

Seattle HPHC: Invitation from Hyun Jin "Preston" Moon's group, Family Peace Center

Dear Seattle Heavenly Parent's Holy Community, Blessed Families, Brothers and Sisters,

A couple of weeks ago, Nathan Breland, his wife Maruko and their son (who are members of Preston Moon's group aka Family Peace Center) visited our church and made appointment with some of you for coffee or lunch. Later, some others of their members like Mr. Mike Yakawich and Mr. Robert Bleu called and sent invitations by email for their event on August 17th in their church "Family Peace Center" in Lynnwood WA.

Brothers and sisters, some of you may feel that it is okay to meet with them or to check their event on the 17th. However, our True Mother requested us not to have any give and take with them. Even with your good intentions, please do not have give and take with them. It is better that you use your time attending our One Day Divine Principle Seminar on the 17th at our Seattle Family Church in Ballard. That way you can help build stronger foundation for our Heavenly Parent and True Parents and support our church growth here in Seattle.

By the way, below is what Rev. Kevin Thompson shared with us regarding this and I hope that everyone of you will follow our True Mother's request.

Thank you very much and happy blessed new week! God bless!

Sincerely,

Rosie

True mother's request is to stay away and have no give and take. We should make sure that our members know about mother's request. If we go to this it provides give and take and it's better there is no give and take.
