can appear on earth. I am really thankful for the grace through which we can receive the whole body, the entire directions, absolute power and authority, and omnipotence time period in which we can completely liberate and indemnify the Han of the Fall since history begun.

Please grant that all families which were blessed within a heartistic relationship centering on True Parents, may be one, and should be an absolute object before an absolute subject, which is what Heaven desires, with absolute faith, absolute love and absolute obedience. Thereafter, as Heaven wishes, they can establish the victorious Kingdom of Heaven in the heavenly world and the earthly world.

We are grateful to welcome this day centering on all men and women on this beach. We are grateful to come to the central place of the workshop on this 30th True God's Day in the midst of nature receiving this water which can connect Heaven and Earth. We are also grateful for this grace that can hold this memory in Heaven and Earth, as the condition of grace through which your heavenly blessing can be one with earth, can be connected to all humankind. We are having rain, at this moment, over 5 oceans and 6 continents, to which all land and water in the world can be connected. Please, pour down abundantly the unification grace, I fervently desire and ask of You.

Such a Blessing from God, to welcome the new year 1998, at the time of the 33rd True God's Day, with the accomplishment of 360 million couples, bringing the liberation of the Kingdom of Heaven on Earth, which can cut off the Satanic blood lineage. Please, grant the appearance of the Kingdom of Heaven where we can praise the victory and glory of the realm of the Fourth Adam. I fervently ask and desire Your permission to establish one victorious way for the Unification Soldiers who can march forward looking for the grace of blessing with the whole body, the entire direction, absolute power and authority, and omnipotence.

Father, bright 1998 came to us, I fervently ask and desire Your permission that everyone can be victorious soldiers and determine their minds, stretch out their bodies and embrace the universe

with all their hearts. So that they can engraft the whole universe to the lovely original palace with filial piety before God, together with all things, children and parents.

As we receive this glorious New Year, we start a new day and at the same time, start a New Year. I fervently ask and desire Your permission that everyone can leave the seed which can connect 365 days to the Father's glorious day.

Father! I fervently ask that the blessing of this year that came with a promise can fully pour out the realm of heavenly victory on heaven and

earth. I wish your permission that this moment can be the time of the declaration of congratulation for victory in the name of Parents and in the name of God, at the same time, can bind together the continuity of grace.

I declare and pray this in the name of True Parents. Amen! Amen! Amen! Midnight - January 1, 1998
Punta del Este, Uruguay

We Dedicate The Foundation On Which You Are Able To Settle Down Comfortably Throughout The Entire Cosmos

Beloved Father, As of two o'clock in the afternoon on the Day of All True Things, today May 26, 1998, centered on the parents, all the peaks of indemnity that had to be gone over on the earth as the parents have been gone over.

Starting on June 13, the 360 million couples will be blessed, and one year and seven months later, the age will come in which the entire 360 million couples must take the highway that is able to go towards the Kingdom of Heaven by finding a nation, a central nation, in which direction all the world must go, by uniting representatives of the nations, the nation of the parents, and the nation of the realm of the eldest son.

At this point, you have let us have an age that is able to liberate all humankind who are lamenting in hell, and the people of the spirit world and the earth. Through heavens love and the favor of the parents, now the nation of the parents is established, and beginning with twelve Korean people and forty Japanese people, the responsibility of the mother nation, which has not been fulfilled, has been connected to the Eve nation.

Through their having become one, saying that they are determined, the condition of the four position foundation is restored, and for the first time, the age has come when America can be blessed. Because of that, now, centered on Korea, Japan, Taiwan, the Philippines and Canada, they have been connected.

We sincerely thank you for having helped the hard work of the parents, who are pioneering the way of blessing in order to form the family-level kingdom which could have opened the age of the unified kingdom centered on the True Parents right after the Second World War after all the Abel- type nations, including England, were victorious.

I know the days in which you pioneered, through your hard work, the course that let me pioneer dream-like realities, and I lived completely for the sake of this work, and I crossed mountains and seas, Father, along this way no one else knew about.

Until now the people of the Unification Movement have been treated contemptuously and have walked their course shedding tears. Due to the merit of their tears, they could conditionally offer the nation of the parents instead; they could conditionally offer the nation of the children instead; and could build the liberated world, which could establish the realm of the unified kingdom, centered on Christianity.

By doing that, of course, North and South Korea will unify, and Japan and Korea will become one nation, and Taiwan, the Philippines and Canada will become a standard that has transcended race. On that standard, we will establish the destined relationships of children as one family, centered on America.

The parents proclaim the foundation on which you can arrive and settle down and the realization of everything that had not been settled centered on the ideal standard of love in the family, the love of front and back, the love of right and left, and the love of above and below that received your love completely, centered on the nation of heaven and earth, we offer before you the foundation that accomplished this. Therefore, we earnestly hope and desire that you will receive this.

Now True Mother will combine the twelve people of Korea with the thirty- six Japanese people centered on Japan, and stand in a position of becoming one. Through that, for the first time, the promised age comes, which is able to go beyond the boundary line of conditional victory of the whole, by the parents and the children having become one before the True Parents and before God.

