

# True Mother's Prayer at the Peace and Family Festival in Zimbabwe

The following is an official translation of True Mother's prayer from November 21, 2018 at the National Sports Stadium in Harare, Zimbabwe during the Peace and Family Festival, Zimbabwe

**H**onorable Heavenly Parent!  
Adam and Eve, who could have become the ancestors of all humankind, did not obey your will. Therefore, for us to come to this day, in accordance with Heavenly Parent's principles of creation, God, our Creator, had no choice but to lead the long providence of restoration through indemnity.

God had to lead the restoration through indemnity for the long period of four thousand years to send Jesus Christ, the true parent of humankind. Mary, who gave birth to him, and the people were unable to fulfill their responsibilities and thus Jesus had to go the way of the cross and say he would return.

The Blessed families who will receive the Blessing here today are the fruits of Heavenly Parent's, God's, blood, sweat, and tears during the sorrowful history of the providence of restoration. The ideal of creation expressed God's desire to love and embrace humankind as his children. Yet, the

ancestors that had responsibilities did not fulfill them, and two thousand years have passed as we longingly waited for the day Jesus Christ would return.

However, Heaven could not raise and use people that had not fulfilled their responsibilities. This is because the people that did not fulfill their responsibilities have indemnity to pay. Thus, for the first time in six thousand years, Heaven gave birth to the only daughter of God who could be called "My beloved daughter."

Through this, in 1960, True Parents came into being. Therefore, until now, hundreds of thousands of couples in the spiritual and physical worlds have been blessed and have expanded Heavenly Parent's realm.

Today, because of Heaven's love for Africa, which is filled with sorrow, and in particular Zimbabwe, Heaven sent God's only daughter, True Mother, to Bless the good men and woman here today. Fallen

humankind cannot be reborn and resurrected without going through True Parents' Blessing nor can they stand before Heavenly Parent. This means they cannot become God's children.

Therefore, here, where you receive the Blessing today, not only those in the physical world but those in the spiritual world are participating, too. I pray that you come to realize that through the people who receive the Blessing today, all the wrongs of history can be reversed.

The Blessed families who received the Blessing today have responsibilities. This does not end with one family, you must become a tribal messiah who shares the Blessing's grace for the sake of those around you and your tribe. Please bear in mind that

the true owners of Zimbabwe, which has the meaning "the venerated house of Christ" are all of you that received the Blessing here today.

Oh Heaven! How long have you waited and endured for this moment? Now, starting from this place, the entire continent of Africa will become Heavenly Africa centered on God, and here will be Heavenly Zimbabwe.

I ask once again that you lead the way in establishing heaven on earth, where Blessed families will live with freedom, equality, peace, and happiness on earth and joy and glory in heaven.

I pray and proclaim all of this in the name True Parents. Aju!.
