Midnight Prayer on True God's Day

Beloved Heavenly Father,

We are here this morning on the first day of the eighth year of Cheon Il Guk with the Parents of Heaven and Earth.

In Your heart, You dreamed of a world that fulfills the ideal You had for the creation, a world where joy blossoms in every area of life, a fruit encapsulating the whole of creation, over which You could take pride throughout the ages. Yet, humankind lost its joyous value, which was to be manifested through a mind-set that is revering, serving and respecting Heaven. The crimes committed by the first ancestors of humanity have upset the great way of heaven and earth since that day. We know very well what the devil did, forcing the removal of the original palace that stood in the core position.

You were in a position where You were forced to abandon the ancestors of humanity despite the motivation of love You may have had. Yet, the source of the heart, of the Father's love, which prevented You from abandoning humanity, brought the light of glory and the fruit of victory to all of creation. Through the Principle, we came to know of the Father who lost that original world, a world where all existing beings, in all ages, were to respect and revere Heaven as they laid their foundations in their lives.

God and humankind are aware of all the historical circumstances that are deep, vast and complicated. God and Satan, however, know what caused the Fall, though human beings are unaware of the Fall's origin. As a result, people have been unable to speak of their circumstances to the Father, nor could God appear before members of the human race to warn or instruct them.

The ancestors of humanity fell while still immature. Consequently, the new sprouts that were to grow as the manifestation of heaven and earth, of life, and of all things in creation centering on absolute love, absolute life, and the absolute lineage, which are the fundamental and central core of love and of all the hopes that were focused on Adam and Eve, never reached their fulfillment. Throughout history, people have suffered in lamentation and despair within the clutches of the enemy, their hearts in distress as they have been unable to forget the original heart. Those in the Unification Church know of the Heavenly Father, who though forgotten by all to this day has walked a public path of loving His lost children, more than He would have if they had never become lost.

We have gathered here in Cheon Il Guk, which is headed toward the ideal of a new heaven, in order to commemorate this day in joy and jubilation. During the seventh year we offered our entire being and strength; that jubilee year has passed. We have entered the eighth year, a jubilee year

wherein the positions of above and below can become one as a couple. During this crucial year, the cause of the accident that occurred in the Garden of Eden can be erased.

Your sons and daughters can be created from the original, clean, pristine, genuine lineage, and they can grow in attendance of You, while You hope for the day when You can freely dominate any sovereignty or palace in the satanic world. We have passed through the Old, New and Completed Testament Ages; yet nobody could guide us through the complicated circumstances in the Completed Testament Age nor take responsibility for us in the midst of that great chaos.

A period of eighty-eight years has passed centering on this man called the True Parent, who was young and like a mere child but was raised by Heaven. Those years will surely remain in Your eyes as a time You will never forget. Now as a grown man of eighty-eight, in full bloom, I think of all the instances and circumstances where I pledged and prayed to reach the critical juncture of a jubilee year.

When I think about these things, I know that the seventh year of Cheon Il Guk that Heaven established has already become a jubilee year. My desire is to know the value of the jubilee year, to live completely immersed and absorbed in it, in love and adoration, and to make these days the blossom and even fruit of my life that can be spun into silk and ultimately connected with God's true love, life and lineage. Yet, despite these hopes, this child who stands as the True Parent before the Father on this new morning of the first day in the eighth year of Cheon Il Guk cannot suppress his regret before his Father.

Day after day, on the paths I took and even when I ate, it must once again be known how I longed for and waited through many years for all our hopes to grow and blossom. In a jubilee year, You allow all the emotions and desires in the deepest part of Your heart to be released and fulfilled. Father, I fervently pray that You forgive the members of the human family, all six billion of them, who have not fulfilled even a single aspect of the dutiful family way of a patriot, saint or divine son or daughter, and that You allow this True Parent to fulfill his responsibility.

