Responsibilities are on your shoulders. Right? You have all listened again to Father's earnest prayer. Is there anything that has touched your hearts? You must not be indebted to future generations for the rest of your lives. No matter what kind of responsibility you may carry, you must settle it; put everything in order within your lifetime and be in a position where you can say you have achieved God's will. I did so. Even though I was quite young in 1960, I did it. I have concluded the providence of restoration through indemnity.

We have only a few days until the first anniversary of Father's ascension. Six months have passed since Foundation Day was proclaimed and Cheon Il Guk was launched. With what kind of determination did you pledge yourselves in front of Heaven? All of you have received many teachings from Father. You have also heard of the path that blessed families should follow. What is left now is how you fulfill your

responsibilities, which will guarantee a free and joyful world for your tribes and descendants. An extensive environment will be prepared in the future, over the remainder of your lives. How you create the environment around you can advance the restoration of the country and the world. Do not just reflect on Father's teachings when reading them. We are in a new era when we must put our faith into practice.

We came here at 6:00 am today. I thought it would be necessary to scientifically and efficiently fit time with our biorhythm so that we can return 100 percent, 120 percent to Heaven. In addition, I wanted to invigorate you to be able to advance in this direction and gave you an extra hour of sleep. That is why I told you to come at 6:00 am. Did I do a good thing? [Yes] Are you grateful for that? [Yes] People may say that I have changed the Hoon Dok time to six o'clock, which when Father conducted it began at 5:00; however, I trust that you understand why I am doing this. I did it for you. It is to make everyone advance together. This is an expression of True Parents' true love. Do you understand?"
