

Kingdom Wars. Last week, we covered Revelation 12. At least we started it; but, there is a lot to unpack, and it gets very intense. We saw last week in the first section how on 9/23 how birth will happen. We saw on 9/23 in Heaven the signs that will be happening. Everybody saw that. We saw the NASA star Constellation. That's right after Rosh Hashanah. Thank you, Rabbi Pearlman. There he is. Right after Rosh Hashanah, Boom! The next day, that's the day when you have that formation in the sky. The Sun is right there clothing the Virgo, the Moon is right at her feet. I mean, right at it. I showed you a picture last week. I didn't put it in today, because I showed you last week, right. We saw that. Then, above the Virgo you have Leo, which is a nine-star constellation; and, then you have Mercury, Mars and Venus right in there above her head with the Leo Constellation. That makes twelve stars; so, she's wearing a twelve-star constellation on top of the Virgo, with the Sun close to her, with the Moon at her feet, and the retrograde motion of Jupiter, which is the King planet. It's known as the King planet, because it's the biggest planet, and the King planet will be in that womb for nine months. That basically started nine months ago. September minus months would be what month? January, so let's keep that in mind. We're going to get back to that. Remember, January is when it started. Isn't that interesting. We'll get back to that.

And, you have all those things happening. The retrograde of Jupiter will be going in her womb of the Virgo, and it will be coming out on September 23rd. Now, we talked about last week how that's one of the key signs of Mid Trib. Let's read through the Scripture with these couple of sections here with that in mind, okay. So, let's read it again from verse one.:

Revelation 12:1 And there appeared a great wonder in the heaven; a woman clothed with the sun and the moon under her feet, and upon her head a crown of twelve stars: 2 And she being with child cried, travailing in birth, and pain to be delivered. 3 And there appeared another wonder in heaven; and behold a great red dragon, having seven heads and ten horns, and seven crowns upon his heads. 4 And his tail drew the third part of the stars in heaven, and did cast them to the earth: and the dragon stood before the woman which was ready to be delivered, for to devour her child as soon as it was born. 5 And she brought forth a man child, who was to rule the nations with a rod of iron: and her child was called up onto God, and to his throne. 6 And the woman fled into the wilderness, where she hath a place prepared of God, that they should feed her there a thousand two hundred threescore days. 7 And there was a war in heaven: Michael and his angels fought against the dragon; and the dragon fought and his angels, 8 And prevailed not; neither was their place found any more in heaven. 9 And the great dragon was cast out, that old serpent, called the Devil, and Satan, which deceiveth the whole world: he was cast out into the earth, and his angels were cast out with him. 10 And I heard a loud voice saying in the heavens, Now is come salvation, and strength, and the kingdom of our Gods, and the power of his Christ: for the accuser of our brethren is cast down, which accused them before our God day and night. 11 And they overcame him by the blood of the lamb, and by the word of their testimony; and they love not their lives unto the death. 12 Therefor rejoice, ye heavens, and ye that dwell in them. Woe to the inhibitors of the earth and of the seal for the devil is come down unto you, having great wrath., because he knoweth that he hath but a short time. 13 And when the dragon saw that he was cast unto the earth, he persecuted the woman which brought forth the man child. 14 And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her

place where she is nourished for a time, and times, and half a time, from the face of the serpent. 15 And the serpent cast out of this mouth water as a flood after the woman, that he might cause her to be carried away of the flood. 16 And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth. 17 And the dragon was wroth with the woman, and went to make war with the remnant of her [children – spermatos], which keep the commandments of God, and have the testimony of Jesus Christ. Amen and Aju!!!

I told you it was intense. I told you. It's intense. Very, very intense. Now, on Friday, we talked about how much there is so much spiritual attacks. People are getting attacks, spiritually. People's family are being attacked, spiritually. People are getting into accidents, into sickness and bleeding, whatever. There is a lot of spiritual attack on the microcosm, and you can see on the macrocosm, a lot of chaos. Lots of chaos. Lots and lots of chaos. So, this is a very intense time. That's what we were talking about on Friday. Of course, on Thursday, too, we were talking with the Continental Directors. We're talking with them about nationwide and worldwide prayer teams that are praying for one another. Praying of course for the Kingship. Praying for God's Kingdom to come. Also, praying for one another, okay.

So, we should be praying for one another at this time. It's very important, because it's such an amazing spiritual attack that's happening. A lot of spiritual attacks. A lot of spiritual assaults. We have to be standing up, even we were talking about Friday getting your kids to pray for you. Not that they're going to be experts at prayer; but, getting involved in the prayer warriorhood, to pray for you. Even a short prayer, that's fine. Just the fact that they're even praying for you, is a small token. No problem. They don't have to give three-hour long prayer sermons, okay. They can do just small prayers. You can ask them. I need a prayer from you. I want you to pray for me, for Dad. I don't know how to pray. It can be just three words. You can say, God, please protect Daddy. That's it. You can start right there, okay.

