Out Of Many Nations You Remembered The Miserable Nation Of Korea

Loving Father, the moment has just passed which ended the year of 1979 and the decade of the 1970's. On this solemn new day of commencement for the 1980's, we are offering our praise and gratitude to You, Father. Loving Father, out of many nations of the world You remembered the miserable nation of Korea. Out of all the Korean people You summoned this son from such humble surroundings. I remember Your historical efforts to raise this son. From childhood through my teens and twenties, although I was immature and did not quite know Your Will, You were behind me, hoping and caring about my future. As I became more mature, You made me realize what the Will of God is and that You, the center of Heaven and master of the universe are the Father of all mankind. I thank You today that in the midst of my toil You worked so hard to teach me so many things.

In my struggling historical path, I appreciate Your giving me the period of upheaval and tears during the time of my youth as I approached the age of 20. Father, from my twenties and thirties You worried about the fate of Korea and the future tragedy of her people, while I solemnly prayed to You that Korea could have the happiness of liberation. When I recall those days it seems like yesterday. With Korea's liberation, Your Will to lift high Asia's new light was realized in this land with this unworthy son. You were always concerned about my confrontation with difficult circumstances. On October 14, 1950, in a situation of life and death, You gave me the grace of love to receive the joyful gift of life.

After that, I reflect on my coming to South Korea, the land of regret and sorrow. After a ten-year course of blood and sweat, I could have the day of holy matrimony in 1960. Once again, I look back upon those days of treading the thorny path of history. At the holy wedding only a small handful of lonely people gathered together in one small place in Chung pa- dong, humbly kneeling and appealing to You. Then we proclaimed the three seven-year courses, which was the beginning of a new era of history. At that time we were very lonely. Many people worried and doubted whether God's will could be accomplished and historical victory could be attained so soon. It seems like yesterday when we recall those days.

During the first seven-year course, we paved the way for Mother and indemnified Children's Day, Day of All Things and the regrettable path of

Adam and Eve. In 1968 we proclaimed God's Day: the true day when we can attend God and rejoice with Him. Those days seem like yesterday when I recall them.

In 1970, during the second seven-year course, I had to drive all the blessed couples out in order to consecrate the family offering for the sake of the nation and world. Those days are a heartbreaking, painful memory for me. I did not want that to happen, but because the church and nation did not fulfill their responsibilities, we had to bear such a heavy burden.

Father, You desired Christianity to raise the flag of victory in God's providence and sound the victorious trumpet for the Kingdom of Heaven. For that cause, numerous people were prepared by You and sent through lonely and tearful circumstances where they were supposed to inherit Heaven's will to blow the victorious trumpet, inaugurating the eternal blessed Kingdom of Heaven and praising the day of glory for the family, church, nation and world.

All of them, however, fell into the dungeon of historical regret without fulfilling man's five percent portion of responsibility. Whenever they fell into the way of death, Heaven always suffered and heaved a lonely sigh of despair. Once again the depth of Your aching heart is reflected to me at this moment.

Because I know that the way of Heaven is such that many people sent by You have always been opposed and persecuted, this unworthy son of yours has never felt any pain in that situation.

But I know how painful You were to look at those situations and how much historical regret has been accumulated. It seems like yesterday that, thinking those things, I appealed to You in tears.

The established churches which You had prepared for 6000 years fell into the bosom of Satan, and Your lonely children, harboring Heaven's will, had to risk life and death and go the lonely path of suffering. They had to shed tears for the established church and nation and bear the family cross in lonely situations, even though they were supposed to take care of their own children and spouse. I am recalling the three-year period before 1971.

After completing the family and tribal offerings for the nation, I had to leave Korea to begin the worldwide course and to prepare for the third seven-year course. Once again, I reflect on those years: 1971, 72 and 73. It

seems to be only yesterday that I blew the trumpet to march forward in the foreign land of the USA, the center of the democratic world. Already seven years have passed since then, however, and numerous things have happened.

We have been in difficult circumstances, engaged in a difficult battle, but You have always been guiding me to victory. This glorious victory does not belong to the Unification Church or to me. It is only Your victory. Once again we praise Your victory Father.