Since we are having this kind of ceremony, we earnestly hope and desire that you will receive it in joy. Please let the conditions that are being carried out become historical declarations, and become the realm of the shield of historical victory of the providential history. I earnestly request and desire that you will allow us to become great kings of love who are able to put it into reality and to have a dominion that has eliminated all traces of the satanic world, and that has the supremacy of love in the entire realm of liberation, and where God is able to go back and forth freely, going beyond the families, going beyond the nations to the entire cosmos, to the world of the perfection of the sovereignty of love.

Since I proclaim this kind of dedication ceremony, Father, please receive it. I proclaim, proclaim, proclaim, this again and again and again in the name of the True Parents. Amen. Amen. Amen.

May 23, 1998; The Day of All True Things

The Dedication Ceremony of the Transformation

1999

Cosmic Expansion Of The True Blessing And Rooting Out Of Satan's Blood Lineage

God's Day Midnight

Heavenly Father, these last seconds of 1998 have passed. The fulfillment of 360 million couples and the elimination of satanic lineage have been completed. You have the victorious foundation and can be proud in front of all people. We are truly, truly indebted and grateful for your toil and cooperation. As we welcome the first moment of this New Year 1999, together with the sounds of this New Year (fireworks) and along with Heavenly Father and all the blessed people around the world, the 400 million blessed couples, we can wish for good fortune. As heaven and earth

focus on this occasion, we hope we can fulfill all the new tasks ahead. I truly hope we can relieve our heart and offering.

Heavenly Father you had such a heartache in the Garden of Eden. . . To establish the True Parents on this earth, how much you suffered. Adam and Eve and all the ancestors are ignorant of Your suffering. Today True Parents are able to liberate Your heart. Today it has already been over 50 years (since True Parents were to first appear). We are sorry we cannot offer all nations in this world yet, in 1999 from elder sonship, from individual to the world and cosmos level we hope to bring this liberation. We hope such blessing to you.

. . . Through this providence centering on South America we can open the Kingdom of Heaven. How much you have longed for such blessed couples, to Your very bone marrow. United all blessed families can liberate your Han. Centering on True Parents and True Family we can form the nation of elder sonship. And from this nation all humanity can follow and return to your realm.

Through True Parents, Heung Jin Nim and the ancestors in the spirit world we can be united. We can unite with the archangel realm. We hope the blessed couples can fulfill the ideal You have longed for. For the family of goodness, in spirit and body, can bring unification and declare the realm of liberation throughout the world. From 36 couples to 72, to 124. . . up to the present, all the blessed couples can be united and bring the realm of liberation from heaven to earth. They can open the door to the Kingdom of Heaven on earth. We truly pray this.

As you open this year, the "spreading of true blessing to the cosmic level and eradication of satanic lineage" is the motto for this year. As all blessed couples are praying and centering their hearts on True Parents whom are here and along with the heavenly soldiers, we can march toward the united world. We long for the world of liberation.

We pray this in the name of True Parents. Amen, Amen. Amen.

January 1, 1999 Punte Del Este, Uruguay

Original Holy Ground, Root Holy Ground, Victory Holy Ground Consecration and Dedication Ceremony

On July 27, 1999, at 4:18 a.m. (Korean time: 8:18 p.m.), at HotelAmericano in the Pantanal, Brazil the dedication and offering ceremony of HotelAmericano as the Original Holy Ground, Root Holy Ground and Victory Holy Ground was held.

Benediction/Prayer

Beloved Father! Today is Tuesday, July 27, 1999. The numbers 4, 6 and 9 became the standard of victory of Satan's numbers and were used to create difficulties for God. Now, centering on July, the figures three times nine equals twenty-seven ($3 \times 9 = 27$) were established so we have passed the 27th day. Tomorrow's figures are four times seven equals twenty-eight ($4 \times 7 = 28$). Centering on the numbers 4 and 7 and the 28th day, we began to have the origin of the beginning that will bring us to the era of the realm of the fourth Adam. In Your ideal of creation—with the creation of Adam and Eve—love, life and lineage became one through Your sinless heart. True Parents could not open the eternal Heaven with the victorious supremacy of the realm of resurrection. History was divided into the Old, New and Completed Testament Ages, and after experiencing failure in his course as the third Adam, I put everything to right.

From about May 15, 1998, we began to love the enemy Satan from this place. Thus, according to the will of God, we have realized that the murderous fight between Cain and Abel in Adam's family and the fall of Adam and Eve caused bitter grief in God's heart. Such things should not be repeated in the future. All the bitter feelings of the heart have not been resolved throughout history. The historical hardships have continued with God. Father, You have been making great efforts to resolve this pain and resentment, taking full responsibility for many, many years. We are truly thankful for Your blessing.

