Jesus replied, "No one who puts a hand to the plow and looks back is fit for service in the kingdom of God. Luke 9:62

What is it that you desire? You want to be people of the heavenly kingdom or the children of the heavenly kingdom. If you become people and children of the heavenly kingdom, the heavenly kingdom will appear. CSG 205

Greetings!

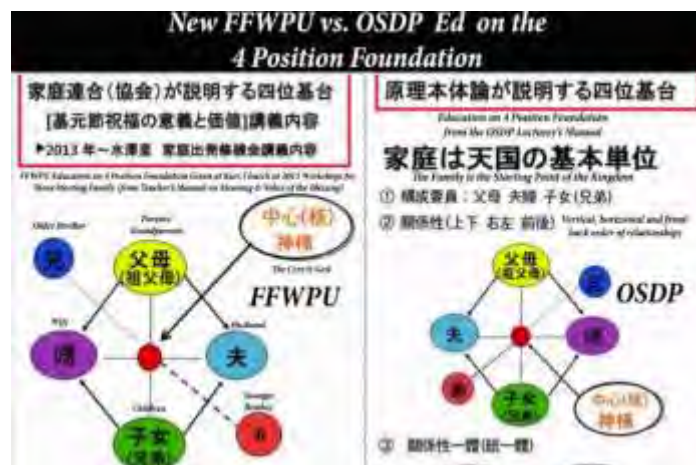

Hyung Jin Nim began last Sunday's service by explaining that the Bible warns about false Christs. When Hyung Jin Nim's friend San Fran was invited to a FFWPU service, he could not recognize what religion it was. A new book about the split in the Unification Movement states that Mother is creating a new religion. She was angry and upset that Hyung Jin Nim and Kook Jin Nim affirmed True Father's position as the returning Christ. It became increasingly clear that they would be "hunted down" for this belief. This was a crucial turning point for whether God's Kingdom would come through blessing or curse. Hyung Jin Nim could tell that Mother's own conscience was rebelling against the action she was taking, but the sycophants who would benefit egged her on.

Hak Ja Han: "I have absolute power!"

ceremony to a Satanic Being.

Family Fed brothers and sisters are not feeling God's spirit because there is no center. They are becoming relativists. FFWPU spends millions to bring VIPs to awards banquets to make themselves feel that "peace" is being accomplished. When Kook Jin Nim told Mother that she should be like the Queen of England supporting Father's choice for his appointed heir, she became furious. She shouted "I have Absolute Power." We knew, Hyung Jin Nim explained, at this point that she was possessed by an evil spirit. We now know about the Jan. 18, 2012 occult marriage

Only New Age relativists who know nothing about the Bible will accept Mother's proclamations about herself. The returning Jesus is supposed to be the Bridegroom, which creates a small problem...

The Divine Principle 4 Position Foundation diagrams being used in Korea and Japan started in 2013 to show the female in the subject position. This fit in well with tyrannies throughout history. God's ideal is for the father, who himself should be object to God, to be the loving, sacrificial subject in his family. He has authority, but also responsibility to defend his family.

Conquest-based empires always destroy the family structure and order. The Father being in the household is the critical factor. After killing off the strong men, the women will buckle to the power structure and educate children to obey government. Feminists want the power, but are not willing to risk their own lives to defend their families and country.

Just looking at the 2013 -2014 Blessing rings with only Hak Ja Han's name should raise alarm bells. The 4 new "holy items" containing the Hak Ja Han holy wine engrafts you, but not into the Messiah's lineage. Since all members are now clearly informed, *it is your responsibility if you choose to drink that.*

The FFWPU redacts the International President Sun Jin Nim's words "Heavenly Parents" to be the singular "Heavenly Parent" because they know this will not be accepted in America. At a recent 430 Leader training at Cheong Pyeong, leaders were told they should also now pray to Heavenly Mother (who represents Mother, who like fallen Eve became one with Lucifer because she wanted to be in God's position) in addition to "Heavenly Parents."

FFWPU Banner w DP Book covered

Hyung Jin Nim showed a banner from the Family Fed's "Marriage Blessing Ceremony on Fourth Seonghwa Anniversary" at Las Vegas, which has a well-known photo of Father with the Divine Principle covered up by a cloud. Covering up and changing the original Divine Principle is what the Family Fed has been doing for several years.

Hyung Jin Nim warned hell is a prison separate from God. If you think this would not be so bad, check into an earthly prison for a few weeks. There are only 2 directions in one's spiritual life- towards God or away. If someone is in a burning house, and you love them, you will shout, "get out of the house." Hyung Jin Nim had to bow down to Father with the crown on, submitting his Kingship to True Father.

Providence moves in the person of Christ, not the organization or building. If you love me, tell the world. When plowing one must look forward to keep a straight line, not turn back. There is a cost of following Christ. There is always a cost to doing anything. The Book of Revelation reveals that Satan does emerge after 1,000 years of the kingdom. If you walk with Christ, you need to practice vigilance. The Kingdom needs eternal vigilance. We obey his commandments out of love.

Undergoing Martial Arts training as a "peace police" helps us to become realistic. The Kingdom must come in reality, not as a fantasy. Fire arms training and safe use of guns by citizens lowers crime and violence. Otherwise only criminals have deadly weapons. The Kingdom comes in reality only when we face our fears, through standing strong in God's power.

A royal family does not collect paper or bank account money. Instead they own gold, silver and land. Our treasure in heaven is the greatest treasure, but the Kingdom of Heaven on earth must also be built in

reality.

When we leave Satan's Kingdom, we need to be engrafted into the Kingdom and lineage of the King of Kings. *Without the King's lineage or seed, there is no Kingdom.* The Kingdom which is coming also means freedom FROM Satan's Kingdom, where he is returned to his position of servant.

May God bless you and your families!

Sincerely,

Richard