Now the lamentable struggling years of the third seven-year course have passed. Father, I sincerely express my deepest gratitude for Your grace which brought the decade of the 1970's to a beautiful completion. The decade of the 1970's was filled with tears, persecution, suffering and unfairness. We know that the decade of the 1980's will be filled with hope and glory. The Unification Church has

to lift its face and receive with praise the light and happiness, proclaiming that before Heaven and earth.

Father, on this first day of the year, I pray that You will govern this country and the free world and achieve the realm of victory for the resurrection of life by trampling down death. May Your glory be enhanced and Your 6000- year accumulation of lament and sorrow be soothed and comforted. I pray that the holy and sacrificial mission which Christianity has had for the past 2000 years will be fulfilled and that all the regrets and grief of the Unification Church will be soothed. May Your compassion be on Your children of five different races who are kneeling before You.

We pray that our minds will be governed by You, not by ourselves. In the 1980's we would not be shameful children, but we would become Your glorious children by unmasking all shameful and by completing all immaturity of the 1970's and by fulfilling our responsibilities in the 1980's.

Yesterday we heard about the right path of Abel. Since we know our path very clearly, we will march forward gloriously, with new determination in the 1980's. I pray that in the decade of the 1980's, Your blessing will be upon the Unification Church to become a proud church extending all over the world.

Now we are greeting the new year of 1980 and the new decade of the 1980's. I beseech You that Your blessing be upon all of us. Father, the motto of this year is "Home Church Is the Base of the Kingdom of

Heaven." I pray that each one of us will be determined to establish his own base for the Kingdom of Heaven and make his own place to find peace. We know clearly that the foundation which the Unification Church will establish after the ten years of this decade will depend on our willingness to invest our effort and determination in bloody strife to expand our heartistic foundation. Therefore I beseech You, Father, that we never complain but always thankfully invest our utmost effort, that we present ourselves with gratitude as living offerings before You, and that we never be hesitant or cowardly, but bold and strong.

Father, please bless this day. May Your eternal love and grace be with us. Father, numerous children in Korea, Japan, the United States and all over the world celebrate and remember this day. May Your hand of blessing be upon each of them. In the name of the True Parents. Amen.

Please Allow The Fallen Realm To Be Overcome By Your Heart Alone, Father

Beloved Father! Once again we long for the day that will realize the will you expressed after creating all the things of the universe. When we think about the existence of our sublime, precious Father, we, who know how low and inadequate humankind is. We cannot help but pursue all value and content that can become one with that lofty will. And furthermore, when we think that the people on this earth are those who have fallen from the ideal world of God, we think that the responsibility to take hold of oneself and to be brought to the world of goodness does not lie with heaven; rather it lies with humankind itself.

Father! We have realized on our own that the position with which we are faced is far too separated from the sublime majestic position where you stay at the center of the universe, and from you who are the lord of the ideal centered on love. Therefore, we know that in order to fill in this great distance, a path of submission to the reasonable course of restoration, which is so filled with grief, lies before us.

Our parents cannot help us with going forward on this path, nor can we receive help from anyone else. Today, as we realize that we can arrive there only if we have earnest hearts centered on God alone and toiling hearts of the original nature which are not concerned about life or death, we Unification Church family members are sensing our awesome mission of having to expand that purpose from our own individual selves to the family, tribe, people, nation and world.

When we think about the fact that from a position of being incomplete ourselves, we cannot pursue the completion of the family, and from the position of an incomplete family, we cannot pursue the completion of the nation or the world, we realize well that the situation humankind is in today is very pitiful.

We know the fact that the realm of the fall covers the whole and dominates all the realms of life. We also know that we need our own efforts and our own insights that can overcome and go beyond this. We need a new truth that is able to discover this, and we need the strength to overcome it. But we know that such strength does not arise from loving for the sake of oneself, but rather only by loving for the sake of God.

Father! We earnestly hope and desire that you will allow us to become children who can rush towards you from this place on our own with minds of love and with a life force that is strong and of good courage. Please remain with us forever through love and ages of blessings.