We were talking about that on Thursday; and, boom! We got a call from the camp that one of the kids got lost. He went missing. You remember this? You remember this whole thing? They were missing; so, immediately, we were talking about the Continental Director. Everybody started organizing for the prayer teams, etc. Even the fact we started talking about the prayer teams, then immediately after that, what would you say? Twenty minutes or so, of an hour or so, we were going to call the Rangers. We were about to call the Rangers, because a small little boy was lost; but, just by engaging in prayer, moving towards prayer, boom! He appeared. The kid just appeared and said, "Hey, I'm back!" Gol dang it Kid! Where the heck were you?"

So, that was a sign. That was an important sign, because we had to be praying for one another in a very intense time. In times of great calamity and collapse, where the economy was in grave danger, not because jobs, and the years of quantitative easing of the federal reserve, but because it imploded. Blame it on Trump. Then you have all the violent rights that are blowing up in a civil war. Now there are trying to take down the statues of the founding fathers, etc. They play this race rioting, this race game, all this kind of insanity, okay.

Meanwhile, you have North Korea looming in the background in East Asia. Anybody who lives there, obviously, we have to be preparing for them; but, you have tremendous danger in the world. It is the most unstable situation we've been in the last fifty-sixty years; and, on top of that, the worldwide economy is going to tank.

So, what's going to happen when all these problems are happening, and all top of that you have an economic collapse; so, what do you think happens then, historically? How do the elitist governments, and how do the bankers who made these crashes, who made the bull and bust cycles, and got rich off of them over about one hundred years, when their system is no longer working, and everybody starts realizing it's their fault; and, then, there's an economic collapse. There's all this instability. What do you think they push for? They always push for war. Always. Always, always, always, always, always!

They can make a lot of money off the war funding both sides. It's a great way for them to hide, and get out of there, so they can't be caught. They love starting those wars. So, we are right there on the precipice of a lot of tremendous danger the world is in right now on the macrocosmic level.

You know, there's a Pastor in the evangelical circle that has been told by Congressman that two months ago, when he was told by Congressman in the United States, that they are planning to kill Trump in a matter of two months. That's already one month in; so, he's the one that came out during the sermons that he's been saying, "I've been told by Congressman that they are going to try and kill Trump, which is not really a huge surprise when you got the former FBI freakin' Director coming on CNN and saying, "Yeah, this government is going to kill Trump." I mean, they are totally off the wall nuts. You saw the pictures yesterday. I didn't want to put them back in, again, because I already showed you a billion times of all the rhetoric, "Kill Trump, kill Trump, kill Trump supporters." All these kinds of stuff, right. I showed you all the Twitter things the other day; and, Kathy Griffith, the nutbag holding up the decapitated head of Trump trying to legitimize it. It's okay. Trying to make a race riot, a race war. This is ridiculous.

You understand, the US has never been in this kind of peril, because there's always been a smooth transition of power in every presidency; and, media would always say, "Okay, everybody. Yeah! I know you don't like the candidate, or the President; but, we have to honor our smooth transition of power, etc. but, the media hasn't done that for the last nine months. Wow! Is it nine months? Nine months! They just been assailing, assailing, assailing, non-stop. Let's wage war, war, war, war, war.

So many influences. You have the most wicked political Satanists like Soros and the Rothschilds. The Bilderberg Group, funding, funding, funding, just like they did in the Ukraine, just like they did in over hundred different nations. They're imploding. They're funding the American civil war; and, of course, they got a steady stream of brainwashed bozos from college from Marxist professors, who are literally in this cult, and they are slaves of the system. They think they're fighting for civil liberties, when they're fighting for totalitarianism.

So, you have just the insane reality. Mike Cernovich, he's one of the top people in the alternative news that has connections all the way to the White House, everywhere. Sometimes on InfoWars. Sometimes on the Daily Caller. Sometimes he writes for Breitbart. Whatever. He has his own media. He's in the White House press circle. You name it. Just last night, I saw just last night he said, Bannon is out. Everybody knows Bannon is out. Everybody knows Bannon is out, right. Bannon was the real sovereignty person there. Bannon is out, and Cernovich says Pence is leading this coup. I no longer have to cover this up. Pence is leading this coup against Trump, rallying up the RHINOs. The Vice President... You remember this. You remember when we were talking about Trump. You heard me say it right here. You remember when we were saying Pence is bad news. You better watch him close.