I fervently pray for all members here to become one in heart and body. Let them be assimilated into True Parents hearts, and vertically into God's might. Let the sprout of love that has been hidden from view in the new

heaven and earth rise vertically from the families, individuals and even the spirits in hell. Let them sense the fragrance of that grace and open their eyes to gaze upon its light. Let the source of Your original love be activated in that unified environment, which allows humanity to move toward Your presence.

Let the entire universe be placed in Your hands, that You might mold it according to Your wishes. Let all members of the human race reach a position of victory and glory in the new heaven and earth as Your children whom You can caress and who live according to Your desire. Let this day be one where we can welcome the ssang hap [combined] jubilee years, the seventh and eighth years of Cheon Il Guk, allowing the eighth year to be the central jubilee year.

May the families who were justly blessed through their attendance of Heaven not fall short in any way. May they, of their own volition, go toward You forever in humility. May God's leadership be complete to the extent that You can say to humanity that there is nothing more to share and that You have provided all that any member of the human race might desire. Let the pulse of the lifestyle they can adopt once they enter the spirit world beat freely in the earthly and heavenly worlds.

From this hour, within Cheon Il Guk, we have welcomed and begun a new millennium. Heaven was busy, hectically working, during all the days of the jubilee year, the seventh year, which has passed. May that sense of urgency continue centering on these six years through the eighth, ninth and tenth years and all the way to the twelfth year. Let the original form of the ideal kingdom cover an earth filled with people who can harvest the fruits of the jubilee years from the seeds of victory that are scattered, planted and harvested throughout this period.

At this time, the Parents of Heaven and Earth have renewed their promise that heaven and earth will be an environment where we can view and assimilate in love everything that has been given, received or passed down during this period as a symbol of the original universe's love, which abides within all creation. They have given permission for this. Let all the details and secrets be revealed.

Let True Parents' desire be smoothly revealed in a straight line, so that no single aspect of contradiction exists within Your nation. This will allow You to become the great king of heaven and earth who reigns with God's

kingship, which is centered on the Parents of Heaven and Earth, embracing and loving everything and declaring that it all belongs to God. Father, before You place True Parents at the forefront and give them the order, I fervently hope and pray that the heavenly palace and members in heaven be mobilized to break down the walls and partitions that exist all around, allowing the members to become sun rays that are no less than Yours, beaming toward that tranquil place of hope, thus spreading out in broad daylight onto the plains, extending the victorious realm where each can freely assert him or herself and govern his or her life.

A three-year or four-year course still remains to be undergone as this child, who has passed eighty, approaches ninety. Father, please be with me. Please remember the future generations that are emerging; if there is anything that obstructs any part of Your pressing providence, may You govern and guide it so that all obstructions can be smoothed over, leaving one vast plain. Let the hearts of those who are here be joined, consolidated into a single heart that is allowed to shine forth as a beam of glory, like the first streak of daylight. I sincerely pray that You will permit this time to be one of launching a day of grace on behalf of the entire universe. This I earnestly and fervently report in the name of True Parents. Aju. Aju. Aju!

In the Eighth Year of Cheon Il Guk Cheongpyeong, Korea

The Unity of East, West, South and North

At Cheon Jeong Peace Palace on January 3, Father and Mother gave a special blessing declaration, attended by many members.

Holding hands, True Parents first walked down the center aisle of the room. They then walked back and forth together in all four directions of east, west, south and north before returning to the front. There, just in front of the audience, Father and Mother faced each other and held hands to give the benediction. Before he prayed, Father said:

“Within the unity of all four directions, east, west, south and north, all things will be embraced in True Parents’ bosom—a world making a new beginning. Let us pray so that these things can come about.”

Father then offered the prayer of blessing with deep emotion and with tears.

Beloved Parent of Heaven and Earth,

You were supposed to be entirely victorious in the world based on love when the ideal of creation coming from the depth of Your heart was realized. You wanted to stretch Your arms to reach out in all directions.