We have prayed in the name of the True Parents. Amen. November 9, 1980

Midnight Prayer God's Day, 1981

Loving Heavenly Father,

By passing through 1980, we have come to the opening of the New Year 1981. Throughout the many different historical courses, so many tragic days have passed in succession. In Korea, in the meantime, during the period from 1920 to 1960, you sent me as an "innocent and carefree" child to this earth and raised and educated me; I was under your protection and guidance until I became mature, and when I came to know God and Jesus, I discovered the historical view and mission. Afterwards, even though you have experienced triumphant and glorious days, I have reminisced about the sad results of history, due to American Christianity and Korea, which did not fulfill their responsibility. But I am sincerely grateful to you, Father, for your painful efforts in walking again the path of sacrificial struggle, in order to guarantee the victorious day.

Furthermore, in 1960 the three seven-year courses began, in order to indemnify the new mission which Christianity did not fulfill and the mission which the nation did not fulfill; when I think of the day that these three seven-year courses were established, it seems like just yesterday. I think back once again to the time when nobody even imagined that today we would be in such a victorious realm of history. Now these three seven-year courses have already passed by, and this year the second set of three seven-year courses begins. I am so grateful for these days that I cannot express my appreciation in words. I am so thankful for this historical period during which I was able, with your presence, to proclaim the second set of three seven-year courses in my own lifetime.

Now we have definitely crossed into the national level and the world level; we have also opened the new door to 1981, and in this moment we are newly determining to march forward into the new decade beginning in 1981, leaving the 1970's behind. In this moment, we are going to determine the motto for this year: "Home Church Is My Kingdom of Heaven." So, Father, please accept this motto. Also, please be close to all those of the Unification assembly everywhere who are praying for this motto. In this place in particular, here are 843 couples who were matched last night as one family. So many of the children you remember so well are assembled here, gathered from all over the world. I am grateful that you are present here with us in this enthusiastic place, filled with new hope for 1981. Now, upon

this occasion of beginning 1981, we can newly lift up the banner of the 1980's.

I am thankful that we are heading toward the new period of Home Church, and that we have to stand on the front line as representative families of the whole. We determine to be faithful and devoted for these ten years. I hope and I pray desperately that all can become children of yours, ones who are internally looking up at heaven, full of hope for great things ahead and determined to march forward — even though these are such confusing days and hope seems to be disappearing from this satanic world.

I also pray you will bless those who are far away in Korea and Japan and scattered throughout 127 different countries; even though they are in many various circumstances, still they are looking toward this place and thinking of True Parents and heaven. They are young children scattered everywhere; therefore, bless them. I know and believe, Father, that you will also protect them and that you are with them in lonely places and various circumstances, just as you protected my family and church, and this child as he was walking in Father's love. Therefore, those who are in such hard circumstances or pioneer situations firmly feel that God is with them. I pray so desperately, hoping and praying that they will become children without any shortcomings, ones who can fulfill their responsibility under any hard circumstances, by feeling firmly that God is in their place.

Please bless them in this time of history, so we can have a good decade of the 1980's; we want to make sure of your protection during these busy days of starting anew in the hope of 1981. Please open the new path in this country; I pray that the leaders you found can fulfill their historical responsibility for the world, beginning from the day you found them. Also, I pray that Korea can connect with Asia and Western Europe, so that a glorious world of new dimensions can develop.

I pray that you will accept all this new morning era with joy. I pray gratefully and desire this in the name of the True Parents. Amen.

Please Let Us Realize The Completion Of Your Will Through Home Church

Father who is the center of the universe in heaven: Since your ideal is manifested together with all the things of creation, please reveal the completion of your holy Will which is to realize in this cosmos the home of love which you and humankind, who are the center of the entire universe, are longing for, connected together by your love.

With this kind of mission before them, in front of you, who were seeking to complete the great work of creation, the ancestors of humankind, who should have fulfilled their responsibility as parents on the earth, wove a history of sorrow because of the Fall. The world of your ideal was devastated; the world of love was nailed to the cross. Therefore, in the face of your historical toil, Father, we offer repentance in place of our ancestors.

And that is not all; humankind who are spread throughout the world say that God does not exist; they don't know God. There are many people who betray God, and in the midst of the expansion of communism which denies God, the standard of goodness is becoming confused, and falsity and unrighteousness are hastily becoming like the center of everything.

