

WFWPI's 2022 Color My Heart with Peace" International Children's Art Contest

Hoon Sook "Julia" Moon
July 26, 2022

Thank everyone who participated in the "2022 Color My Heart with Peace" International Children's Art Contest.

A total of 232 applications were submitted, representing 24 nations in 10 regions. The applications supported the theme of "Peace and Unification in North and South Korea."

The Color My Heart with Peace project is based on the founder's vision of achieving peace and unity through a culture of the heart based on living for the sake of others. We are happy and moved that so many participants used the power of art to create a better future and express their desire for peace through the images on the canvas.

The finalists were determined by an Evaluation Team, which included Prof. Na Hyoung-Min, Prof. K. M., and Dr. Paris Moon. Each application was evaluated in four areas: (1) Creativity 30% (2) Interpretation of the theme 30% (3) Overall impression of the artwork 20% (4) Facebook likes 20%.

Once again, we thank you for your participation in the contest and for your significant contribution to the unification of North and South Korea, and your voice for the realization of a sustainable and peaceful world through art.

We look forward to seeing you at the awards ceremony on July 30 at 8 p.m. KST.
