Re. : Regarding Sunday Service and Members Assembly to be held on May 30 at Brazil Headquarters Church

May God and True Parents' grace and love be with brothers and sisters in the nation of Brazil and the Latin America region.

This is in regard to the need for True Parents' approval when holding an event or members' assembly under the auspices of the region or national headquarters (church), including one held centered on Dr. Hyun Jin Moon or one to which he is invited. Regarding the Sunday Service and members' assembly to be held on May 30, and others that may follow, in the absence of True Parents' official approval all board directors, leaders, and members of our church (HSAUWC/FFWPU) in Brazil should fully respect and follow the decisions and guidelines of the regional president and national leader.