So please look with pity at humankind who are dealing with the results of all these sorrows, and please establish the Unification Church. When we think of the toil of our Father who has worked so hard on earth until now in order to deal with all of the chaotic groups of people, to deal with individuals, to deal with families, tribes, peoples, nations, the world and up through the cosmos, we ask you, Father, to bear with all the sins of humankind who have caused the paths of suffering of all the historical sages who have come and gone in history for the sake of humankind, and of Jesus and even of the True Parents.

And that is not all. We know the fear of leaving behind for the descendents who are connected to us relationships of indemnity conditions centered on the sufferings of the present age and the past. Therefore, we are determining that we will go straight forward in order to get rid of the circumstances of indemnity conditions by centering on Home Church and broadening it from the individual to the family, tribe, people, nation and the world. Thank you for the blessing of being able to present this movement.

In order to cope with this kind of mission, please allow all the central families of each nation who are gathered here in the Unification Church to stand in the forefront to show the tradition, and to teach the reality of where we are going.

Then, to accomplish our responsibilities it will not do unless we hope for the environmental circumstances that will allow the entire world to follow and act here. We earnestly hope and pray that you will allow us to run in the lead to accomplish that.

Just like you working for Home Church, Father, please let us realize the environment in which you can be happy and the spirit world can help us by itself due to our fulfilling our duty of filial piety to you, Father, and becoming one heart centered on Home Church on the earth.

Through that, we earnestly hope that you will bless us so that beyond all national boundaries, the evil world of Satan, and even the evil world of communism will follow the call of the conscience, and follow your guidance, and be able to enter your nation and your family.

Then we earnestly hope and pray that you will allow all the nations of the world to become one centered on Korea, Japan, America and Germany, and that you will allow a time when we can praise your glory.

Father, please bless all the things that are happening today, and please bless everyone here. We earnestly hope and desire that you will allow this day and this month, this year, and the 80s to become the time of praising your victory. Please receive this ceremony joyfully. We earnestly request that you, the infinite, eternal God, will allow the victory to spread widely from this day on.

We pray all these things in the name of the True Parents. Amen. January 1, 1981

Please Remember Your Children Who Are Working Hard For The Restoration Of The World

Please fill the entire world with your compassion and love and grace and power.

As we bow down and consider again your history of suffering in order to realize the hope of tomorrow, we repent once again for our inadequacies of the past, and we have come to a point where we must determine ourselves again about this great mission that you have given to us. Therefore, Father, we earnestly hope and desire that you will please urge us on, increase our power, and allow us to become true children who are able to receive and attend your joyful will.

Father: Please bless all the members of the Unification Movement spread throughout the world. This morning, too, they are offering devotion to you and longing for this land of Korea as the homeland of their faith. Please be together with them through your grace and through a relationship of abundant life in those places where they are bowing down in the direction of the place where their teacher dwells, in those places where they are bending their knees and bowing down deeply to you.

Please allow them to be unification workers who lack nothing as tomorrow's kindred spirits, as tomorrow's brothers and as tomorrow's family members. Please bless your children who are spread out in 127 nations around the world. We know that all the tears shed and all the prayers cried out to you, as well as all the foundations for which your children have risked their lives in order to tread upon and move those nations, will not be for naught.

Therefore, we earnestly hope and desire that you will unite all the ancestors who are in spirit world with all the descendents on the earth, and that you will gather them together from all nations centered on one nation in order to realize the one nation and one world of your will. We earnestly hope that you will fill with your grace every place where people are gathered together centered on your name at this time.

We have prayed all these things in the name of the True Parents. Amen.

God's Day Prayer

Loving Father,

This is the very starting moment of the New Year 1982. We have left 1981 in Your care, and now, from this moment forward, we enter the New Year. We thank You for giving us Your protection and direction and surrounding us with Your love throughout the providential course.

Even though countless forefathers have made sacrifices throughout the long and tiresome course of restoration, still it is the destiny of us today and of our descendants to go through the way of indemnity. We thank You when we think of how hard You had to work on account of the fall of Adam, in order to enable us to transcend the time differences of past, present and future.