While You continued to endure and wait, You have not delayed the will of the providence. You, God, have gone through tens and thousands of years of difficult paths alone with this responsibility. You have been wishing for the liberation of all the people. Due to the perfection of the true Adam family, the perfected nations, world, cosmos, and the Kingdom of God in heaven and on earth are unified. You have been making great efforts to establish Your sovereign power of love. Please accept all creation's deepest gratitude. True Parents made great effort to go through the path of

indemnity and difficulties that remained on earth. Due to Your protection, we could fight through the difficult moments. Father, You have made innumerable more efforts than True Parents.

Throughout the difficult journey, Father, You have been taking care of me so that today I could reach this victorious moment. I have brought Satan to surrender. Concerning the liberation of the cosmos, God and True Parents established the realm of liberation on the basis of True Parents' victory. We wish You to see the era of all-transcendence, omnipresence, full authority and omnipotence that can bring the voluntary surrender of the enemy, Satan, and establish the realm of Your autonomy in the universe!

True Parents and the Unification families are therefore in the forefront and able to bring Satan to surrender, and to give orders to the archangel. Such an era has arrived. This place should thus become the starting point of the Original Holy Ground, Root Holy Ground and Victory Holy Ground. Please allow all people to cherish the memory of this place, surrounded by the Pantanal, and inherit God's blessings with their own efforts in front of a unified family, country and world. Please enable them to promise to become true parents.

We are thankful for letting us love this place, take care of this place and consider this place like our body, allowing us to have the starting location where the whole nation's families begin as a reciprocal existence as God's body. Please help us to cherish the memory of this place for the rest of our lives and remember in our hearts the efforts of True Parents and God. Allow us, the people, the country, the world and all humankind to have the moral duty, as God's children, to directly reach to the Kingdom of Heaven with the hearts of their descendants and clans united. Father, You are all-transcendent, omnipresent, bearing full authority and omnipotent. We chose the site of blessing here where we can directly reach to Heaven, so we are offering this site to You. Please accept this with joy.

Please allow us to have the gift of God's grace. Allow us to embrace the Kingdom of Heaven on earth and in heaven with a heart bursting with devotion. Please help us to fulfill the duties of children of filial piety, loyal patriots, saints and holy sons and daughters through the new lineage for the years to come in the cosmos, with Your love. We deeply wish and hope for You to help the blessed children's families to unite and then become the descendants for eternity who can inherit the traditions of our ancestors and follow the tradition of loyalty and filial piety.

At this moment, I am consecrating this place as the Original Holy Ground, Victory Holy Ground and Root Holy Ground. Father, we have obeyed Your instructions and we are offering this to You. Please permit that everything will go well, the way You have wished. I am proclaiming this in front of the whole cosmos in the name of True Parents! Amen. [Amen.] Amen. [Amen] Amen. [Amen.]

July 27, 1999 and August 8, 1999

Proclamation of the Day of All-transcendence, Omnipresence, Full Authority and Omnipotence

August 17, 1999 (the 7th day of the 7th month by the lunar calendar) was the third celebration of Chil Pal (7.8) Jeol (In Korean Chil Pal Jeol, meaning "Celebration Day of Eight Sevens," based on the date and time of the original declaration. The day is celebrated as the Declaration Day of the Cosmic Sabbath for the Parents of Heaven and Earth). During the event, Rev. Moon proclaimed God's all-transcendence, omnipresence, full authority and omnipotence.

Prayer

Beloved Father, today is August 17, 1999, and it is now 7 a.m. We will now hold the commemoration ceremony of Chil Pal (7.8) Jeol in oneness with the Parents of Heaven and Earth. The spiritual and earthly worlds are united and all the blessed families are united as one heart and body around True Parents. Thus, we will commence the third Chil Pal (7.8) Jeol celebration event.

Yahweh became a true father. In the horizontal line on earth, the substance of Yahweh became a true parent and united with one ideal. We cleansed everything before the New Year and resolved 1990. We wish to offer You the celebration ceremony and commemoration ceremony of the new proclamation of the cosmos here in the north of Kodiak. Please accept this moment with joy.

I wish all the blessed families in the world, the countries that they belong to, all creations and the Kingdom of Heaven be governed within Your ownership. We wish to offer this event as the commemoration ceremony

for the complete liberation of the Cosmic Sabbath for the Parents of Heaven and Earth. Please therefore accept this occasion with joy.

Please let Your victory, praise and glory shine on everything. We hope You to become the commander of millions of heavenly hosts, the King of kings and the Parent who creates and produces all things. Our deepest wish is that the victory and glory become Yours forever. Please guide this whole ceremony. I pray in the name of True Parents. Amen. Amen. Amen.

Benediction

Beloved Father! Today is the August 17, 1999, and this morning, we celebrate the day that commemorates the 3rd celebration of Chil Pal (7.8) Jeol. In order to restore this world You have had to repeat providential history through many ages. And throughout that time, the center that had to be set up was the perfected family of Adam as parents of heaven and earth, able to wholeheartedly represent the family of love before, during, and after the creation, and with whom God and children on earth can find settlement. We know that it has been Your hope to bless this family, Father.

Because the fallen descendants did not know about Your suffering, in place of humankind You Yourself have had to carry the incredible and destined mission of going over the heavenly elder-sonship, parenthood, and kingship, and had to lay the foundation of the True Parents to succeed Your course; we deeply repent and regret for Your toils while at the same time feeling boundless gratitude.

