Respected Global Interfaith Leaders, Peace Ambassadors and beloved Family Federation members:

Today, for the first time in 6,000 years of providential history and [6,000 years] of human history since the Fall, we stand at the threshold of fulfilling Heavenly Parent's long-awaited dream - the realization of the Kingdom of Heaven on earth. Through the Cheon Won Gung Cheonil Sanctum Entrance Ceremony, we are living in a golden age in which we can dwell with and attend Heavenly Parent in our daily lives.

In this blessed golden age, we have been doing our utmost to create - not only for ourselves but for all people throughout the world - a peaceful world where we can establish one family of humankind attending God.

The 13-year course from the proclamation of Cheon Il Guk Foundation Day to the Cheon Won Gung Cheonil Sanctum Entrance Ceremony - a path known only to Heaven - has finally culminated in the age of Heavenly Parent's direct governance, the age of the kingdom of heaven on earth when we live in substantial attendance of Heavenly Parent.

This cosmic journey has been the highest expression of filial heart, through which we have fundamentally restored God's identity as our Heavenly Parent. Particularly, it has been a time of recovering the long-concealed status and value of the Heavenly Mother alongside the position of God as our Heavenly Father.

And this has become the foundation for the Republic of Korea, which Heavenly Parent truly loves, to play a more central role in the unification of the Korean Peninsula and world peace.

Amid this course to settle the era when we substantially attend Heavenly Parent, false information is being spread that our church provided illegal political funds under my direction.

I take this opportunity to make a clear statement: In the course of advancing Heavenly Parent's providence for world peace and the development of the Republic of Korea that Heavenly Parent loves, I have never given instructions for any illegal political solicitation or unlawful financial transactions.

I have lived my entire life for the liberation of God, the salvation of humanity, and the realization of an ideal world of lasting peace.

I am deeply grateful for your support, dedication, prayers, and devoted efforts toward realizing the hopes and will of Heavenly Parent. I will always love you.

I also hope that your efforts and devotion will be aligned with the Cheon Il Guk ideal of one family of humankind under Heavenly Parent.

In particular, I hope that the people of the Republic of Korea, whom Heavenly Parent has chosen and blessed, will live a life of gratitude as the chosen people attending Heavenly Parent by fulfilling the mission of a chosen people and protagonists of world peace that Heavenly Parent desires. Thank you.