Also we thank You when we reflect on how hard You have worked to achieve the perfection of Adam on the individual, family, society and national levels, by sending the second Adam. Because of Adam's fall, mankind had no true first ancestor. To restore this through indemnity, Jesus came to Israel in the position of True Parent; therefore, Israel and Judaism should have become one in order to receive him. To accomplish his mission and fulfill Your will, the messiah had to go through three years of public ministry. But since Jesus died on the cross, for two thousand years You have been raising up Christianity as the new religion. These two thousand years of Christian history have been filled with blood and sacrifice. Thus, by going through the way of death, the Christian church wove the history of indemnity.

Although in order to receive the coming messiah, the Christian culture was destined to unite, centering on America, Christians were so hostile to their destiny after World War II that the path of indemnity necessary to restore

everything on the worldwide level was amazingly difficult. When we reflect on this difficult task we come to realize how hard You have been working.

After World War II, Korea, America and England should have joined together to carry out world restoration, uniting Christianity and the Unification Church. This destined course was hindered, however, by the Christian church's repeated prolongations. When we think of this disastrous way of indemnity, again we come to realize how hard You have been working.

Here I stand as Your son to restore through indemnity Your goals. Your expectations for the 1930's and 1940's have had to be postponed until the 1970's and even 1980's. Now we are at the end of 1981, having victoriously finished the first three 7-year courses. We thank You for allowing us to

begin the second three 7-year courses. Loving Father, at the dawn of 1982, please allow us to gather here in the spirit of oneness.

In this place, we the five races of mankind become one representing all the races from around the world. This is also the place where the Unification Church built the foundation of victory centering on our True Father and True Mother. Now on this worldwide base, we have been able to begin our dispensation of Home Church activity, to open the way through which our children can inherit the victorious foundation on the family, society and national levels. At this moment, we are moving one step forward into the transitional stage of history, having overcome Satan's persecution; we are marching forward to another stage of worldwide welcome.

Father, I am asking Your permission for 1982 to be the year in which the Unification Church makes Home Church its center, forming a new historical era which will be the source for the establishment of a new tradition.

Through Home Church, we will be able to resolve victoriously the deep resentment of our ancestors on every level. I ask You to allow us now and our descendants in the future to realize the seriousness of this way of victory.

Now we have gone past the position of servant of servant, past the position of adopted children, and past resentment, becoming able to bring joy to heaven. Thank You for placing us where we can build an era by living for seven years centering on Home Church activity.

I ask Your blessing on the second three 7-year courses. In 1982, when the new Home Church movement is being ushered in, I ask for Your permission to establish a new tradition. Now the world which is centered on Your love will again have to take up a fighting course of love in order to overcome everything and receive heaven's blessing. Heaven, give us your blessing. The time of sadness, fighting and struggling is past; thank You for making this era's atmosphere one of vision and longing. Father, please give us Your blessing.

Now in front of heaven, this Unification Church can lift its face and receive praise from everyone in this four-dimensional era which we are passing through like in the twinkling of an eye. Father, I beseech You to give us Your blessing.

Forgetting the long hard course of restoration through indemnity, now I give my blood, sweat and my most sincere heart on the stage of Home Church. Wherever my feet have not touched, may I touch those places and enter all doors with the most sincere heart, in order to make You the master of the environment. After they become one with me, I will bring all things of the universe and all of Cain's children before You.

Also today we are entering the New Year, the year when Mother becomes 40 years old. Though young in years, she has been like a teacher and a parent; she serves her husband, who is sometimes like her parent or elder brother. Today You cannot help but love her, for she has undertaken and endured so well the burning way of the Unification Church. With her big heart, she has been in a position to love many children in addition to her own.

Now at the beginning of this second three 7-year courses, because of the historical mission of uniting the blessed families with True Parents' family, Ye Jin's family and Hyo Jin's family, I come before You, Father, with sincerest gratitude that the surprising event of this engagement and marriage can take place according to Your will. Father, the families of this son and daughter are not fully aware of their historical mission of becoming unified families. Surrounded by the blessed families, these two couples which the angelic world cannot defeat are working wholeheartedly to resolve historical resentment; they are forming a barrier around everyone and coming before heaven with seriousness and showing You filial piety. Thus, they can stand in the position to teach others.