How many heard me say that? That was like nine months ago. That guy is bad news. He was one who voted for TPP, NAFTA, you name it, imploding sovereignty, trying to give us to the world to the UN. This

guy, he's a mole in there. Now, you have some of the top people, who have all these connections are saying that, yep, he's leading the coup. He's leading the coup with Ryan, these fool Republicans, fake Republicans, when they're all centralists, and they're all totalitarians. They all want to collude with the Democrats or the Communists to get more and more centralization. They're not real Republicans. They're fake.

You maybe have on Capitol Hill Rand Paul. That's about it. You have Rand Paul, and maybe Trey Gowdy. Just a handful of people. Now, Trump is surrounded by three Generals, who knew each other for the last forty years, especially McMasters, because we know he gives reports to George Soros every day. That's confirmed by the Jerusalem Post lead by the Jerusalem Intelligence Agency.

So, we have people who are already colluding with the Democrats, who are already funders of the Democratic Communist Party, which is, of course, George Soros and the Black Chartered group, all these crazy international bankers that want to bring America to its knees, and mount their head on the wall and say, "Yeah! We finally took America down. Now, we got our global world governments.

So, there are tremendous, tremendous macrocosmic attacks. Tremendous chaos, and you can feel it. It's in the air. You can feel it. Not only attacked spiritually by accidents, or something like that. People are fighting more. You don't even know why; but, even in Sanctuary, different places. People want to pick fights more and more. This is a tremendous spiritual atmosphere, now, we are living in. We got to be aware of that. We got to be aware of that; and, we have to be praying for one another. Very serious time. Micro to Macro. It's a very serious time. The world is facing tremendous difficulty coming now. Very difficult times are coming up; so, people of God must be prepared. You'll never be perfectly prepared, but you should be somewhat prepared. Do all the things you can do to try to prepare.

So, this is interesting. This is the last Kingdom of God Scripture. I thought Revelation had another Scripture; but, looking at it again, it's not actually about the Kingdom of God. It's about the Kingdom of Babylon collapsing. This is really our last Kingdom Scripture in the Bible in Revelation 12. That's why we're back on it, again, because there's so much more that's happened than since that sign of the woman in the sky, which is coming up on September 23rd, alright. There's so much ore in this Revelation, in this prophecy that's two thousand years ago, but is good for today. We actually live and see that sign in the sky. We actually see it. We're going to see it in September 23rd. There's eclipses happening, what? Tomorrow. Don't burn your eyes out, folks. It's another reminder. It's a very, very intense time.

Looking at the Book of Revelation, and praying about this constellation, we have a very, very serious time. We have these signs materializing very soon; but, of course, we know that the micro and macro are moving in the same patterns. The micro and the macro are moving in the same patterns. Here we see a very important woman that arises. This whole Revelation 12, the last Holy Scripture is really about this woman. It's about this woman, who is clothed in the Sun and the Moon, who has a child; and, that child we know is directly connected to the Messiah.

Also, what is that important month that we were talking about, I said keep in your head? What was that important month we were talking about nine months ago? 9/23 is when Jupiter comes up; but, when Jupiter entered in, that was in January. That's very interesting. What key Providential thing happened in January? The Palace entry. Now, the Palace entry, we obviously know that the Queen was there; but, also another woman, who was absolutely key that entered the Palace with us. Who is that woman? She's sitting right there.

Now, Tim, I need you to come down, and probably need to translate for her; so, she doesn't feel embarrassed, when I put her on the spot, today. I've been praying about the Spirit of God. It was very clear. We've been praying about this for months, now. There is many things to come; but, we've been praying about this for months. Obviously, you see, we know Mrs. Kang is a patriot. She is a true lover of True Father. She's ninety years old; and, she's the first disciple is South Korea. The first disciple.

You know the picture where Father's in the cardboard hut? She's there in a sense. She's in that hut. That's where she got witnessed; so, she's before everybody, okay. She is thee first disciple after Father came down. Of course, she was in the background all of a sudden in 2017. She exploded on the scene, because she actually came out. She was one of the first leaders. Actually, a disciple, who was right near Father. She came out, and started to condemn. The Bible says, come out and "judge righteously" (John 7:24, Proverbs 31:9, Matthew 7:1-5) You must judge righteously. She stood there, and she testified on behalf of Father's Kingship; and, she stood up, and condemned what the Han Mother was doing, and all the heresy that she was making; so, she is a very important woman, who, if we think about, if you look at the worldwide Sanctuary community, she is playing the role or what the Han Mother should have done. She's serving Father's lineage; she's protecting Father's Kingship; she's testifying on behalf of the Second King, the Third King, and the King of King's everytime she's on The King's Report. What does she talk about? Father, Father, Father, Father, Father, Father, Father, Father, Father. That's all she talks about. That's all that comes out of her mouth, because that's all that is in her heart; so, she is playing that role that the Han Mother should have played.

