

Father Should Have Asked Permission!

To the angel of the church in Laodicea write: These are the words of the Amen, the faithful and true witness, the ruler of God's creation. I know your deeds, that you are neither cold nor hot. I wish you were either one or the other! So, because you are lukewarm- neither hot nor cold- I am about to spit you out of my mouth. You say, 'I am rich; I have acquired wealth and do not need a thing.' But you do not realize that you are wretched, pitiful, poor, blind and naked. I counsel you to buy from me gold refined in the fire, so you can become rich; and white clothes to wear, so you can cover your shameful nakedness; and salve to put on your eyes, so you can see.

Those whom I love I rebuke and discipline. So be earnest and repent. Here I am! I stand at the door and knock. If anyone hears my voice and opens the door, I will come in and eat with that person, and they with me.

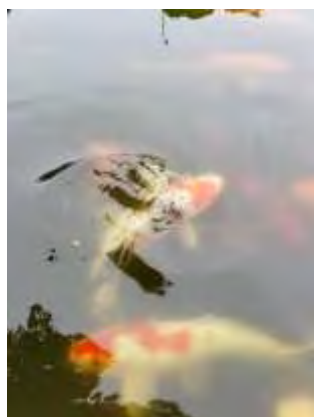

To the one who is victorious, I will give the right to sit with me on my throne, just as I was victorious and sat down with my Father on his throne. Whoever has ears, let them hear what the Spirit says to the churches. Rev 3:14-22

After that registration is done, True Father will appoint his successor. That successor must be known to all the Unification Church, all the blessed couples and the True Parents' family. They must all unanimously accept him. Once that successor is determined, the law or constitution of the Heavenly Kingdom shall be laid down to guide all activities. The law will guide heavenly citizens here on earth and into the Kingdom of Heaven in heaven. Greetings!

I recently read a Facebook post by a brother I've known for many decades. He expresses his concern that "our world Community is on the verge of global spiritual warming or meltdown and needs mothering." He goes on to suggest that "the True Children should be grateful for Mother's willingness to be an ice breaker and give her space of a few years to prepare the transition to their era. Better to avoid global war."

In the spirit of avoiding "global spiritual warming or meltdown," whatever that means, and facilitating world peace, I have come to the conclusion, in order to avoid all of the current, needless conflict in the Unification Movement all of us desperately wish would end, that *Father should have asked permission.*

Koi in Cheon Il Gung palace pond

- He should have asked permission from brilliant UTS professors about which of his texts deserved to be included as the core texts of Cheon Il Guk.
- He should have asked permission from church elders as to who was qualified to be his heir and Teshinja "resident body."
- He should have asked permission from church elders as to how much authority, if any, his heir and Teshinja/"resident body" should have.

The Family Federation's "Foundation Day" on February 21, 2013 was the day when Mother admitted, on Father's behalf, that *the "8 Great Textbooks" that Father gave out to thousands of leaders around the*

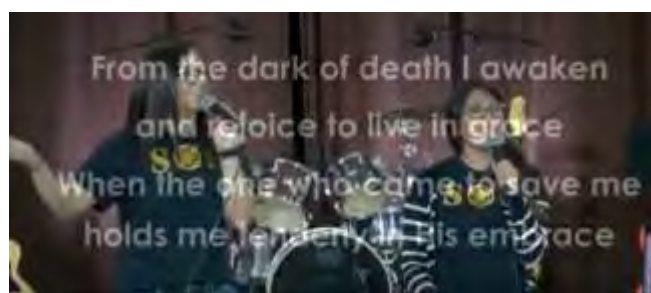

world were not "great," but were the "8 Motley Textbooks" (as one UTS professor described them) that needed to be revised or rejected.

February 21, 2013 was the day when Mother admitted, on Father's behalf, that *he had failed to ask permission from church elders to appoint Hyung Jin Nim (described by a church elder as an immature "naked prince") as his heir and "resident body."*

Furthermore, on that day Mother admitted on Father's behalf that *he was wrong to put so much emphasis on lineage and therefore his anointed heir of his direct lineage need not have any authoritative role whatsoever in Unification Movement leadership*, as explained in the brilliant FFWPU Constitution.

Don't feel the warm, "peaceful" glow yet? Just wait a few years. Liberation from Father's 8 "motley" textbooks and from his anointed heir who expresses enthusiasm for foolish ideas like "absolute sex" should surely bring about the diverse, multi-cultural, non-judgmental peaceful world progressive relativists can be truly proud of.