We also give You heartfelt gratitude for granting the religious sphere of the True Parents, where the flag of victory was raised after going beyond the numerous chosen religions and overcoming the peak of tribulation. Centering on the True Parents, in order to unite heaven and earth, You have focused on the cultural sphere of Christianity, which has been fighting as Cain and Abel, and You wanted to see the unification of the victorious spiritual foundation of Christianity and physical foundation of the nations of the world upon the advent of the Third Adam.

As the Catholics and Protestants failed to unite as brothers, with the Holy Spirit and the True Mother as the substantial incarnation of the true Holy Spirit, it was Your Will to initiate a new heaven and earth and establish the ideal realm of love through the parents on earth. Although You desire to bring the spiritual and physical worlds together, You are not free to realize

Your wishes. Hence, You have established a son to accomplish that task and raise the flag of victory, and after this to hand the victory over to You so that You can perform a parade of cosmic sovereignty and sovereignty of love through all of heaven and earth.

Centering on the relationship of heart between husband and wife and parent and child, and centering on the perfected family that unites heaven and earth, You wanted to initiate the heavenly

kingdom in heaven and earth. Centering on the True Parents who pursued the sorrow-stricken course of the Messiah, You desired to unite all of humankind under the lineage of the True Parents and establish the foundation of the chosen people so as to order and re-organize the satanic world.

This will has not been fulfilled even after fifty years, however, and You have had to keep prolonging it until now. How much pain You must have felt in Your heart as You searched the way alone! You desired that Your true son on earth unite Your internal world of heart and the external world, manifested as the spiritual and physical worlds. You wanted to establish the unity of mind and body throughout the nation and world, and bless and build a substantial foundation on top of the spiritual foundation instead of working through the cultural realm of Christianity.

Because this Will has not been fulfilled, however, the spiritual and physical worlds failed to unite, and as a result the future of both worlds became blocked. But You created channels through which the water drops trickling down the mountain could reach the valley streams, and the streams reach the ocean, joining together as one great sea of true love. In order to create the Kingdom of Heaven in heaven and on earth, You had to pass through a history of hardships, suffering and blood, and You know that the True Parents feel ashamed about this. Heavenly Father! You are the king of kings presiding over heaven and earth. You are the very center of love, the parent of all humankind, the teacher, and the owner of the kingship of love. As You have been following Your lost child, You had to go through such a suffering course without being able to make it known. But You willingly persevered and in order to go beyond this You established Chil Pal (7.8) Jeol on this earth. For this we sincerely thank You.

We thank You that on the seventh day of the seventh month in 1997, after True Parents' 77th birthday, and on the exact hour, minute, and second, Chil Pal (7.8) Jeol could be declared, on which basis everything blocking God on this earth can be pushed aside, and the foundation of grace and

unification transcending time and space that can split the curtain of darkness with love can spread on this earth.

Father! Your heart has been full of sorrow, but You can now face Satan and with Your dignified march towards heaven and earth is inevitable in this age. In the year of Adam's becoming eighty years of age, and in the last of the four specially declared years, a new realm of liberation and victory can be reached through the perfection of the True Parents, of parents in heaven, and of parents on earth, and with the sovereignty of the Kingdom of Heaven in heaven and on earth. Before Your Will to establish a sovereignty of love, glory, victory, and praise, we can pledge each day to fulfill the responsibility of the solemn summons, and we are truly grateful for this liberation. As we return all glory to You, please grant the day when Satan's entire authority is overthrown, and everything can be offered to You.

Father! You have declared many celebration days after liberating all lost things, children, family, nation, world, the entire cosmos and even Your realm of liberation.

I know that these days of declaration are not going to be buried, but they will become a base that lets Your realm of heart shine greater and higher than the bright sun and everything else in the heavenly realm. In order to lay the foundation of love You have made many declarations.

In that way You proclaimed Chil Pal (7.8) Jeol, which has established that one great hill has been overcome, and Satan can never undermine or erase these declaration days. But on the occasion of the True Parents' having attained seventy-seven years of age, and on the exact second, minute, hour, day, month, and year, we went over the satanic hill of number fourteen through completing human responsibility, and shattered Satan's blockage based upon the limitation of number fourteen, which represents the top of the growth stage, whereupon You declared a day of free settlement and rest of the parents of heaven and earth. This child of Yours declared this day because I know that this is a day of historic commemoration and day when we can praise to the depth of our bone marrow the liberation of all humankind.

Since that day there was a three-year course in which everything on earth and in heaven had to be re-organized. During that urgent time the declaration and celebration ceremony for the cosmic victory of parents of

heaven and earth could be held. On the 27th of last month, for the sake of all religions, I declared the original holy ground, root holy ground, and victory holy ground so that we can return to the original land of freedom. By following the vertical line of the eight steps and by climbing up the eight-step bridge shown by the True Parents, we can stand in front of God of liberation. The level foundation of the Kingdom of Heaven in heaven and earthly foundation will become one, and we give gratitude to You for allowing this cosmic liberation to take place so that the great victory of the Parents of Heaven and Earth can be declared on a cosmic level.