Now, this is not something that is surprising to many, because we talked about this millions of times; and, Father, himself, named her as the Unification Church Mother. I mean, he named her as the Mother of the Unification Church. That was what, in the 80s? She's the Mother of the whole Church, of the faith. Father's the one that sent her to Japan, and had different women in charge, like Women's Fed, or this or that organization; but, she made her teach about faith, because as you know, if you hear her speeches, her testimonies or something, she's so Christ centered. She's so biblical. It's not that she's coming from a Buddhist background. She's coming from a very strong, evangelical Christian background, with the ultimate supremacy of Christ in her life. That's the center of everything in the Universe. When she testifies about True Father, you don't hear some kind of relativist thing, or you don't hear this or that. You know, some of the other 36 couples, they do that.

By the way, she's more senior than all the thirty-six couples, right? In the West, the kind of worship the thirty-six couples. She is senior to all of them. People don't realize that, because when they see her, she just looks like a grandma walking around. She's a living history. She's a living hero. That's so obvious to see. When she first came here, when she gave her testimony publically for the first time, we introduced her with those titles that Father gave her, as the Mother of the Unification Church.

This is very important, because in Matthew 12, Jesus talks about when his brothers and Mom are trying to meet him. What did Jesus say? **Who are my mother, and who are my brethren?** What did he say? **Whosoever will do the will of my Father, who art in heaven, the same, that person is my brother, and sister and mother.**

Matthew 12:36 While he yet talked to the people, behold, his mother and his brethren stood without, desiring to speak I with him. 47 Then one said unto him, Behold, thy mother and thy brethren stand without, desiring to speak with thee. 48 But he answered and said unto him that told him, Who is my

mother? And who are my brethren? 49 And he stretched forth his hand toward his disciples, and said, Behold my mother and my brethren. 50 For whosoever shall do the will of my Father which is in heaven, the same is my brother, and sister, and mother.

That's a critical point. All object to the Father. We can see that Father bestowed upon Mrs. Kang the title of "Mother of the Unification Church." She also bestowed upon her the representative faith amongst three major women. These are the most senior women in the Church, you understand? The most senior women. Way before the Han Mother was even Bless to True Father. Out of all three, he had her represent the faith. He had entrusted the education of the faith to her, Mrs. Kang. Of course, she was always in the background, because she's very humble, and she's not an arrogant person. She's not boastful. She doesn't want a position. She doesn't care about that. She's a very humble person. She never complained, "Ahhh, you didn't give that position." She didn't do that.

That key figure in Revelation, that woman figure, obviously we know the Queen is the mother to the young people; but, to the elder generation, yes, she is a Queen to the Second King, but not really in a mother's position to the whole first generation, who lived with Father, and stood with Father, do you know what I mean? From the very, very beginning, I mean to the mud hut. When you see the woman who did that, and who went against all odds. Gave away everything. Her adopted son disowned her. None of that matters. I have to stand up for True Father. I have to stand up for the Messiah. She basically came here. She came to where? The wilderness, where there was a place prepared for her.

Now, it's interesting, because I was praying about this, and I just scabbled, I said, "Father, just give me a sign." I said, "What is Mrs. Kang's birthday?" I said, "Hurry up and go find out when her birthday was. I want to know what month she was born in; so, I could know I could know what her astrological sign is." So, we go and ask for her birthday. Her birthday is 10/1/20 Solar, and 8/20/20 Lunar. That falls on the Libra, or the scales of justice – a woman of righteousness; but, also on the Asian date, which is 25 days later than the Solar, which is from the Hellenistic period. There is an Asian one, that is 25 days in. The point is, she's right around and on the precipice on the Constellations of Libra and Virgo. She's right there, between the scales of justice and the woman. I mean, she's right in between. We know, of course, Mrs. Kang is playing such a Providential role. Her birthday fell so close to Virgo and Libra. It's right there.

Also, what does her name mean? The name "Kang," the tribe of Kang is comprised of the lamb and a woman. Isn't that interesting? The woman of the lamb, or the woman of the shepherd. The woman of the lamb. That's what the Kang name means. I didn't know that. I found that out just recently. The woman who surrenders herself to the lamb, which symbolizes Christ's lineage.

So, she's played a very critical role. She entered the Palace nine months ago. She's been protecting the child, and she's been protecting the King for nine months. She's been with me for every day. She's been protecting the Third King. She's been testifying to the King of Kings; so, of course, not physically. She's not pregnant, or something like that, but spiritually. She has been doing the job of a mother, who's protecting her child, who's not trying to glorify herself, who's not trying to put herself on a throne, but to honor the kingship of the King of King's.

So, I have asked you to pray for one another. I am really asking you now, as we go through the Scripture again, with all that in mind, we must be praying for Mrs. Kang, folks. We must be praying for Mrs. Kang, because there's a war that's going to come very soon. I'm not talking about a physical or civil war.

