**Re. : Announcing Celebrations at the Beginning of the 2nd year of Cheon-gi and the
"True Peace and Unity Cheonbok Festival"**

May God and True Parents' blessings and love be with your regions, mission nations and providential organizations.

True Parents proclaimed the heavenly calendar on January 8, 2010 and spoke about holding a week-long festival from the 1st day of the 1st month in the 1st year of Cheon-gi [Heavenly Foundation] around the time of their birthday. This festive period was held successfully last year.

According to True Parents' instructions, the "True Peace and Unity Cheonbok Festival" for commemorating True Parents' Birthday will be held as a seven-day festival period from True God's day and to include True Parents' Birthday.

The birthday of the True Parents of Heaven, Earth and Humankind is the most significant and sacred day in all of history; it is a Holy Day that should be celebrated and commemorated by all humankind regardless of race or religion.

In this spirit, the "True Peace and Unity Cheonbok Festival" will be held for all blessed families and the people of the world to start the New Year in prayer and Jeong Seong centring on God and True Parents. Through this festival, let us inherit all the victories of True Parents and celebrate the value of the True Parents of Heaven, Earth and Humankind beyond the boundaries of religion, race and nation.