Starting from that, in June, July and August, You gave Your approval for blessing the entire spiritual world. You even blessed spirits who had gone to the spiritual world as children and they held the three-day ceremony. Because of this special grace, there is now an express highway of blessing reaching from hell to heaven, and we are deeply grateful to You for this. Now we are going over the final peak of the entire physical and spiritual world in order that all the tribes on earth accomplishing a tradition of love and representing the families of Adam, Noah and Jacob may eradicate the satanic lineage and establish the authority of Heaven through the connection of the True Parents' blessing. With the victory represented by the 400 million established blessed families, the beginning of this connection, the decisive initiation of the blessing of 400 million youths under God's blessing will completely cut Satan's lineage. By fighting through the final wall centering on this year's motto "The Cosmic Expansion of the True Blessing and Rooting Out of Satan's Blood Lineage," a foundation of great leaps can be laid. The task is right in front of us around the time of my becoming eighty years of age.

Today, when we can raise the flag of victory throughout the whole nation representing the entire ceremony of blessing, we celebrate Chil Pal (7.8) Jeol on a foundation representing Russia and Canada in the northern part of Kodiak. Korean, Japanese and American members will become one with the True Parents in the center, and these three nations will unite as one nation in heart, rising as the center of all nations and establishing this authority from the bottom of hell to the top of the

heaven. We sincerely thank You that all the declaration days including Chil Pal (7.8) Jeol can be declared this time in God's name, in True Parents' name, and in the substantial realm of God established by the True Parents on earth.

Upon the declaration of this day, the freedom and victory have been returned to You whereby the march of Your all-transcendence, all-

immanence, all-sovereignty and all-capability can commence in heaven and earth. Hence, from now on please take dominion over the entire universe and, instead of standing in the sorrowful position of being pushed around and chased after, embrace the entire world on the foundation of families that reside under the sovereignty of victory and love. We thank You that You have allowed this declaration to mark the day to regain the unification of heaven and earth, the sovereignty of love, the liberation of the entire cosmos, God, parents, and the authority of glory and victory.

Together with the 3.7 Jeol, we ask You to allow that the liberation of Your all-transcendence, omnipresence, full authority and omnipotence be declared in heaven and earth in Yahweh's name and that all be accomplished as You have allowed. I report the True Parents' accomplishments while offering everything to You on this day.

I pray all this in the name of the True Parents. Amen. Amen. Amen. August 17, 1999

True Parents' prayer at the Nine Nines Declaration (9.9 Jeol)

Beloved Father!

Today centered on the date September 9, 1999 at 9:09 and 9 seconds together with the True Parent's age of 79, through the viewpoint of the Principle I have clearly expressed the truth about the realm of the number 9 which is the number of the perfection of Satan in heaven and earth which had been blocked through grief and resentment, and of the perfection of all things centered on Satan, the entirety of everything in heaven and hell which have been imprisoned due to their relationship with the Fall and connected to The Kingdom of God on earth and in heaven connected from the spirit world through the world on earth.

That content has been blocked since the age of the womb, and since the age of infancy, since the age of brothers and sisters, since the age of engagement, since the age of marriage, going through the age of parents and the age of the grandmother and up until the age of the Queen, and is centered on the common blood lineage of the world of men and the world of women.

Due to Satan, the realm of the united ideal which must be connected has a boundary line between the mind and the body, beginning from the age in the womb, through the age of infancy, the age of brothers and sisters, and through the engagement, marriage, couple, parents, grandparents, up until the realm of the kingship. By the blocking of all these truths which had been blocked, through the history of the confrontation between good and evil, much blood has been shed by the realm of the brothers of the Abel side who were standing on the side of heaven.

The members of the Unification Movement know clearly that the history of salvation of grief and resentment is one where God's blood lineage of goodness cannot be straightened out from the destined relationship of the blood lineage, which was defiled, unless centered on Abel, Cain is subjugated, and the birthright of the elder son in the Kingdom of Heaven is found in opposite fashion, and the eldest son of the satanic world is subjugated voluntarily to the realm of the birthright of the second son.

We know the truth that without being able to form a relationship with God, humankind has gone over many peaks and has gone along many divided paths centered on the realm of Satan's love, Satan's life, Satan's lineage and Satan's conscience because of their relationship with the blood lineage due to the false parents, centered on Satan, who acted instead of God and who spiritually represented the false parents. And we know that due to the True Parents appearing on the earth, the main way for solving this kind of basic problem of humanity could be dug out and has been dug out.

It is the goal of the providence of salvation to fill this in, and since all the destined relationships of your tribe which could not establish a mainstream thought centered on your ideal of love, which is the ideal of creation, and since all the purposes of the ideal of creation, which sought to realize the Kingdom of God on earth and in heaven centered on the supremacy of the victory of the universal history, due to Satan's complete destruction of the lineage from the position of the false parent who realized the domain of the false parents and false children, false tribes, peoples, nations and world, and in the midst of chaos, where we could not go even if we wanted to, or come even if we wanted to, we have met the Last Days of the end of the world which is in its last moments.

