## True Parents' Message

Cheon Jeong Gung, 21. August 2017

**W**ho are you? [True Parents' children] You were born to parents who received the blessing through True Parents, who were surrounded by fallen humankind. You are children born with no relationship with Satan's lineage, isn't this so? [Yes!] You must know this. Heavenly Parent's dream, True Parents' wish, the desire of humankind's original heart, is to realize one human family centered on God. However, that the world is still lost and in chaos and it is true that in our lives we cannot predict the future. Especially for you, in the True Family, Hyojin nim and Heungjin nim are your elder brothers. They are victorious elder brothers who established the four-position foundation with True Parents. You must unite with the families of these elder brothers. What I am saying to you today is that we absolutely have to realize God's dream. This must be realized

centered on True Parents. I already have the design in my mind of the great cosmic kingdom of heaven on earth. Through True Parents' victorious achievements, True Parents have already achieved 99.99% of that great dream, God's dream. All that you, who are unstained, must do, is fulfill the 0.01% of the responsibility. True Parents' grand design is like a puzzle. You are the ones who have the last piece, which will complete the puzzle. Therefore, you must say to Heavenly Parent, "Together with True Parents, I will! We will! create the environment, through which we will realize our Heavenly Parent's dream. Should the day we can offer this come quickly? or come slowly? [It must come quickly.] In order to accomplish this, you must go forward united with True Parents with absolute faith, absolute love, absolute obedience and absolute purity. Until you can receive True Parents' blessing you must remain

absolutely pure! Then you will become True Parents' filial sons or filial daughters, and patriots who will realize humankind's wish, True Parents' wish, and Heavenly Parent's dream. You are still in the growth stage of fulfilling that responsibility, right? You must do well and complete your studies, shouldn't you? You must grow to be beautiful, kind, and dignified. You must stand proudly as you attend Heavenly Parent and True Parents. That is why you must become the model in all things, in your actions, and in your words. Did you say you came from 75 nations? If you look at the UN records, there are more than 200 nations. You must

grow quickly so that you can put together the puzzle of national restoration in each of your nations. You must do your best so that there will be no nation among the more than 200 nations that do not know True Parents. True Parents have made the environment for each person to be able to take responsibility for ten—even a hundred nations. You must gain the reputation that you are true filial sons or filial daughters, and loyal patriots who have received True Parents' love and people whom the world will remember throughout eternity! Yes. I believe in all of you! I love you!