There's a huge spiritual war that's coming. It's coming real soon. Real soon. I want to go through the Scripture with you, and show you where it's going to be primarily targeted. Let's go through it again with all that in mind.

From Revelation 12:1 And there appeared a great wonder in heaven; a woman clothed with the sun, and the moon. She's literally clothed with the sun and the moon. All she speaks about is the sun and the moon, Sun Myung Moon. All she does, literally, everytime I talked to her, it's always about Father. Everytime she opens her mouth, it's testimony, testimony, testimony.

Rev. 12:2 And she being with child cried, travailing in birth for nine months. The situation: She entered the Palace with us nine months ago.

Rev. 12:3 behold a great red dragon, having seven heads and ten horns, I don't know how many people are on the stupid Supreme Council that the stupid Family Fraud made; but, I wouldn't be surprised it's seven or ten, some number like that.

Rev. 12:4-5 And his tail drew the third part of the stars of heaven, and cast them to the earth... And she brought forth a man child, who was to rule all nations with a rod of iron: Do you know what's interesting. Who's seen that picture, where we're training with the young people with peace police/peace militia training, we're all muddy, and we're all like screaming. Did you see that picture? Now, it wasn't the best picture. We can shoot a better picture than that; but, that was like on the fly. The point is, I was looking at that picture one day, and I had my AR15 with the little wire showing it was not loaded, et. We had our tactical vests on; and, I look at that AR and realize that thing is made out of steel. It's interesting, in Cheon Il Guk, it's citizens will have, who are connected with Christ, that country is ruled by rods of iron there. There are rods of iron that directly confront the Communists, the demons, the Socialists, the demons if they try to do violence. Do you know how much flak I got as a Second King for carry a freaking' AR15 and a 50 caliber Beowulf. Yes, I know. All you people got a lot of flak, too.

It is a sign of sovereignty. Cheon Il Guk will be a sovereign nation that will have pledged its life, fortune and sacred honor on the mantle and altar of God to vanquish enemies foreign and domestic that seek to destroy it. There we be no centralized military or centralized police. That all the citizens of Cheon Il Guk will have the rights of Kings and Kingship. All the rights that are only held by the Kings of the past in satanic history, the Cheon Il Guk citizens have all those rights, those duties, and the right of private property, territory, sovereignty. The right to bear arms and defend that sovereignty. The right to weapons, so that they are not centralized to a central body or power that are taken over. Even now. Look what happened in America. It's becoming Socialist.

Rev. 12:5 Rod of Iron: That's interesting what John saw. The King and co-heirs will rule with a rod of iron. That's interesting what John saw two thousand years ago. King will rule with a rod of iron. The really the key fight in what people call globalism and what people call sovereignty. Who gets to have the guns? Who gets to have the dominion of force? There is a centralized archangel bureaucracy, which is the entire history of fallen man, or is it the people? You see that? Key difference.

Now, the woman led into the wilderness, Mrs. Kang, literally fled. Do you remember the whole testimony about how they were trying to stop her? They called the cops saying that Rev. Lee kidnapped her. Remember this? She literally had to flee to get to the airport; go down to the south of South Korea, tell people, leave her phone there, because they were tracking her with her phone. Remember this?

They were tracking her with her phone; so, she had to go down south, then she went north again to the airport to come see the Second King. Do you remember this?

She is not only one of the earliest disciples, she is one of Father's beloved disciples. In terms of women's leadership, she was absolutely at the top. Entrusted with the faith. The faith. Not with this or that organization, whatever, with the faith. Educating of the faith. The love that we should have with Christ. The supremacy of Christ in our lives. She was entrusted with that mission. That's what Father called her, "The Mother of the Church."

Rev 12:6 And this woman fled into the wilderness, she had a place prepared of God, that they should feed her a thousand two hundred and three score days. She didn't know where she was going to. She hasn't seen me in three-four years. She didn't know where she was coming to. For all she knew, she was going to Venezuela, or something like that. She does know where she was coming to. She didn't know what kind of situation were in here. She just came one hundred percent on faith, and there were people who God sent to her along the way to bring her videos and stuff like that, because she's not on Youtube, or stuff like that. She's ninety years old. She's not like surfing the internet twenty-four hours a day. Do you understand? She probably reads books. There were other people who helped and connected with these things, and she saw things that shocked her, and she realized the Second King is right. The Han Mother is wrong; so, God used other people along the way. She wasn't just along there. Then, she came of course. She had a place prepared of God. Look at that.

Rev. 12:6 **She had a place prepared of God** Nobody knew. Rev. Lee didn't know that when we did the Entrance Ceremony, we announced to her, maybe a couple of weeks in advance, we didn't know where she was going to stay. At Tim Elder at his house. Stay with Lourdes. Stay with Jamal. Jamal doesn't have any space in his house. He's got seven kids. Where was she going to stay? We told her, "You will stay with us." ... **where she hath a place prepared of God, that they should feed her there a thousand two hundred threescore days.** That's three and half years.