Yet the mistake of Adam and Eve, the ancestors of humankind, which they committed in just one day, compelled You to undergo the bitter history of restoration through indemnity. Because of that one mistake, heaven and earth were submerged in darkness, plunged into a bottomless pit. Human beings lost their clear destination and have wandered in grief and lamentation.

However, Your heart, Father, could not abandon humankind, so You kept watching over us and holding on to us even when we were at the very bottom. You took responsibility for the realization of the ideal You envisaged at the creation, so You had to shoulder the sorrowful history of re-creation in order to liberate us. We, members of the Unification family, know that You were looking forward to establishing someone in the position of the True Parents, united as true husband and wife, in whom Your corporeal and incorporeal substance would become one and in whom true love would settle;

You wanted such a couple to become like an extension of Your body amid all things of the universe. This was Your ardent wish and hope. People did not recognize the sadness in Your heart, but this son of Yours could not forget, through day and night, that humanity has such a universal Parent, one who is more keenly aware than anyone else of the sadness of the history created by the fallen descendants, and who has paved the road of indemnity, who has been teaching, advising, and comforting me on this road of sorrow, and who has not abandoned me even until this day. Thank You, Father, for Your grace in putting me in this position.

Today is January 3 in the eighth year of Cheon Guk. As we enter the unified jubilee years, the seventh and eighth years of Cheon Il Guk, based

on the Universal Peace Federation, all beings on earth and in heaven are watching the height of heaven and dark depths of hell, because True Parents have lit a candle, a torch, a beacon lighting all those places. We are approaching the position on the horizontal line corresponding to the original garden of Eden before the Fall; we are entering the unified jubilee years of Cheon Il Guk, so, please, Father, guide humankind that we may pass through every precious day that remains until January 13, 2013, and surmount all eight peaks, starting from the individual and family, and stand unashamed in front of You, God, who have been toiling so hard.

I know how difficult traveling down the path of restoration through indemnity is. Heaven knows it too. So as we come together to praise liberation and complete freedom, please forgive all inadequacies that I reported to You in the name of True Parents.

From the depths of Your heart, You have been wishing this world to reach the era of the firm establishment of noon, when there is no darkness, when all families and the entire unified body of the heavenly kingdom can live eternally in the bosom of boundless love. Please instill more of this heart into us, so that we can build the foundation for liberation.

On our path, we still have rigorous expectations to fulfill, and the mission we are called to accomplish requires from us readiness to risk our lives, so please, Father, guide Your children with Your loving heart, I earnestly implore You.

In this hour, nearing noon on January 3, 2008, let all beings on earth and in heaven be embraced in True Parents' bosom. We beseech You to please put the seal of liberation upon us.

We know that the unified realm of God and True Parents' hearts is in fact the realm of liberation and complete freedom, the heavenly kingdom on earth and in heaven, where God can act freely. Please do not abandon us, but protect us so that we may spend each day, month and year of the remaining five years with confidence. I beg You to please urge us and push us, so that we can walk a straight path.

Now, this son of Yours, and this daughter of Yours who is heading toward her seventieth birthday, are determined not to taint their path in any shameful way, but rather to undo the mistakes of the false parent within their lifetimes, even if it means True Parents have to extend their lives of

struggle beyond ninety and toward a hundred years. In this hour, we report this determination to You, so please accept it.

These people love True Parents and True Parents love God. Based on this tradition, our hearts are the same wherever we are. Therefore I earnestly implore You to bestow Your special grace of liberation and complete freedom upon all blessed families on the individual level, on the levels of the family, tribe, people, nation, world, heaven and earth, so that they can inherit the authority of princes and princesses of light in the era of noon. Enable them to become one in heart and body with True Parents, so that they can settle in the land of equality and be embraced in the bosom of God and True Parents.

