Victory Celebration Breakfast with True Parents

East Garden Irvington, New York

Who did Jesus leave the keys to the kingdom of heaven with when he died on the cross? It was Peter!

Life on earth is important. You are very lucky! You are people filled with joy.

You have received the blessing through True Parents. You have been reborn through the True Parents.

What more could humankind wish for?

Then, every day that you are alive on earth, you must live your life offering joy and glory, with a heart of hyo jeong, to heaven.

In light of that, you who have received the blessing have responsibilities.

Those around you, your family, tribe, race, nation - all 7.4 billion people of the world must know the True Parents.

They must reborn through True Parents. I am saying they must receive the blessing.

Why did Jesus give the keys to the kingdom of heaven to Peter? God's principle of creation was the perfection of man and woman, the perfection of husband and wife. When the husband and wife become one during their earthly lives they realize the kingdom of heaven on earth.

After you have lived your life, the blessed families can live an eternal life in the eternal world! How blessed are you to be in that position?

The most important thing is that you are the embodiment of True Parents! You were blessed through the True Parents. It will take some time until all 7.4 billion people of the world return to God's embrace.

The blessings will continue in accordance with the principles of the providence. However, do you know how great of a blessing it is to be able to say, "I received the blessing under True Parents' direct dominion"?

Then you must fulfill your responsibilities, no matter what, you must fulfill your responsibilities while True Parents are still alive.

You must go out as filial sons or filial daughters and loyal subjects. Your descendants will proudly praise you forever and you will be respected, congratulated throughout all eternity.

Will you go down that path, or will you stop? [We will go.] Work hard! [Yes!]