So, when that sign appears there is a war in Heaven. There is a war already brewing. There is a spiritual warfare that's happening, and that's already happening now, for that was happening from the very beginning, even when that woman was fleeing into the wilderness, and was already starting to protect her child.

Rev. 12:7-9 Michael and his angels fought against the dragon...and prevailed not... And that great dragon was cast out, that old serpent... Look at this. Rev 12:9 **he was cast out into the earth...** This spiritual battle has been brewing. They had people on the Family Fraud side trying to say that she tried to poison the Han Mother. There pulling things out of their butt-cheeks, okay. There just making stuff up. Just ridiculous slanderous things. Where's your proof? Where's the proof that she dared try to do that? Do you see what I'm saying; but, this is what they are doing. Going around and making things up. Why? Because, they are illegitimately seen as false; or, they're illegitimately seen as usurpers. They're money grabbers. Their position grabbers. They're prostitutes. Their whores. Their harlots. All they are doing is trying to remain, and holding on the last vestige of power they think they have, or little money they can steel, because it's all crumbling down, and drying up. They thought it would last forever. No. They sold their soul to Satan.

Rev. 12: 9-11 And that great dragon, he was cast out with his angels... were cast out with him. And I heard a loud voice in saying in heaven, Now is come salvation, and strength, and the kingdom of our

God, and the power that was Christ: for the accuser of our brethren is cast down, which accused them before our God day and night. And they overcame him by the blood of the Lamb, and by the word of their testimony; and they love not their lives unto the death. There is a tremendous tribulation that is coming in terms of spiritual warfare. Huge. I'm not just talking with Trump. I not just talking with North Korea. I'm not just talking with Iran. I'm talking about on the microcosm, folks. On the micro. There's coming another battle. Big battle.

Rev. 12:11 And they overcame him with the blood of the Lamb, and by the word of their testimony. Look at that. The people of God under Christ's authority overcame. How? By the blood of the Lamb, and the word of their testimony. By testifying to the King and the kingdom come. And they love not their lives unto the death.

Rev 12:12-13 therefore rejoice, ye heavens and ye that dwell in them. Woe to the inhabitants of the earth and of the sea! For the devil is come down unto you, having great wrath, because he knoweth that he hath but a short time. Look at that? Next line: **he persecuted the woman which brought forth the man child.** We have to be praying for Mrs. Kang, folks. Seriously, seriously. She is the Mother of the Church. She will come under tremendous spiritual attack in the upcoming months. There'll be war waged against her coming from all the Family Fraud, and other places, trying to destroy her. Why? Because she did what they couldn't do. They know they sold out to Satan. They know they are dishonorable. They know they are illegitimate; but, they have to make the moral posturing pretending the posturing that they are legitimate, but they're not, because Father Crowned his successor three times on two different continents. Three video tape recorded ceremonies; and, none of them are the successor. The Successor, Heir and Representative Body of True Father is Moon Hyungjin in the words of True Father. Hello! I didn't put a crown upon my head. I didn't write that thing. The King of King's did that; but, she stood up for that. She stood up for him. She stood up against the heresies that were coming up against him. She stood up against the fact that the Han Mother was marrying some spiritual satanic being, while Father was alive, committing adultery with some crazy spirit doing a stupid marriage ceremony om Cheongpyeong Palace. It's crazy. Talking about divorcing Father, spiritually. We know that Eve colluding with Satan Fell with him, spiritually. Received his seed.

So, the devil and his cohorts from micro to macro will persecute the mother of the Unification Church, Mrs. Kang. It's coming, folks. She's ninety years old. We have to be praying for her. We have to put our spiritual protection around her. Not that we're not doing it, but God's hedge of protection. She is going to be under tremendous spiritual attack. There are people who called her Mother Kang, Mother Kang, who literally she saved and brought them to Father coming out to try and destroy her, because they are going to pay them something, or some stupid thing. This next war is going to be about a woman, folks, because, God's Kingdom is coming; but, for it to come, there has to be a key woman figure that stands up for Christ and his Kingship. She's just a humble old grandma walking around. Ninety years old. You never even notice her; but, we are literally walking in the presence of a Titan. She is a Titan, spiritually. So, that reality is coming. Now, look at this.

Rev. 12:14 And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time... My goodness. What animal is symbolic of the United States? The eagle. And that eagle enabled her to fly into the wilderness. It could have been some kind of crane. Some kind of Herrin. It could have been some kind of Tyradactyl, or something like that. Turkey? Turkey can't hold nothing. Turkeys can fly pretty well, by the way; but, they can't soar

like an eagle. Stork. What? It has to have the wings of two eagles. The wings of two eagles that protects the woman, and brings her to the wilderness, provides her safe haven in the wilderness, where the Kingship of God is. Where there is a place prepared for her.