May Heaven mobilize our blessed ancestors to help us reach our lives precious final destination.
Please guide us that we may enter the shining world of God's direct dominion, which is blooming
with flowers.

I earnestly ask, report and proclaim these things to the universe in the name of True Parents.

In the Eighth Year of Cheon Il Guk

Korean Version:

< 천일국8년 1월 3일, 천정궁 특별 훈독회 및 동정 >

지난 밤 늦게까지 집회가 있었던 관계로 1월 3일 천정궁 훈독회는 1월 3일 오전 8시에 시작됐다. 훈독회 사회를 맡은 황선조 회장은 “새로운 섭리적 과제가 주어졌기 때문에 우리의 마음도 거기에 맞추어야 할 것”이라고 말한 뒤 성가 3장 찬송을 인도했다. 이어 초창기 뜻을 위한 각오를 다지며 불렀던 ‘광야의 사나이’를 반복해 인도하였고 참석자들이 어느 때보다 힘차게 불렀다. 노래가 이어지고 있는데 참부모님께서 강당으로 입장하셨다. 경배를 받으신 참부모님께서 평화환경 제10장의 의미와 제11장, 제12장의 의미를 말씀해 주셨다. 그리고 “제일 문제는 이제 함부로

살 수 있는 시대가 지나갔다”고 하셨다. 또 “생식기가 자기의 것이 아니야. 타락했으니 그것이 누더기 판이 됐지.”라며 절대성의 삶을 강조하셨다. 참아버님께서도 이제 영계의 조상들이 내려와 지도를 하게 되는데 그런데도 잘 못 사는 사람들이 있게 되면 영계로 데려가 버리는 것이라고 하시며 다음과 같은 말씀을 하셨다.

[참아버님 말씀 일부분] 왕권 출발을 한다는 축복을 해 줘야 돼. 내가 공인하고 선포해 줘야 돼. 여러분이 갖출 모든 것과 참부모로서 갖추어야 할 모든 것을 갖추어 가지고 이 천성경 평화환경 가정맹세를 갖추어 비치해 놓고 가족이 읽으면서 서로 가정의 염려되는 사람을 불러 가지고 훈독회 때 아저씨면 아저씨, 이런 모순을 느꼈는데 어떻게 하면 되는지를 기도해 가지고 가정 자체에서 해결해야 돼. 숨기고 감추고 해서는 안 돼. 그렇게 알고 그 위에 절대성 중심심은 절대 사랑의 왕궁이요 생명의 왕궁이요 핏줄의 왕궁인 이 자리에 태어나 가지고, 아담 해와 자체가 축복받아 가지고 하나님이 이성성상의 중화적 존재로 격에 있어서는 남성격 주체를 중심삼아 가지고 천지부모 무형의 하나님이신데 천지인부모 사람의 체를 입어 가지고 아기를 낳을 수 있는 부모가 있어야 나라가 생기고 번성하는 거야. ...

양창식 회장이 평화환경 제10장, 11장, 12장을 훈독했다. 9시 28분, 훈독이 끝나자 참아버님께서 “하나님이 이 땅에서 같이 살 수 있는 환경을 개척해야 할 시대로 들어가요.”라며 하나님이 자주장할 수 있는 전체 전반 전권 전능의 이상적 내 세계를 찾아 나서겠다고 결의해야 한다고 말씀하셨다. 그리고 이제 “제5 심정부활 시대로 넘어갈 것이다 아주!”라는 말씀도 하셨다. 결심한 사람들은 일어서라고 하신 뒤 평화환경 10장은 절대성이며, 11장은 평화대사 천사장권 세계의 내용이고 천사세계는 상대권을 허락하지 않았다는 말씀을 하셨다. 그리고 참부모님 양위분께서는 손을 잡고 강당 중앙을 천천히 걸어서 동서남북으로 강당로비를 한바퀴도신다음다시 단상으로 오셨다. 그리고 양위분께서 마주보고 서서 손을 맞잡은 채 “죽 돌아 가지고 동서남북

