Transcript of Peace TV 2nd Week in May Report HC 4.6-12

Unofficial notes

Presenter is Sisa Hirano

May in Korea has several holidays to emphasize the importance of the family, reminding us to of our hearts as children before Heaven and the parental hearts we need to have for the world.

This is also the month in Korea when all the flowers and leaves come out.

(Song in Korean: Our Heavenly Parents' Love, True Parents' Great and Vast Love - Newly born humanity, a world where people live for one another's sake, the five wide vast oceans, The six endlessly unfolding continents, True Parents deep vast Love)

This week we are again conveying the news of True Parents and of members around the world

## **True Mother conducted a Special Meeting of Regional Presidents**

True Mother conducted a special meeting of Regional Presidents on the 8th of May, held at Cheong Gyeong Gung with True Mother

Regional Presidents including those from Korea and Japan reported on the activities in their regions during the second year of Cheon Il Guk and presented their future plans.

After listening to all their reports, True Mother reorganized the Family Federation International Headquarters in some regions and said that 'We who have been called must complete Cheon Il Guk.

True Mother:

'When you see My Face, do your hearts feel happy? Satisfied? I also want to be happy when I see your faces.

I have told you to become noble families. Becoming the originator of a noble blood line is only possible while I am still alive."

I have told you to become noble families. becoming the originator of a noble blood line is only possible while i am still alive.

True Mother continues: "This moment is one through which you can reach the position of a forerunner and establish a noble family.

True Parents have no in-laws. All seven billion people are our children. Do you understand?"

The Commentator continues: As it was Parents' Day here in Korea, the luncheon that followed allowed participants to express their gratitude to True Parents for dedicating Their Lives for the salvation of humanity.

All those participating expressed their heartfelt commitment to bringing success in their mission areas. (My note: I want to be sure to pray for these Korean leaders... I love them so much for being there to show Mother their dedication and have talents to contribute and lead our 20/20 success after Mother's Heart, Word and Direction...)