Please bless the children True Parents have been longing for — children who are in a fighting and lonely position; sharing the same mind with them, we are moved to tears. If there are heavily-burdened people on the course of indemnity, I repeatedly ask Your blessing on them.

Now, facing a new land in which we can dwell in love, we must go out, according to Your order, asking Your blessing for the world of Home Church. Please bless our Home Church areas with Your glory and divine protection. I pray for Your glory and divine protection throughout 1982, from beginning to end, and I thank You for all the things You have taken care of throughout the past year, 1981.

All these things I submit to You and ask of You. January 1, 1982, Midnight

Blessing Prayer for the 5,837 Couple Blessing

Loving Heavenly Father,

On this historic day of October 14, 1982, as we reflect on the last 22 years which You have designated, we come to realize how desperate you are to embrace all mankind with your love.

Originally, God had the ideal of creation and He prepared the cosmic foundation through the ideal of love. We know that You had the ideal to connect the individual, family, tribe, nation, and world together, centered on love.

Adam and Eve, who were supposed to fulfill this ideal, were the center of all individuals on the individual, family, tribal, national, world-wide and cosmic levels. We know that your great ideal was to actualize all of this; the realm of God's ideal love as the Kingdom of Heaven on earth.

You created Adam and Eve according to this ideal, but it was lost by one mistake. True individual, family, tribe, nation, world and true cosmos were also lost.

Furthermore, Your sorrow of not being able to stand on the true throne of God and not being able to have dominion over the realm of love started from the day of the fall. We know that this caused You resentment and also caused the historical resentment of mankind.

We know that in order to resolve these historic and cosmic sorrowful events You have caused many religions to appear so that the true individual could be restored.

We also know that You have tried to connect such an individual to the true family, tribal, national, worldwide and cosmic levels, but although large numbers of religious men believed in Your will, they could not fulfill it on this earth.

In order to fulfill this will, Jesus Christ came on the world-wide level. As a true son of God and as a true man, he was to be blessed with a true bride who was to be the object of love in accordance with Your ideal.

Then, based on the horizontal foundation he was to achieve the true realm of “family heart,” with children centered upon Your direct love. Jesus was to actualize the ideal of the Kingdom of Heaven on earth on the family, tribal, national and world-wide levels at the same time, by placing the realm of the ideal on the vertical level into the realm of love on the horizontal level.

He could not fulfill this will of Yours, however, because the people of that time could not fulfill their mission.

Through 2,000 years of Christianity You have been trying to fulfill this will again on this earth. You have even tried to fulfill the realm of the ideal of love in the spirit world. Such has been the will of Heavenly Father.

This history of actualizing God’s will again on earth was not based on the foundation of spirit and body, but rather upon the victorious spiritual foundation gained by the course of the cross, which became necessary due to Satan’s invasion.

The foundation expanded from the realm of the tribe out to the worldwide level, and preparation was made for the coming of the Second Advent. Religions could not form the national foundation based on the unity of spirit and body, but they developed only as a foundation for the world of spirit.

Today, on the world-wide level, we know that this cultural foundation is led by America and other countries of the free world.

Now that the victorious spiritual foundation has been inherited and the tribe of the Second Advent is here, the Unification Church is called in front of Heaven and Earth, and in front of God’s will. Before You, it must offer the substantial realm of the victorious individual standing on the unity of spirit and body completely connected, centering on love.

It must build the foundation for a family centered upon love. It must be the foundation for True Parents by one true messiah representing true husband who welcomes one woman as his bride. Centered upon this unity, let us complete the formation of the new tribe and the new world.

We are called to discover what has been planned by You but was lost — the ideal of the new world and the original universe. We know very well that this pioneering path by the Unification Church has been the course of historical sorrow.

Having known the historical will of God put forth by You which allows such true individuals to be united with other true individuals, and which also allows many tribes to be connected to true family, true tribe, true world, and true cosmos; and having received the seal of approval from Heavenly Father as new bride and groom who, as practitioners of love embracing your ideal have achieved the completion stage on the individual level and are now ready to fulfill the purpose of true family and acquire qualification to be subject figures practicing eternal love; having conquered the challenge of becoming unashamed practitioners of God's will; such are the youth of the world-wide Unification Church who have been fighting until today.

