Ruling 1

New True Mother

There is a new True Mother. Han mother's heretical failure has necessitated the mission of True Parents to be completed through three generations just as the blessing of Israel was completed through Abraham, Isaac and Jacob. True Father will not accept Han mother back as his wife. Han Hak Ja has forever lost this position. Yeonah Nim is the new True Mother who must attend Moon Shin Joon as her King after the 2nd King finishes his reign.

Ruling 2

The Blessing for Returning to True Father's Authority

The 2nd King of Cheon Il Guk has clearly explained that Han mother left her position as True Mother after True Father's Seonghwa (ascension). All decisions she has made after September 3, 2012, are not valid.

The "Foundation Day" held on February 2013 centering on Han Hak Ja was a false "Foundation Day." Those who drank the "Holy Wine" given out by FFWPU or participated in this ceremony in February 2013 lost their Blessing status to Satan. These families need to go through the change of blood lineage process again. This means to receive the true Holy Wine, participate in a Holy Blessing Ceremony conducted under True Father's authority, go through the 40-day period of separation, Indemnity stick and conduct the 3 Day Ceremony.

The same applies to people who participated in FFWPU "blessings" after February 2013.

In order to return to True Father's Authority, one must be blessed using the instruction given on the April 21, 2015 Blessing.

If there is an error committed during 40 day separation or 3-Day Ceremony, a continental coordinator of Unification Sanctuary can decide the condition to restore such failure.

What can people do to support the Three Generation Kingships

1. Sing the 'Blessing of Glory' as the Cheon Il Guk National Anthem
2. Daily reading of True Father's words (8 Great Textbooks).
3. Recite the original True Father's Family pledge.
4. Pray to 'Heavenly Father.'
5. Believe that True Father Sun Myung Moon is the returning Messiah and that Hyung Jin Moon, the 2nd King of Cheon Il Guk, is his representative and heir in the physical world who has inherited the True Parents' authority and preserves the words and practices established by True Father.

Ruling 4

Disputes

The King or Unification Sanctuary headquarters will not get involved in local disputes. We promote debate but not physical aggression.

If someone is unreasonable and acts too strongly then people should feel free to leave that dominating leader and create or join another community or project. Let the free market determine leadership. We do not pursue a centralized church but a decentralized movement.

Wearing of Crowns and Crowning Events

There is no official ruling about any 'crowning ceremony' events, but if individual locations or local organizations wish to create a process for receiving a crown, they are free to do so. The only stipulation is that a crown is to be worn only by Blessed couples where **both** spouses are in good standing under True Father's authority.

Ruling 8

What constitutes a Fall?

Any sex outside a Blessed marriage is not ordained by God. Sex is determined as willful touching of another's sexual organs, vaginal intercourse, anal, oral or otherwise even through clothing. This includes any and all forms of homosexual or lesbian sexual activity, Artificially Intelligent substitutes for humans, animals and any genetically modified biological living organisms. These constitute the Fall. Accidental touching, a medical examination and victims of sexual assault or rape are not the Fall.

A second generation person who engages in any of these behaviors becomes a first generation person and needs to do a 40 day separation condition, the 3-Day ceremony and the indemnity stick ceremony to receive the Blessing. This Blessing must be done according to Unification Sanctuary standard.

Ruling 10

The Status of 'Symbolic' Blessings Given for Groups of People

There have been some couples who have been blessed in the past, but they have not gone through the 3-Day ceremony. They are individuals such as public relations contacts, parents of brothers and sisters (in the Unification Sanctuary or FFWP), or Christians who have remained in their groups or denominations but accepted True Father as a great teacher. There are hundreds of Christian faithful blessed in this manner. Sometimes their names are not known because they have received the Blessing as a group in their church. The question has been asked, if such Blessings should be counted or considered as "actual" Blessings. The answer provided by the 2nd King of CIG is that True Father gave special grace for these Blessings, but these Blessings should be considered ~~as some form~~ as 'Conditional' Blessings and not yet as fully 'Blessed Couples' who have had their blood lineage changed.

King's ruling on this matter of individuals and couples who have received such a 'Conditional' Blessing is that they need to accept True Father as the Messiah and his Three Generation Kingships and go through a 40 day separation period, the 3-Day Ceremony and chastening stick ceremony.