Why stop there? All of the miserable endless providential wars in the universe could have been avoided if God had asked the brilliant archangel Lucifer for permission as to whether the immature Adam could be trusted with the 3 Great Blessings.

Instead of being rigid and narrow-minded, Heavenly Father could have recognized Eve's right to explore her sexuality with two partners, perhaps under Mother God's merciful guidance. God could have avoided "cosmic spiritual warming" and "cosmic war" by sharing leadership of the universe with the exceptionally talented Lucifer. Wouldn't THAT have been the Peace Plan to end all peace plans...

After Hyung Jin Nim was fired from all five positions within two weeks of Father's passing, and then a few months later fired again from his position as American church president, after being warned not to teach about absolute sex, he could have just walked away and pursued a private life.

Instead he chose to believe what his father said about him, that he was Father's heir and resident body/ Teshinja. He is calling upon all Unificationists to return to True Father's authority, to a place where his words are not treated with contempt, or even literally thrown out in the trash. To a place where his authority is not undermined by the very people he trusted the most.

As I wrote to the brother who is worried about global conflict, the most dangerous thing for world peace is for Mother and her enablers to disunite with Father's words and to reject the one that Father (and she) anointed. All her work for "world peace" means nothing if she does not fulfill those responsibilities. Those who truly care about her would tell her this truth, even if it meant risking everything. For what shall it profit a man, if he shall gain the whole world, and lose his own soul?

In his sermon on "The Final Kingdom," Hyung Jin Nim discussed how Jesus taught us to pray for the coming of a physical Kingdom, not only a spiritual Kingdom that can be used by state churches to justify centralization of state power. We are meant to reject the satanic kingdoms. In the first chapter of the Book of Revelation, John hears "Behind me a great voice, as of a trumpet." Christianity has often passed by and ignored God's voice, but the spirit of God is now speaking more strongly, challenging the free sex culture and state socialism. People are turning to hear God's voice and waking up.

The Bible is the living Word, speaking to us from the Living God. The Fake News Media seldom mentions Islamist persecution of Christians in North Africa and the Middle East, or their beatings, beheadings, forced slavery and sex slavery. Why is that? It is because the secular media and Islamists have a common enemy- Christ.

There is a vast difference between Islamist ethics and Christian ethics. In the West, the movements to end slavery and to give women the right to vote were started by committed Christians. In the end there will be a clash between the angelic elites and the owners of Cheon Il Guk, which is why they are so contemptuous towards Christians/Unificationists who take the Word of God seriously.

True Father often said he could hear the voice of God on the ocean. Lucifer is a counterfeit light. His name means "light bearer," which means he is just reflecting light, and is not the source of it. Don't be mesmerized by shiny things which lead you to self-worship, and to failure to acknowledge that we all are sinners in need of the forgiveness of God.

Hyung Jin Nim received a revelation of Father's 7 deaths and resurrections through a vision of Father shining like the sun but also in prison being tortured. The spirit of God lives in a culture of freedom and responsibility. Such a hard-working Christian culture is antithetical to political satanism which centralizes power, and seeks to poison and corrupt the spiritual lives of God's sons and daughters.

Why did Cain and Abel have to unite?

by Andy Lausberg

This is what I posited to a young friend over the weekend. I got a bunch of answers. Something about having to restore things that were broken before, something about being able to get rid of fallen nature, etc. Technically, not incorrect, but I was looking for a much more concentrated focus.

We ended up talking for a few hours. About the Principle. The Principle illuminates how the universe works, in both the original scenario (purpose of creation) and the fix-things-up scenario (purpose of restoration). Part of the current situation the Unification family faces results from confusion about Principle.

In case you are interested, my talking points went something like this:

1. Why do Cain and Abel have to unite?
2. What is the purpose of Mother - Son cooperation?
3. What happened to Adam? Why couldn't God relate to Adam as he was?

This is where it starts. Restoration.

4. Who bears (or bore) the primary responsibility of the Fall?

5. What was Adam's purpose from God's viewpoint?

This is where it starts. Creation.

A. Adam was created as God's substantial body in the physical world. Adam was male because God's character is essentially male.

B. Eve was created as Adam's wife. That is, as God's wife in the physical world. Eve was female because the character of the creation is essentially female.

