Meeting with BCF's in Korea after publishing of book "Korean Dream"

First words of the book:

"I dedicate this book to my late father Rev. Sun Myung Moon who longed for and devoted an entire life to the realization of the Korean dream."

On Sept. 28, during a tearful gathering with Blessed Families, Hyun Jin Nim met and spoke to members from Korea and other parts of the region for the first time in almost 2 years. Hyun Jin Nim is in Korea for the publishing of his book "Korean Dream" and was invited by Blessed Families to speak.

HJN began by offering to God and True Parents the book he wrote and then gave an inspiring and moving talk to the gathered Blessed Families for about two hours.

Hyun Jin Nim's speech poured out directly from his heart. He said that he remembered Father's words to him: before God gives a big blessing to someone He sends them first to experience the bottom of hell. And said that a true person of faith acts with gratitude and humility even when facing the most heart wrenching of difficulties. Sometimes he spoke with tears, sometimes he scolded strongly, many of those present could not hold back the tears hearing the words that penetrated deep into their hearts.

But the key word of the day was "hope".

“The content of this book and all that may result from it will protect True Father’s true legacy and the fruit of his work. We know from the depths of our hearts what kind of person True Father was. True Father is the person who planted the seed of hope for fallen humankind to be able to once again come back to the realm of direct dominion of God.”

True Father engrafted the Blessed Central Families to the True Family. Hyun Jin Nim emphasized the need for Blessed Families to awaken to their core identity and to accomplish their given missions and to lead our future.

This was followed by a report of the publishing of the book “Korean Dream” given by Inteck Seo, president of GPF Korea, finishing with Hyun Jin Nim’s sudden request for all to sing “Woori Sowon-un Tongil (Our hopes are for unity)”. The gathering ended with the collective promise and determination to make True Father’s dream become a reality.
