Let's Meet Father! Special Meeting of Core Members of Heavenly Korea, and  
Pilgrimage to Bonhyangwon and Cheon Jeong Gung

It's hot outside. Are you all right?

You are our sons and daughters who came to meet True Parents today, aren't you? [Yes.]

Throughout the 6,000 years of human history, the title "True Parents" did not exist.

It never arose even in the 2,000-year history of Christianity.

You need to be aware that Heavenly Parent waited so, so long for the arrival of the True Parents. In 1960, True Parents' advent occurred on the basis of their Holy Wedding. Heaven has waited 6,000 years to embrace fallen humanity.

However, if the Christian realm had fulfilled its responsibility, the 52-year wilderness course wouldn't have been necessary. After going forward without rest, True Parents proclaimed Cheon Il Guk Foundation Day and the founding year of Cheon Il Guk.

Due to True Parents and Heavenly Parent's great impact on providential history and on human history, this Cheon Il Guk full of hope, where Heavenly Parent's dream can unfold on earth, could begin.

True Parents will not conclude things just with proclamations. They must, therefore, create the

environment on earth in which people can substantively attend Heavenly Parent.

You must have listened carefully to my words today. Have we created such an environment? [Yes.] We won the victory, didn't we? [Yes.]

As a final question, can true children, who have met and thus been born of True Parents in providential history and human history, that is, the first, second, third, fourth, and fifth generations, work with True Mother, God's only begotten daughter, on earth? [Yes.] Can you? [Yes.] What should you do next, then? Should you strive for national and global restoration, or not? [We must.]

You have all determined to take responsibility, haven't you? [Yes.] Thank you. Let's bring victory without fail. [Yes.]

Singing songs: Oma-ya Nuna-ya; Saranghae Bumonim; Song of the Heavenly Soldiers

[After singing the songs together:]

It was good that we met, wasn't it? [Cheers]

I feel so sorry yet grateful before Heaven when I think of how very much Heavenly Parent wants to embrace and love His children together with True Parents on earth each and every day.

I bless you all to become true children who return joy, glory and hope to Heavenly Parent.