She is the loyal woman, who did not betray Christ for money, power, positions, worship, accolades. She's walking around like a small little Grandma, walking around. She is a historical hero folks. She's sitting right there. She's very embarrassed. She's blushing, because I am talking about her so much. She doesn't like it when I do that; but, she lives with me. You understand, she lives with me. I see her. As soon as you live with somebody, you can see what they're really made of really quick. Very fast.

Rev. 12:14 And to the woman were given two wings of a great eagle, that she might fly into the wilderness, into her place, where she is nourished for a time, and a time, and half a time, from the face of the serpent. Now, you see the attack on her has become less, because the lies they try to spew about her, the more she speaks in public, the more they all get shattered. "Oh, she's senile. Oh, she's this and that." She's got a memory that's better than every twenty-year-old here, which of course comes out when she speaks. You see it on "The King's Report," when she bares her testimonies. All that kind of stuff they try to demonize and slander her, because they know they're illegitimate. They know they sold out to Satan. They know they're serving evil. They know they're serving prostitutes, they know they are serving politicians who are archangels, thieves; and, they can't believe she betrayed them. They can't believe it. "Aww, that they thought they got Kang under control. Aww, that stupid grandma." She stood up against all that.

Rev. 12:15 And the serpent cast out of his mouth water as a flood after the woman,... Folks, that's coming. They already attacked the Second King over and over again, to no avail. They already cursed and mocked you, to no avail. They are going to get every single one of her close friends. Every single one that stood with her, pay them bribes, do whatever they can do to destroy her. They'll be a flood of attack. They will pour it upon that woman. ...**that he might cause her to be carried away on the flood.** "Just get rid of the problem. Get rid of her"

Rev. 12:16 And the earth helped the woman, and the earth opened her mouth, and swallowed up the flood which the dragon cast out of his mouth. 17 And the dragon was wroth with the woman, and went to make war with the remnant of her [children ... You see how that goes? They are going after the Mother of the UC. That Father gave her that title of the Mother of Faith; then after that, they go after the remnant. Look at that? **Who's the remnant? Look at that? Spermatozoa, which keep the commandments of God, and have the testimony of Jesus Christ.**

Gideon Raucci, where are you at? Gideon, he went to the Family Fraud Sports Festival that day, trying to ask some questions. They kicked him out. They said, they were going to call the police on him, whatever. They showed him the code of conduct. Read this code of conduct. See if something's missing out of this code of conduct? Let's see if something's missing from these lunatic Commies, who sold their souls over to illegitimate devils; so, they can be part of an in group, and they can rule with the devils on top, when their kingdom is dying. Go ahead. Read it. Gideon reads, "Although we come from many different regions and backgrounds with differences in culture, our commonality is the shared values and beliefs that has been given by our community that binds us together."

The values that have been given to us by our community? Can you say, "relativism." Can you say, "Communitarianism?" That's where you get your value? That's where you get your purpose? From your

community? No. Father wishes, Trump wishes, everybody wishes. First Trump, First Gen, Second Gen, I don't care. Father's wishes reign supreme. Then community gathers around that. Then it's real community, because we have the same Father; and, we seek to do the same will of the Father. As Jesus said, "he who does the will of my Father is my brethren, and my sister is my mother." (Matt 12:50) Talking about value and purpose from the community. Well, Satanists have a community. Baby killers have a community. Pedophiles have a community. Does that give you purpose? That little purpose manmade community? It is God and Christ that gives us the purpose, the value. It is his sacrifice, it is his blood that gives us the value, gives us the justification, gives us the victory over Satan. Not some stupid community that all try to pat themselves on the back, because they're in some kind of social club. Yeah, yeah. We worship each other. Yeah! Give me a break. Some pathetic Communists; and, of course, look at their same-stated Family Fraud Constitution Goal, which is Communism. Totalitarian rule, North Korean rule, worldwide. It is their deep burning desire. It's so pathetic. You can see what happens when you leave Christ, when you become a heretic, and you sell your soul to Satan. Temporary gain may be eternal damnation, because everybody knows that you are fake. Everybody knows that you sold out. It is in the historical record. Everybody can see it.