전부다 하나 돼 가지고 하늘땅의 모든 만물의 존재가 참부모의 품에 품겨가지고 새로이 출발하는 새세계가 되기

위한 축도인 것을 알고 기도를 해야 돼.”라고 하신 뒤 참아버님께서 축도를 시작하셨다. 축도가 끝난 다음 황선조 회장의 인도로 혼독회를 마치는 경배를 특별히 세 번하고 참아버님 선창의 역만세가 있는 뒤 특별 혼독집회를 마쳤다.

2008년 1월 3일 천정궁박물관에서 기관장 및 공직자들이 모인 가운데 열린 혼독회에서 참부모님께서 중요한 지시와 결의를 하신 후에 한해를 다짐하는 축도를 해주셨습니다.

있다는 사실을 이 자식은 밤이나 낮이나 잊을 수 없는 자리까지 세워주신 은사를 아버지 감사합니다.

오늘은 천일국 8년 1월 3일을 중심삼고 이제 천주평화연합 천일국쌍합칠팔회년을 맞아가지고 온 하늘과 땅의 존재들이 하늘높이 우러러보면서 땅위에 있는 깊은 지옥의 골짜기의 어두움을 바라보면서 한시든 모든 전부를 어두운 지옥에서부터 참부모가 이것을 등불을 밝히고 촛대를 밝혀, 등대를 밝혀 여기에 수평선상에 타락하지 않았던 에덴의 본연의 자리까지 찾아들 어올 수 있는 이 자리를 맞이해서 오늘 여기에 칠팔쌍합회년을 맞이해서 2013년 1월 13일까지 인류를 하루하루를 아껴가면서 개인의 고개를 넘는데 가정의 고개, 8단계의 고개를 넘는데에 하늘이 수고한 앞에 부끄러움을 느끼지 않을 수 있는 그런 모습으로 인도해 주시기를 부탁드립니다.

아버지. 탕감복귀의 길이 얼마나 어렵다는 것은 이 자식도 잘 알고 하늘도 다 알고 있사오니 이제 이 해방과 석방을 찬양할 수 있는 이 자리를 맞이하여 참부모의 이름을 가지고 아버지 앞에 직고하는 모든 사실들을 용서하시옵소서. 당신의 마음깊이 이 세계가 어둠이 없는 정오정착의 달해가지고 무한한 사랑의 품에서 영원히 영원히 사랑할 수 있는 가정과 천국의 일체권

이 시간 이후에 참부모는 이 하나의 2008년 3일 정오 가까운 이 시간에 여기 서가지고 하늘과 땅에 있는 모든 존재들을 참부모의 품에 품기시옵소서. ‘해방’이라는 낙인을 찍어주시옵기를 간절히 바라옵고 원하옵니다. 하나님과 참부모가 일체권의 참부모의 심정권을 가진 것이 해방 석방의 해방적 하나님이자 주장할 수 있는 자발적인 지상천상천국 해방석방권인 것을 알고 있는 우리들 앞에 자신을 가져가지고 하루와 한 달을 한 달과 이 일년, 나머지 5년간을 버리지 말고 지키시옵소서. 직단거리를 통할 수 있는 직행의

발걸음을 재촉해 달려갈 수 있게끔 몰아주시옵기를 간절히 바라옵고 원하옵니다.

이제 참부모의 이름을 가진 이 자식도, 이 딸도 70대를 향하여 넘어갈 수 있는 고개를 바라보고 가는 노정에 또 90세를 넘어서 100세를 향하여 가는 노정위에 아버지 남겨, 하늘앞에 부끄러운 오점을 남기지 않고 1대에 거짓부모가 이룬 1대의 모든 것을 억천만세의 한의 연수를 연장했다라도 참부모님이 1대에 모든 것을 청산 지을 수 있는 것을 이 시간 직고하는 마음으로 아뢰오니 받아주시옵기를 간절히 바라옵고 원하옵니다.

