Prayer of Liberation on Gorée Island in Senegal

Heavenly Parent! How many long years have passed as you worked hard and took a sorrowful course to find your sons and daughters? We know of the history that has pained Heaven many times because of humankind's ignorance. Heavenly Parent! Nevertheless, you never gave up on us.

Thus, you were able to find the victorious True Parents, for whom you had wished for so long. When all the people of the world are reborn through the True Parents, and can be called "my son, my daughter" there will be such happiness and delight on that day.

Heavenly Parent! The True Parents, True Mother, the only begotten daughter of God, has come here today.

Christianity did not know your deep will or Jesus' essence and they left a sorrowful history here in Africa and on Gorée Island. Where did Jesus' words of "Love your neighbor as yourself" go? How could they treat people in this way because of differences in skin color? Please remember the people of Africa who have endured and waited for more than five hundred sorrowful years.

Beloved Heavenly Parent! Today, in the name of True Parents, I liberate the sorrowful spirits of Gorée Island and through a spiritual workshop conducted by Heavenly Parent, they can be resurrected as good spirits and return to earth and be with their descendants so that Africa can become an Africa that can realize the dream of one human family centered on Heavenly Parent and become the light and lamp of the world. Let us cooperate enthusiastically to achieve a world of no more conflict, suffering, or war – one world of complete harmony and unification centered on Heavenly Parent.

I liberate and proclaim this in the name of True Parents. Aju!