We know that, and we know that it was the course of the realm of religions to pioneer the path on which good people could bring evil people into voluntary subjugation while having the grief of grief's in their hearts, and

the ardent wish of God's desire has gone over and over the peaks of history in order to set in order, from the very roots, all the blood lineages of the evil parents which made it possible to go the wrong way on all the paths of hell and the paths of heaven in the spirit world, not only on the earth, and not only in the domains of the individuals who are connected into tribes, peoples, and the world established by the false parents.

The God of goodness cannot relate to evil by striking it. Adam who was good could not stand in a position of establishing evil. Because only love can connect the true realm of life in the world of the ideal of creation, it is the ideal of creation to seek the one unified world of the eternal life of the Kingdom of God on earth and in heaven, and we know clearly that it was the purpose of creation to fully accomplish this and to bring it into perfection.

We know that all these things which have been realized due to the false parents are related to the number nine, and from the number one up to the number ten, up until the number nine, due to the dominion of heaven, centered on the authority of one tenth of the tribes of the Old Testament, God has been carrying out the history of the providence in order to liquidate the number 9, the number of Satan.

We have subjugated this greatest peak of the numbers of Satan, all these number nines, individually, and it is to be subjugated not only on the tribal, people's, national and world levels. Centered on the True Parents of the earthly world and the spirit world, and centered on God, the vertical True Parent of the spirit world, we have become one, and together with putting the earthly world in order, we have torn down all the walls which block the way in hell on earth and in hell in the spirit world which have been defiled by Satan vertically and horizontally. We have also gone through the history of conflict, filled with the tears of the True Parents, who have been able to connect a mainstream direct route up to the Kingdom of Heaven in the spirit world centered on love on earth. And we have gone through the age of the individual, and we have overturned the family boundary line of the family, tribe, people, nation, and world, and due to having spread the Godly ideal of the family on earth, heaven has been liberated. And because the age when God can freely have dominion over all the world is just before our eyes, in the spirit world, starting from the Seven Eights Declaration when The Realm of the Cosmic Sabbath of the Parents of Heaven and Earth was proclaimed three years ago, and is now entering its fourth year, without completely liquidating all the number nines which have blocked the way in

the Satanic world, centered on the year 2,000, we cannot go forward into the 2,000s.

Because of adding the number 10 tomorrow and because of the year 1999 having met the number which will be able to meet the year 2001, centered on the ideal love of Adam which is the original ideal of creation without the fall, God has gone back vertically to the individual, family, tribe, people, nation and to the ends of the world, and because of having connected the earthly world and the spiritual world on the foundation brought about by the Ceremony of The Congratulatory Proclamation of the Cosmic Victory of the True Parents of June 14th, which could bring about the realm of the liberation of the cosmos while shouting out "Mansei!" together with the liberation of the original Will which is seeking the spherical world of unification, today we could proclaim all of this today: The Realm of the Liberation of the True Parents and of the Unification of the Cosmos.

Because of this now the fortune of North-South unification is to come. And as for the differences between the Eastern and Western cultures, the two conflicting concepts of the East where there are innovations in the mental culture and the culture of the West with its material civilization must become one, which is the unification of the East and the West. And the gap between the North and South and the rich and the poor can be unified, and the ideal of the family, centered on the parents of the brothers and sisters, and the unified, vertical and horizontal, complete ideal of love has brought the realm of liberation to the ends of the kingdom of heaven, and hell on earth is completely abolished! And hell in the spirit world is completely abolished! Because of having this kind of day when we can proclaim to the cosmos the supremacy of the final conclusive victory which is greeting the realm of freedom and liberation which is able to manifest itself to the entirety of the spirit world and to manifest itself to the entirety of the Kingdom of Heaven on earth, and because the angels of heaven, of course, and all the ancestors in spirit world have been liberated through the benefit of the blessed families, from the families on earth which have been the base for Satan's world up to the families in heaven, all of the walls which have been blocking the way have been torn down and liberated!

On top of this age in which this liberation can be proclaimed, centered on everything in the age of the realm of the satanic kingship from the top, from the age of the authority of the kingship, to the age of the nation, to the age of the tribe, to the age of the family, to the age of the individual, because this standard is changed to the realm of heaven, now if Satan does

not obey the commands under the absolute authority and absolute power of God, he will not be allowed to exist because a worldwide domain has come.

Therefore, facing the approaching destiny of the unification of the North and the South, centered on the name of the True Parents, the Parents of heaven and earth, we restore the number nine. We are able to meet the age when heaven can hold the real power which can be applied to all of heaven, together with the earth, and root out the history of Satan, and because we are proclaiming these kinds of commemorable conditions here on this earth, we subjugate Satan who cannot go beyond his own boundary and can not come into the realm of the boundary line of heaven. And we liquidate this from the level of the nation down to everything, to the level of the tribe, the level of the family, the level of the individual, and down to the situation of the struggle between our mind and body. And from now on we will unify our minds and bodies, unify the couples, unify the parents and the children, unify the households centered on the brothers and sisters, unify the tribes, the peoples, the nations and the world. And centered on the vertical and horizontal standard formed by the vertical parent, God, and the horizontal parent, the True Parents, all of them will be brought into oneness, and in that way all the nations and all humankind, the children in heaven and the children on earth, will stand in the position of children, and we thank you that we are able to proclaim the ideology of the kingship of unified love centered on the whole of the vertical and horizontal and the former and latter.