이제 이들이 참부모를 사랑하고 참부모가 하나님을 사랑하는 전통위의 마음을 어디에 있더라도 같은 마음을 가져가지고 개인과 가정과 종족, 민족, 세계, 지상에 있는 축복받은 가정과 천상의 가정들이 해방석방의 은사들을 받아가지고 광명한 정오정착의 왕자왕녀의 권위를 상속 받을 수 있는 특혜를 베풀어주시옵기를 간절히 바라오면서 참부모의 소명과 더불어 이들과 더불어 같이 일심, 일체, 일획이 되어가지고 나아가는 이들까지도 같은 가치의 나라에 정착할 수 있는 하나님과 참부모의 품에 품길 수 있게끔 맡겨주시옵기를 간절히 바라오면서 이 해 모든 전부, 저희 생애의 나머지 귀한 종착점까지 가는데 있어서의 오늘의 요구하는 그 내용들을 하늘이 천군천사 축복받은 선조들 동원하여 한 자체가 전부가 하나님이 마음가운데 새로이 피어난 꽃과 같이 광명한 천지를 생명으로 지도할 수 있는 하나님의 직접주관세계로 전진하 시기를 참부모의 이름으로 간절히 간절히 간절히 보고하며 대우주에 선포하나이다. 아주~ 아주~ 아주~

Seventh Anniversary of the Coronation Ceremony for the Kingship of God

Ceremonial Tree-Planting and Prayer

To begin the tree-planting ceremony, Father and Mother joined hands and Father prayed.

Immediately following, Father joyfully threw Holy Salt in all directions. The sanctification complete, Father and Mother each planted an avocado tree and

grandson Shin-joon nim a mango tree. Father and Mother then personally signed all the tools that were used for the planting, after which they posed for photos with all in attendance. Father instructed that pineapple plants and avocado trees should be planted in the east of the King Garden

property, banana and papaya trees in the west, apple, pear and apricot trees in the north; orange and mango trees in the south, and a fig tree in the center.

Beloved Father, today is January 13 in the eighth year of Cheon Il Guk. This is a memorable day: we have entered the eighth year of Your royal sovereignty over heaven and earth. On this day we have arrived in Hawaii to mark a milestone in the providence. The number thirteen signifies such a dividing line marking the beginning of Your millennium kingdom. We have come to the land of Hawaii, which is connected with the Cheon Jeong Peace Palace, and on this important day we stand here in the name of True Parents to embrace the long-suffering creation, the universe, so that heaven and earth become one within our family.

Thank You, Father, for this opportunity to announce the final providential destination where we can bring the world under the royal governance of Heaven.

The Hawaiian archipelago has eight major islands, but five among these, in particular, represent parents and three children.

Father, remember these islands and make them a representative oceanic nation. Let all creatures in the ocean become nourishment for the living realm of Your ideal and let them be used by their new masters in Your garden. Let us start out on a new path from this palace in Hawaii towards the completion of the ideal purpose of creation. Enable us to freely go through all the stages outlined in Pyung Hwa Hoon Gyeong (Teachings of Peace).

Up to now, all things of creation were unable to take their proper positions and manifest their value. On this day, January 13 of the eighth year of Cheon Il Guk, we want to connect them all to the realm of True Parents' heart and establish the standard of their value as True Parents' object partners. On the basis of God's ideal principles of creation rooted in true love, we want to announce the emergence of the fruit, the world of God's eternal ideal inhabited by people and other creatures, the universe where we will be able to travel freely.

From 4:20 to 4:30 in this garden, we offered to You all things, that You may govern them directly. We did so in the name of True Parents and with a heart full of tears.

May this bond be strong and may Your lineage spread to all four corners of the world. May life sprout from the root of such unity in heart. We fervently pray that all people and all things of creation will make the free world of God's ideal the arena for their lives. May people observe this universe and travel freely to its every corner following the principles of love.

