In the 13th year of Cheon Il Guk, when we attend the Creator Heavenly Parent substantially, let us, the blessed families around the world, become true sons and daughters of Cheon Il Guk who fulfill our responsibility as the chosen people in unity with True Parents!

This is the New Year's motto that, starting from today with the Year of the blue Snake, will be passed down for generations in Cheon Il Guk.

All blessed families throughout the world and everyone gathered here are happy!

As we enter the Year of the blue Snake, we know the pain from 120 years ago [Note: Mother is referring to 1905, in which the treaty of Eulsa made Korea a protectorate of Japan; 1905 was also a year of the blue snake]. In the Bible, a serpent symbolized Satan. However, the snake is also called a wise animal. After 6,000 years of Heaven's providence and of human history, all blessed families of the Unification movement have received, through True Parents, Heaven's magnificent grace of Cheon Il Guk where we can attend Heavenly Parent in substantial ways on earth. We must be grateful. As blessed families, we must fulfill our responsibility.

Therefore, we must teach, beginning with this nation's citizens and politicians, that they are the chosen people. In true democracy, where we attend Heavenly Parent and all nations become sibling nations in front of Heavenly Parent as one family of humankind, can there be fighting or not? Until now, due to the Fall there have been wars, hostility, and religious conflict; history has not seen a single day of peace.

Yet we are entering the 13th year since the beginning of a new history through the victorious True Parents. True Parents' responsibility is to fulfill Heavenly Parent's dream on earth, the ideal of creation and kingdom of heaven on earth. True Parents have given birth to many blessed families worldwide. Through their 2nd and 3rd generations - Pure Water youth who are spread throughout the world, like drops of water joining to form rivers that flow to the sea - our future will be gloriously bright. I pray this day may become one of grace, gratitude and happiness that Heavenly Parent can joyfully receive through your sincere devotions (jeongseong) and practice.

True Parents' Message at the Christmas Special Luncheon

Merry Christmas!

I am here today to liberate Jesus.

After creating all things throughout heaven and earth, including the mineral, plant and animal kingdoms, with everything in pairs in His image, Our Creator, finally created a man and a woman, who were meant to become the first ancestors of humankind. To this man and woman, Heavenly Parent gave a growth period through which they were to reach perfection by their own efforts.

However, as the words of the Bible reveal, Adam and Eve failed to fulfill this and fell, which led to a world filled with war and conflict that has not seen a single day of peace in 6,000 years of history.

The Creator is omniscient and omnipotent, unchanging from beginning to end. Having initiated the process of creation, Heaven must see it through to completion. That is why through intense effort Heaven selected the people of Israel as the chosen people and cultivated them over a period of 4,000 years. How difficult it must have been, that it took 4,000 years! Ministers who know the Bible well understand why it took so long.

Jesus Christ, conceived by the Holy Spirit after 4,000 years.... Why did he have to be born in a stable? Yet three wise men from the East came following a star and paid their respects.

But Mary, who gave birth to Jesus.... I wonder if she celebrated Jesus' birthday over the 30 years of his life? Surely they knew how to write, and yet why is there no record? After preparing for 30 years, Jesus embarked on his public course, yet it was cut short after just three years, and he was driven to the cross.

There were two thieves on crosses next to Jesus. The thief on the left mocked Jesus. But the thief on the right said, "This man is innocent." What did Jesus say then? "You will be with me in Paradise." He said paradise rather than heaven. That's why Jesus said, "I will come again."

Christianity began when the Apostles, who were waiting for Jesus' promised return, were resurrected through the Holy Spirit. What has Christianity been doing over these two thousand years? What devotions have they offered for the sake of Jesus?

Jesus said that when he returned, he would hold the Marriage Supper of the Lamb. This means that, since a man and a woman came into being through God's principles of creation, he would see the realization of this Principle. Then, if Jesus the Only Begotten Son was born after 4,000 years, what should have been the focus of Mary's life? She should have created the environment in which Jesus could become humanity's savior and True Parent. However, Mary was unable to fulfill this responsibility.

About Mary and about how Christmas came about are things that were decided based on a human viewpoint. There is no official record of Jesus' birth. Do you think Mary fulfilled her responsibility? What effort and devotion did Mary offer for Jesus' sake?

As Christians do not know Jesus' essence, they call Mary the "Holy Mother." Christian ministers here today need to know this. Now, in the present time this must change. Why? Because it is the 12th year of Cheon Il Guk, and True Parents have been born on earth and created Cheon Won Gung and everything surrounding it in order to fulfill Heavenly Parent's dream.

Christianity must change. Korean Christianity, which should be leading the way toward Cheon Il Guk and advancing with me toward that nation and world, still hasn't repented or fulfilled its responsibility. Their ignorance about Jesus makes him weep. Please don't make Jesus suffer anymore. We must all change. I am telling all of you the truth of the providence so that today can be the day of Jesus' liberation.