By the satanic forces having surrendered individually and totally, now all of the satanic forces which had been opposed and had worked until now to destroy the structure of the good families, from today on, following God's command they will uproot all the impure elements of society for the sake of the perfection of the family. Centered on the realm shielded by the victory of the True Parents, I declare that we are entering into the age when, on the condition of going the opposite way as they did before, the satanic forces can cooperate with the realm of the liberation of the cosmos of the families which have been blessed by heaven.

Since, Lucifer, the head of the satanic forces has already surrendered, I declare that the beings of his forces, who are carrying out guerilla warfare to the ends of the earth and even in the world of darkness, and the cosmos must submit here to the mainstream thought system which can control everything in the name of God. From today they must follow the name of Jehovah, and through absolute obedience and submission to the declaration

which God is proclaiming, they must turn 180 degrees from the 180-degree opposite direction they had gone, and return in the direction of goodness, while having the name of absolute faith, absolute love and absolute obedience.

The Archangel, who became the ancestor of evil in the Garden of Eden, now has absolute faith, and loves Adam. And with absolute love and absolute obedience, he stands in the absolute position of having restored through indemnity his having opposed the parents who are the great subject of heavenly destiny, the reciprocal parents, the parents of heaven and earth. And at the same time that he is devoting himself to all of humankind and all of creation, he is loving them absolutely and following the realm of absolute liberation and is being absolutely obedient.

Because of that, everything up to the fallen heavens and down to hell can all be liberated, and by proclaiming the Nine Nines Declaration in the name of the True Parents, I proclaim this content clearly to the cosmos. Therefore, I now proclaim in the name of the True Parents that we have entered the age of liberation, the age of heavenly fortune, the age of the ideal Kingdom of God in heaven where only good remains and only good can move, through the world of evil and the world of goodness and God and the True Parents having become one.

Amen. Amen. Amen. September 9, 1999

Version II:

Proclamation of Realm of Liberation of Cosmic Unification for the Parents of Heaven and Earth

On September 9, 1999, at nine minutes and nine seconds past nine o'clock in the morning, Rev. Moon, at the age of 79, proclaimed the Realm of Liberation of Cosmic Unification for the Parents of Heaven and Earth. This day has henceforth been known as the Day of Nine Nines (9.9. Day)—Gu Gu Jeol in Korean.

Benediction

Loving Heavenly Father! Today is September 9, 1999, at 9 minutes and 9 seconds past 9 o'clock in the morning with True Parents at the age of 79. Centering on this condition, I have clearly revealed about the realm of number 9, which is Satan's perfection number, thereby liberating everything that was shackled by the fallen relationship in the spirit world and the physical world, through the Principle viewpoint.

A realm of the unified ideal was to connect, centering on the blood lineage, the periods of fetus, infant, childhood (brother-sisterhood), engagement, marriage, parenthood, grandparenthood, and queen-ship. It was, however, blocked by Satan on all these steps up to the realm of kingship, producing the dividing line between mind and body.

The history of conflict between good and evil required much bloodshed from Abel's realm on the side of Heaven in order to naturally subjugate Cain and take back the eldership. Unification Church members understand clearly the sorrow and pain of restoration history that required such bloodshed and sacrifice in order to cleanse the tainted lineage and properly regain God's good blood lineage.

True Parents appeared on this earth to disclose a mainstream path for the fundamental solution to the problems of humankind. Humanity has walked a sorrowful path that diverged away from God over countless hills, because false parents united with Satan as their false spiritual representative

and manifested satanic false love, false life, false lineage, and false consciousness through their blood relationship with him.

The purpose of the providence of salvation is to fill up those hills. Your purpose for the ideal of creation was to establish Your lineage and mainstream tradition centering on the ideal of true love and thus realize the perfection of the Kingdom of Heaven on earth and in heaven as the supreme victory of the history of the universe. Satan, however, violated the lineage and totally devastated Your purpose and ideal. From the position of a false God, Satan established false parents, false children, false tribes, false peoples, false nations, and a false world. Humanity is lost in immovable confusion and is facing truly the last days of the apocalyptic world. It is Your ardent wish to totally uproot the evil lineage of false parents that produced the evil individual, family, tribe, people, nation, world, and even Hell in the spirit world. The religious world until now has pioneered the

course that enabled good people to subjugate evil people through natural submission, in order to realize God's single-minded longing, over many sorrowful hills of history.

