

Seonghwa Festival Celebrating the 10th Anniversary of the Holy Ascension of Sun Myung Moon, the True Parent of Heaven, Earth and Humankind

August 14, 2022, HJ Global Arts Center, Korea

Dear global leaders, distinguished guests, and beloved blessed families, did you meet Father today? What did the True Father say? Heavenly Parent's wish, True Parent's wish, is to live in the kingdom of heaven on earth where God can love and embrace all people on earth together with True Parents and spread the ideal of creation throughout the world.

It was True Father's wish, also, to live a life of service to Heavenly Parent on earth. However, the history of humankind since the Fall has been a very difficult one. Throughout the world today, where despair rather than hope is inevitably felt, the environment that was to be the kingdom of heaven on earth that Heavenly Parent dreamed of is instead the harsh reality we presently have on this planet due the problems of war, ideology, disease, and human ignorance.

Unpredictable climate change is making things difficult for humankind, and for the Earth. What did Father say to you all today? Did he just tell you to just stop and let the fruits of your effort pass by without hope? Surely not. Is True Father asking you to become one with True Mother, who is leading the providence on earth? Then, Father will bless you to work together with Mother and spread to all of humankind the fact that Heavenly Parent's love is with us from Heaven, and bless the entire human race to form beautiful Cheonbo families that can fulfill their responsibilities as filial sons and daughters and loyal citizens serving and attending Heavenly Parent. Are you going to make that determination and put it into practice? I believe in you. I love you.