We pray for the unity of peninsular and continental realms and for the unification of north and south. We pray that Korea, the central point of the Pacific Rim in the ideal world, and final destination of all cultures, could attend God to become the foundation for all other nations to do the same. We ask that on the basis of this complete offering You, Father, may welcome and rule over the world of Your ideal on earth and in heaven where all people can manifest their value. May Your absolute, unique, unchanging and eternal royal dominion start from this moment on. Show us our position and the direction to go. We want to reach our final destination and establish a model of

Your ideal of creation-the world and the universe that would be comfortable for You and people to rule.

Father, You know this desire of ours, so may the hopes that we are sharing with You become one with the core of Your heart. May the motive, process and the outcome be absolute.

We earnestly pray that You may govern the ideal world of Your desire where You will be able to love, eternally, countless generations of Your descendants and extend Your authority over all people and over all things in this garden. Until this day True Parents have offered everything to accomplish this. Establish Your singular authority in all undertakings that will take place from now on.

Connect all people to the roots of Your lineage and embrace all things in Your realm, so that all creatures in such a unified and liberated world on earth and in heaven will eternally praise Your power and glory, Father, as the great master of all. Enable us to create families of dutiful children, patriots, saints and divine sons and daughters of God.

May you govern everything without any accusation from Satan. May all beings in all corners of the world sing praises to You, and, as symbols, bring joy to their master in substance. May we go onward, onward to the liberated ideal world, the kingdom of heaven where You, God, will rule all of heaven and earth, and where we can live in Your bosom and attend You as our king and as the progenitor of our lineage. May we attend Him upon settling safely in our original homeland, the peaceful kingdom of heaven. True Parents are standing here together with the blessed families who serve God's will in the various nations of the world. Bind together in the bonds of heavenly blood lineage these people dwelling on earth and the five great saints, as well as thousands of blessed families in the spirit world.

May the liberated kingdom of the reign of peace be established for ages to come, where You will be able to govern all things directly with Your authority.

We earnestly desire this and wish to attend you eternally as the almighty God, our Lord, our Savior, our True Parent and true progenitor of our lineage.

We hope that in this moment You can rejoice and be glad, and that Your ideology will rule all things in the universe; and that You will govern the world of peace from Your throne for the eons to come. We beg You to become the sole master of this liberated and glorious world to which we all march forward.

As we offer this prayer we sincerely ask You to bestow Your heavenly fortune upon all creatures on earth that they may rejoice.

True Parents were called to take charge of this earth where You have toiled so much. They were unable to disclose to all people what mission they were to fulfill and had to start their work in the position of mediators.

But now we ask You to become the absolute and only owner of all they accomplished while fulfilling Your will and to take these results to Your bosom. In the name of True Parents we offer this present world to You; please receive it with joy.

May all things in the universe, and all blessed families on earth and in heaven, unite in attendance to God and fulfill the way of filial piety.

Please enable these families to manifest such nature and face the glory of Your providence. May the kingdom of liberation and complete inner freedom governed directly by Your almighty power come, and may Your ideal of creation be made substantial in the form of the eternal reign of peace. We earnestly pray for this and notify You of all the above in the name of True Parents. Aju!

Benediction of Hyung-Jin Moon and Yeon-Ah Lee

Cheon Jeong Peace Palace

Heavenly Father!

It is now the calm evening-period. All creation is going to sleep and to take a rest. After the evening period it becomes the midnight period. Nobody has known that the True Parents, True Teacher, and True King has already come, who has the authority as successor of the crown. Father, all things of the Unification Church will vanish. All the happenings will disappear.

(Possible meaning: In the future in Cheon Il Guk there is no more Unification Church. The Unification Church and everything related to it will belong to the past.)