Adam on the side of goodness cannot strike evil. In the ideal world of creation, only love can connect with the realm of true life. Thus, the ideal of creation sought to welcome the unified world, the united Kingdom of Heaven on earth and in heaven, and the eternal life was to substantiate and perfect this ideal.

Everything that begun by false parents is represented in the number 9 and Satan came to rule over from number 1 to number 9. God, therefore, toiled through the providential history of the Old Testament in order to liquidate the satanic number 9 centering on one chosen people.

This number 9, the highest satanic number, should be subjugated on the individual, family, tribe, people, nation, world, and cosmic level. True Parents and God, as horizontal and vertical True Parents, prepared the physical world and the spirit world. True Parents broke down vertically and horizontally all the barriers existing in hell on earth and hell in spirit world and established the straight path that leads to the Kingdom of Heaven centering on love. True Parents passed through the tearful history of struggle on the individual, family, tribe, ethnic people, nation, and world levels and expanded the ideal of the God-centered family on earth. As a result, the time is coming for God to be liberated and to freely rule over the whole world. Now the spirit world is welcoming the fourth anniversary of 7.8 Jeol, the declaration of the Cosmic Sabbath for the Parents of Heaven and Earth. We cannot enter into the new millennium unless we can totally liquidate all number nines that are clogged in the satanic world.

As the number 10 is added tomorrow, we can welcome the number that allows us to welcome the year 2000 from the year 1999. Centering on original familial love that is untainted by the fall, God can now return vertically from the individual to the family, tribe, people, nation, and world without hesitation. God's original will desired the physical and spirit worlds to connect and form a spherical, unified world. We can now shout out the liberation of that will and "Mansei" to celebrate the liberation of the cosmos. Upon the foundation of the Declaration of True Parents' Cosmic Victory on June 14, we can on this day declare the Realm of Liberation of Cosmic Unification for the Parents of Heaven and Earth.

The fortune for the unification of North and South Korea is coming. There was a gap and conflict between Eastern and Western culture because the East emphasized spiritual reform and the West emphasized material development. However, the unification of Eastern and Western culture is now at hand. The unification of North and South that can bridge the gap between the haves and have nots is coming. The ideal of the family centering on parents and brotherly love and the ideal of love that unifies the vertical and the horizontal are expanding to bring liberation to the Kingdom of Heaven.

Upon this day, we can finally proclaim the hegemony of the final and decisive victory that will totally abolish hell on earth and in spirit world, and manifest the Kingdom of Heaven on earth and in heaven. Through this, angels as well as ancestors in the spirit world can receive the benefit from blessed couples and be liberated. Therefore, families on earth and in the spirit world that were the base for the satanic world can now break down all barriers and declare the era of liberation. The top-down transfer of power from the age of satanic kingship, nation, tribe, family, and individual to God's realm and standard is taking place. Thus, Satan's very existence can no longer be permitted unless he follows the commands from God's total authority and omnipotence. Such a worldwide foundation and heavenly fortune for the unification of North and South Korea have come to us.

True Parents can now abolish the number 9 in the name of the cosmic True Parents, carry out the annihilation of Satan's work on earth and in spirit world, and declare a commemorative condition for welcoming the age of God's substantial authority. Satan surrendered himself for he cannot cross this boundary line and enter into God's domain.

We should resolve the environment from the national level, tribal level, familial level, all the way down to the individual level where mind and body are in constant conflict. From now, we should achieve unity between mind and body, between husband and wife, between parents and children, among tribes, peoples, nations and in the world.

Through their unity, God, the vertical parent, and True Parents, the horizontal parents, would unify everything centering on the vertical and horizontal standard. As the result, all nations and all people on earth and in the spirit world can now stand in the position of children and we can now declare the kingship of unified love centering on the entirety of vertical, horizontal, front and rear. We are indeed so grateful.

Satan has completely surrendered. According to God's command, Satan and all his party, instead of destroying the formation of good families, should eliminate the impure elements in the society that hinder the perfection of family and assist the cosmic liberation of heavenly blessed couples, as of today. I declare with the shield of True Parents' victory, that from today we are entering into such an era. The arch-Satan Lucifer has already surrendered. I declare that we can control in the name of God, all those groups of beings who are waging a guerrilla war in the lowest and darkest world. I also declare that they must voluntarily surrender themselves in front of the mainstream ideological system and cosmos.

They should follow from today the name of Yahweh and absolutely surrender and obey God's proclamation. In so doing, they can change their direction 180 degree and acquire the name of absolute faith, absolute love, and absolute obedience. The evil ancestor Archangel can indemnify his failure to absolutely love and have faith in Adam and his opposition to the Parents of Heaven and Earth, by absolutely believing and loving humankind and all things and absolutely obeying and following the absolute realm of liberation. The fallen spirit world and hell can in that way be liberated.

True Parents announce this content and declare Gu Gu (9.9) Jeol to the entire cosmos in the name of True Parents. Evil world and good world unite with God and True Parents, so that only good will remain and be active. I now declare in the name of True Parents that we can welcome the era of liberation, the era of heavenly fortune, the era of God's ideal Kingdom of Heaven on earth and in heaven. Amen! Amen! Amen!
