Who is going to change the blood lineage? Not just anyone can do that. You must know that in order to do this work, I walked the way of the tearful cross...He did not have to face the way of death. If he had the family foundation and children, Christianity would have been different today. The world would have been ruled through Jesus' direct lineage. Blessing and Ideal Family Chapter Three, Part 2, REBIRTH AND THE ORIGIN OF THE BLESSING

Greetings!

I am truly at a loss for words to describe the events of the past few days starting with the Cheon Il Guk Foundation Day, Anniversary of True Father's Seonghwa and Holy Blessing Ceremonies that took place on Friday, a Highlights of the Original Substance of the Divine Principle seminar on Saturday and a spirit-filled service followed by a fascinating Question and Answer session with Hyung Jin Nim and Kook Jin Nim on Sunday.

[August 19 Holy Blessing](#)

Christian Seeburger-- European Sanctuary

At the beginning of Sunday's service, Hyung Jin Nim asked for reports from those continental Sanctuary leaders who were present, including Rev. Lee representing Korean Sanctuary, Mrs. Erikawa representing Japan, Christian Seeburger representing Europe and myself representing North America.

Christian Seeburger reported that Sanctuary chapters are active in the United Kingdom, Russia, Germany, Austria, Italy, Poland, Spain, Slovakia, Moldova, and other locations. Rev. Lee reported that 1420 Korean couples were blessed representing more than 4,000 brothers and sisters since last year.

Rev. Lee- Korean Sanctuary

Twenty-five Sanctuary congregations are currently active in Korea. Mrs. Erikawa explained that on July

4, 2015 Father appeared to her and said, "Erikawa, Heavenly fortune has left the Family Federation and the Unification Church." That is, she explained, "when I began working in earnest." She went on to describe the amazing developments in Japan, including the blessing of 1,500 couples representing 5,000 brothers and sisters who have returned to True Father's Authority since last year.

Sanctuary State Chapters in US & Canada (in yellow)

I reported that there are 24 Sanctuary state chapters at more than 30 different cities in the U.S. and two province chapters in Canada.

Andrea Pfister, a Mexican sister who currently lives in Maryland, shared her heartfelt testimony about how God led her to the Unification Sanctuary. (see following video)

Andrea Pfister's dream "Follow him! He is the son I trust the most!"

Hyung Jin Nim spoke about his Martial Arts fighting partner, "San Fran" who served in security for Father. After Father passed, he was fired and went back to Brazil completely broke. A friend who was organizing a Mixed Martial Arts tournament invited San Fran to participate but fighting against the

reigning champion called the "Assassin." His wife begged him not to do it. For the first three rounds he was mercilessly pummeled by the champion. He ended up spending 21 days in the hospital due to 3 broken bones, including a broken clavicle, etc.} In the 4th round while he was being thrown down to the ground San Fran was able to wrap the champion in a Jui jitsu chokehold and defeat him! Because of the prize money from that fight he was able to buy the house that his family now lives in. When his family came over to tearfully hug him that he was able to survive and win the victory, San Fran said, "All the glory goes to True Father! True Father provided for me!"

Sanctuary Sunday Service, August 21st, 2016

That kind of fighting spirit is the culture of the 2nd Kingship. These experiences of fighting and winning for Christ are our true treasures. Jesus taught us to store our treasures in heaven. There is no greater treasure than to know Christ and to become part of his lineage. And to be with honorable people who stand up for what is right, to honor True Father. Learning the Kingship mentality means understanding true wealth, both spiritual and physical, to pass onto future generations. Reclaiming sovereignty and being able as Kings and Queens to defend God's territory. Unlocking your epigenetics as a true sovereign and owner. Those who stood for Father will be in his house!

May God bless you and your families!

Sincerely,

Richard