It is our purpose of life to live with God and True Parents as a family of great happiness. If we are not worthy to be like that, it isn't the responsibility of God and of True Parents any more. It is our responsibility.

True Parents have set up all the indemnity conditions. They have risked even their own lives in order to achieve the Sovereignty of the nation (Korea), as a proud individual, as a proud family that received the Blessing for an Eldest Son, and as a proud teacher of the nation.

While a baby was growing up in the womb, in order to inherit the victorious achievements of True Parents, and in order to get rid of the shadow of the Fall, True Mother and True Father have protected and raised the baby with such heart which is greater than the heart of children who serve their own parents sincerely.

(It seems that he is talking about Hyung Jin Nim.)

Father, we pray deeply that this son and this daughter can protect the whole world, giving new birth, succeeding the True Parents for total liberation, and being loyal and good children.

We pray deeply pray, Father, that Hyung-Jin Moon and Yeon-Ah Lee become a united couple and the successors of the True Parenthood, through which You can feel the greatest happiness. You couldn't bless your fallen children in the Garden of Eden. We pray and wish that this couple may connect the

current epoch with the time of the Heavenly Ideal World, where You are liberated totally and solely You are reigning.

True Parents do not have much longer to live, and they know how difficult it is to show to this couple the authority as the successors of True Parents. We pray sincerely that this family of Hyung-Jin can stay united with You unchangeably, from the time of childhood until after millions and millions of generations, and that they inherit the victorious Sovereignty of God's Ideal World.

Shin-Joon belongs to the third generation. May these three generations be united as one! May this couple, as parents, protect and help their children and be the protecting fence, until the children overcome all the difficulties which arise from the responsibilities as parents of the nation, of the world, and until they arrive in the World of the New Adam Culture of Heart as the children of the Heavenly Kingdom! Until now, the spiritual world was divided into two, the Cain realm and the Abel realm.

Heung-Jin has worked very hard as the main responsible person, united with True Parents. From now on, Hyo-Jin as the elder brother will cooperate with Heung-Jin and even help the people who are living in the most miserable environment. Hyo-Jin is called "The Lord of loyalty, filial piety and the liberation of the whole spiritual world" in the position of True Parents in the spiritual world. Through the unity of both the resurrection of spiritual beings will be easier and quicker.

We pray from the bottom of our hearts, that through them the physical world and the spiritual world will be united in harmony and love, and that the glory of God and the future glory of the True Children will be exposed.

We also pray from the bottom of our hearts that the period of realization will be much shorter so that God becomes the owner and the king of kings and reigns the whole cosmos directly.

Father, please protect these two children and always give them your guidance!

I pray and report this.

Aju, Aju, Aju.

Prayer Following the Helicopter Incident

Heavenly Father! At this hour I am going to proclaim something important in front of heaven and earth. The recent ordeal that befell True Parent's family served as a turning point in going beyond Satan's divisive forces, which attempted to hold to ransom all of heaven and earth. It was possible to prevail over this ordeal and overcome that critical life-or-death challenge because I came to complete the mission on earth of the True Parent at his Second Advent.

With True Parents overcoming this life-or-death situation and with all the passengers surviving this incident, it was possible to rectify the situation in which Jesus and the family he was meant to have were massacred two thousand years ago under Satan's dominion.

With this recent incident as a turning point, I pledge before all of heaven and earth to move forward toward a victorious nation over which God can exert his absolute dominion. It is now the time when everyone in the spirit world can receive the blessing under the grace of True Parents, become an absolute good spirit and return to the fold of the heavenly tribe.

The blessing should be treasured above everything else. It must be remembered as the highest and most valued symbol throughout heaven and earth that shall allow those in the spirit world to return to God's embrace.

This I bless and proclaim. I earnestly and fervently request your approval in the name of True Parents. I request your approval centering on True Parent's family, True Parent's clan, on the true nation and on the true reinstatement of the homeland. Father! ..."