The next battle is coming after Mid Trib. The next battle is coming. We have to be praying for Mrs. Kang. Please pray for her. Everytime we pray, we have to love her, literally, like a mother. Like our mother. She did the unbelievable thing. Father sent her. He chose her. I didn't have a choice as to which of these key leader disciples would come. I didn't know it was going to be Mrs. Kang. It could have been another lady. The Spirit of God touched her, anointed her, and told her, Go! And, she at ninety years old had to literally flee Korea to get here with nothing. They cut off her pension. They cut off her monthly salary. They cut off housing. Everything. Ninety-year-old grandma. She came here with hundred percent faith; but, she said, "I'm going to go." Does that mean she wasn't scared? No. She's a human being. She was terrified. Does it mean at times she doesn't feel down? No. She's a human being. What gives her strength in those tribulations, what gives her strength in those attacks of Satan, is getting back to the Word. She's reading her Scripture every day. She just reads profusely. Just ask the people who take care of her. She's profusely in the Word of God, reading her Bible, reading Principle, every day.

Not only micro, but also macro. Who will be the woman figure that is standing up for President Trump, almost as the mother figure? Who will be that woman? You have to pray for a brave woman to come out and stand for President Trump at this time. A mother figure, who will stand up to hatred, and all the Leftist lunatics, and all the Commies. Who will stand up for Trump? She may be a different race than him. She may of a different creed than him. It doesn't matter. Who will be that important woman figure that has to stand up in the macrocosm, too, for the President, who is macrocosmic "King" that God is using?

These are very intense times, folks. There's a reason way there is a lot of spiritual attacks. You have to remain in the fight. You have to be praying for one another. You have to be praying for victory. You have to be praying for the beautiful woman, who is under the Lamb. That's what her name means, literally. Lamb is on top, and the carriage of a woman is on the bottom upholding and uplifting the Lamb. Protecting the Lamb and his Kingdom and his Kingship.

So, if we can, organize prayer groups. We are encouraging you all to get together. We're not telling you, you have to pray with this person. You can organize that yourself; but, we encourage you very strongly, worldwide, to organize prayer groups. Pray for us. Pray for each other. Pray for Mrs. Kang. She's going to

need a lot of spiritual support during these next battles that are coming. Remember, they are coming in waves; but, they are not going to end in a short time. It's going to be a long battle; so, you have to prepare for a long fight. Don't just prepare for one round, when the fight is five rounds. Do you see that problem? You're going to be dead by the third or fourth round. Do you see how that works? You got to keep training. If you want to train for a five-round fight, you better keep training for six or seven rounds; and, of course, we have to pray for the macro as well. That a willing macro-figure to come out, and start protecting Trump as a mother-figure. Who knows who that will be. And, of course, for God's Kingdom and sovereignty to move forward on the macrocosmic level, as those political Satanists continue to blow up the world. Lunatics. Too intense, folks. Too intense. Let's go to the Cheon Seong Gyeong:

CSG 1148

The fruit of the tree of the knowledge of good and evil refers to the sexual organs. These organs can bear either good or evil fruit. If a woman mixes with a bad man, she will receive a bad seed from him. But if she gets together with a good man, she will receive a good seed. Isn't that right? So the fruit refers to the female sexual organs. Eve fell and thus received the blood of the devil. The devil is an archangel. This archangel was the representative of the servants.

You have to understand, what the Han Mother did during that marriage ceremony. She's literally not only commuting with Satan, she's saying, "Come and be my lover." Be my husband. She did that behind Father's back, when he was in Yeosu. That's crazy. Crazy! Totally insane. What happened? Eve fell and received what? "The blood of the devil" defiling her lineage, which is the reason the blood of the Han Mother is corrupt; and, the Family Fraud blood is corrupt; but, there is another woman on the microcosm, who stood in the First-Generation Army line with the Messiah, who did not do that. She's been just in the shadows here. We pass by her a million times, and we say, "Hi, hi!" You just kind of forget, because she's a cute little grandma. How huge of a megaton saint she is. That doesn't mean she's perfect. She doesn't go through struggles and tribulations. No. That means, through all those things she has completely, completely surrendered to her subject partner, to Christ. She is the center upon which all things revolve. It doesn't mean, she doesn't feel down, or she doesn't get angry at people. No. That has nothing to do with it. You think, because somebody is such a saint they have to be perfect? They have to be floating around with flowing robes? Don't be ridiculous. This is not Hollywood. She goes through all the tribulations, all the attacks even more so; but, she stays centered with God's Word. She stays centered with the Kingship, with a relationship worldwide. More than anytime, we need to be praying for her. This woman is a true hero, a historical hero of Cheon Il Guk. Let's give a big round of applause for Mrs. Kang. Look at that. She's hiding. She doesn't even want to be acknowledged. As I was saying, she's so humble.

Alright SOS, come on down. Let's give all the praise and glory and honor to Father, our Lord in Heaven. Those who do the will of my Father are my brothers and my sisters and my mother. (Matthew 12:46-50, Mark 3:31-35, Luke 18:21) For those, I'm grateful; but, for the Father's love I am eternally bound, and to Him we return all the praise in the Kingdom that is coming. We stand strong in the face of tribulation and warfare. Then Christ's Kingdom will be victorious. Amen-Aju!!