C. Together, Adam and Eve were to be the embodiment of the unity and oneness of God and his Creation.

D. Who bore the primary responsibility for the fall? Eve committed the primary sin, but Adam was the one primarily responsible to God. Adam was the one, the position, the person where the old adage applies: the buck stops here. When Adam blamed Eve, he left that position.

Here are just a few of the profound things that Rev. Yu taught about on the third day of the OSDP workshop held at the Unification Sanctuary two weeks ago.

Highlights of Rev. Jeong Ok Yu's OSDP Workshop (continued)

Day 3, Lecture 3

Father never agreed to fight against the Christians. He said to go out, greet, and educate them. Father educated us about the spirit world, the world of love.

Father's words are God's words. But when he sends messages from the spirit world they don't believe them.

Some things cannot be seen or heard but they exist, including love, the spirit body, spirit mind or original mind. Our thoughts and acts are recorded on the spirit self. The perfected spirit mind is where God can dwell.

If you go to church to fight with others, there is no good reason to go. Each of us needs to receive the power of

shimjung. The seed of God contains shimjung. The woman provides the ovum, creating the body of life. Man's conscience becomes the body of God.

In the spirit world, I was able to ask True Father directly after his Seonghwa. He told me that we should love each other more than before. He said couples should sleep naked and gain energy that way. You lose energy when you fight. When I am sad, my cells cry out.

In another experience, I was trying to keep up with Father who ran 100 meters. I was weeping out of joy and I could not breathe. When I told Father he said we should have 3 such experiences.

Father said experiences with the spirit world are complicated. If we make mistakes here on earth, we are likely to do so in the spirit world. so listening to Fathers' words can be seen as a spiritual experience.

Day 3, Lecture 4

Be careful when saying "I", where Satan can invade. Father and Heaven are the cause. Also be careful not to use God or Father's words as an excuse.

The minds and bodies of man and woman become one in marriage. God would enter into Adam's body and make love with Eve. Their offspring would be the children of God, not just of the parents.

God existed before all of His dual characteristics. Hananim is Hana (One). Father emphasized this because he knew that people would argue for dualism. God is the Being of character, the original substance of that.

We need to treat each other like God's representation. If we are respected, then we should give and give

even more. Father showed us how to live that way. There are many people who believe in the Principle, but not so many who live and practice it.

Success is not a question of numbers. Christianity should have been prepared as the bride to give all to the bridegroom, Christ. Rev. Yu is concerned that the same mistake will happen within the Unification Movement.

How can I become the person that God and Father want? We need to practice in our lives. God and His son both have the seed. The daughter-in law is the way for the seed to be passed on. Human beings will bring completion and perfection to God, and vice versa. Their completion would have been God's completion. Why human beings are the center of the universe.

Only when children are born, are parents created. Parents' heart is completed when children become parents themselves. The Messiah comes as the True Parent. When he and his object complete their mission the God of Night and God of Day are united.

When Father would speak, his clothes became drenching with sweat. He conducted the Coronation Ceremony for the liberation of God 3 times January 15 and 31, 2009, twice in Korea and once in the U.S. He gave \$1,000 to each of those participating. He wanted to do this before Obama was inaugurated. He even told Mr. Joo to delay the inauguration of the U.S. president, but since that could not be done, Father moved the ceremony earlier to January 15, the same day as Kim Jong Il was inaugurated. If Father had delayed what would have happened?

Father had Hyung Jin Nim and Yeonah Nim wear the royal robes and blessed them and gave them the 8 great textbooks. Then twice on Jan. 31 in Korea and in the U.S. he was appointed as the world chairman (means King of Kings) and leader of the Korean church. Kook Jin Nim was appointed as head of the Tongil Foundation.

If the 2 brothers had not stepped up, what would have happened to us? Kook Jin Nim asked Hyung Jin Nim, "what are you going to do?" Hyung Jin Nim said, "I may teach Martial Arts." Kook Jin Nim said "No, you must stand up as Father's Heir and Representative."

The name of True Parent was given by God to Father. True Father prepared the OSDP, which teaches that God is one, because he knew of the danger with Mother going her own way. If a mother tries to become the center, the family will be destroyed.

The number of people we have is not important. How united are we with God and True Father? Darkness has come, but you must be reborn. Use this presentation as HDK material. TF is speaking, not myself.