Heavenly Father, please bless these 5,837 couples gathered here today, the 14 of October, 1982. They are the ones whose philosophy is in line with Your ideal and their path of love extends directly from individual to family, tribe, nation, world and cosmos. Today, we are very happy that this group can witness the beginning of new families in front of You.

Also the youth here are from different nations and they are willing to march forward to do God's will from now on. Therefore, please bless the future of these youth, who will, in their respective tribes and nations, try to expand into the world level.

Please record them as husband and wife of goodness in Your eternal book of life and please allow them not to be afraid of any challenge or any persecution. Let them be the heavenly true husband and wife who possess wisdom, who march forward with only victory in mind with courage and pride.

Numerous saints and sages of the past, 40 billion ancestors who lived on this earth and the entire physical and spiritual world are here watching at this place. Please allow them the new beginning whereby God's love can explode throughout the world.

This is an historical moment of new beginning, expanding to the world centered on Korea. Please remember, therefore, this particular place. As true couples, they are set on their determination to build the Kingdom of Heaven on earth and are ready to go on the pioneering path of extending eternal spiritual heaven and extending the world-wide level heavenly ideal family.

As the true couples who are worthy to receive Your love and blessing, and as True Father and Mother and also as leaders of tribes and the world, I sincerely ask that You let them be the leaders who fulfill Your expectations.

On this joyful day, I offer in front of You these 5,837 couples. Heavenly Father, please accept them. I wish that Your limitless love and glory be with them, and I pray all this in the name of True Parents.

Amen. Amen. Amen.

Please Allow Us To Be The Young People In The Forefront When Following Your Will

Beloved Father! Each time we stand before your majesty recalling so many circumstances of the sins committed by our ancestors, and when we think of those sins which left uncountable stains, we

cannot help but lament the fact that we stand on the earth because we were born as their descendents.

The historical mistakes are mistakes, too, but when we see the ghastly situation of the four billion people who are living in the present age now crying out that God is dead, right in front of you, who solemnly exist, we understand that many religions are at the point of not being able to fulfill their duties and mission. Therefore, our Unification Church members must broaden our lines of defense and hold high to the world our banner of objection.

Please remember our Unification Movement which goes beyond national boundaries with groping footsteps for the sake of your heavenly Will and which is going forth with the command to advance, struggling night and day to take down the grief-filled historical barriers that remain in front of that nation and that people.

Because we know that our path is to have to leave behind the tradition of a young generation that can shine brightly in the course of history, even while our Unification Movements are being thrown out and pursued, they are representing humankind and struggling in order to leave behind this kind of tradition for the future generations.

We know that the young movement which is that kind of movement is named The Collegiate Association for the Research of Principle. We know that the power of heaven will be together with the young people so that they may show themselves as the source of power for the future, and as they have determined to march forward, we earnestly hope that you will bless them and keep them.

We hope that you will allow cruel winds to whip into their faces. And please let the winds of storms and hurricanes push them and drive them back. In the midst of the wind and frost they will remain honorable and they will become young men and women like rocks and they will emerge as victors. With such a beginning coming from the universities of the Korean peninsula, we know that the future of Korea will not be one of despair but rather of hope drawing near.

Through this opportunity today please allow even one person, even one life, even one young person to determine himself. Then please bless this day to become a day of determining to become ancestors and parents of righteousness who can fulfill the mission of ancestors who would not be ashamed in the future by establishing a proper tradition.

Then we earnestly hope that you will allow these young scholars to follow the Will of heaven according to the Will of heaven and that they will leave behind on the earth, each according to his ability, a precious, great family of authority. And we earnestly hope that you will allow these young scholars to be able to accept as an eternal great undertaking the realization of the Kingdom of Heaven on earth.

We ask you three times over to please guide, protect, encourage, and teach them to become the young people who can lead the world, going beyond national boundaries and beyond Asia, adding

the hope of the future of Korea to their being on fire with hope and furthermore adding to that the strong power of going forward on the path of heaven's will for Asia, the world and the cosmos.

We pray all these things in the name of the True Parents. Amen. October 24, 1982
