On July 28, 1993,
True Mother gave the address with the title
'True Parents and the Completed Age'.
She was the first Korean woman
who was invited by the U.S. Capital.
At that time, the 115 Senate members attended.

Through this address,
True Mother emphasized that the only ideal family
can form the ideal nation in this world.

She added that the women has the important role for
the creation of the ideal world.

The Completed Age can be the turning point
to create the new world.

On this day, the Senate member: Orrin Hatch was moved True Mother's address and realized the family and moral.

After True Mother finished her address, he thanked for her speech and gave 'Family Service Awards' to her. The U.S. congress decided to establish "Parents' Day" on the last Sunday of every July.

Ladies and gentlemen, at the dawn of the Completed Testament Age, the time has come for each family to take up the messianic mission and complete the work of salvation all around the world. After restoring your family, the next step is to restore your community, your tribe and your nation. We call this mission, “tribal messiahship.” In the Completed Testament Age, the mother’s role will be crucial. She has to unite her children with her husband and link her family with the True Parents. Already, we have sent thousands of tribal messiah missionaries around the world.
