사랑이 많히 계신 하나님 아버지  
Sarang-i manhhi gyesin Hananim Abodji  
Heavenly Father who has abundant love,

Our dearest most beloved Heavenly Father,

Father, we are so grateful to be gathered here on the Book of Life Registration Cosmic Blessing, the day that You intended on Foundation Day, the day of the Eternal Kingdom of Cosmic Peace and Unity, Cheon IL Guk.

Father, we are the perfected Adam in unity with the Three Kingships on earth, transcending the physical and spiritual world, standing with the perfected woman Eve, in the four position foundation, four great realms of heart, and the Three Kingships, all vertically aligned to You, in returning thanks, praise and glory.

Father, we are so grateful that we are able to be present on this day, to receive your blessing, Father, a blessing that You have awaited from the beginning of time in the Garden of Eden, Father, to establish your Kingdom of Heaven on earth, for You told us to pray, "Thy Kingdom come, Thy Will be done on earth as it is in Heaven."

Father, we know that Your Kingdom is not a kingdom of tyrants, dictators, political Satanism, communism, or the immorality of socialism, but is the Kingdom where the citizens of the Kingdom of God, stand with You as co-heirs as we see in Romans 8:17. Father we do not deserve your grace; we have been saved by your blood; we do not earn salvation by works.

Father, as You raised us up as your children and prepared us this very day to receive and fulfill the blessing that You bestowed upon Adam and Eve in the Garden of Eden, to be fruitful, to multiply and to have dominion, and subdue the earth, Father, we are so grateful to stand at this time in the Last Days, for we see throughout history, and fallen history, the repetition of the fall on the national level, where in the Garden of Eden Lucifer who was to be the Archangel, to serve Adam and Eve or humanity, reversed dominion and became the master.

Father, in the same way through our time in history we have seen the fallen satanic kingdoms and monarchies of the past. We have seen the political satanic systems of communism and

socialism, the immorality of using the force of government to steal resources and to steal people's lives.

Our True Father fought against communism his entire life, as he experienced firsthand the death camps and concentration camps of North Korea. Father, we are so grateful that You have made clear your path, and Father, that You have given us, not the spirit of fear, but the power of love and a sound and disciplined mind.

Father, as co-heirs with Christ, and as new kings and queens a birth this day, through the blessing of marriage, Father, we come to celebrate the gifts of family, marriage, the gift of royalty that You bestowed upon us, as You state in Scripture, Revelation 3:11, "Let no man take Thy crown!" For this is a crown that has been given from the Most High, and Father, we are unworthy to receive them in our own merit. But through the shedding of your blood, the path that you had to walk on the cross, You have given us the lineage of royalty, not that we may boast in ourselves or glorify ourselves, but so that we may glorify You, that we may thank and praise your incredible, unchanging love.

Father, we stand this day, as kings and queens, as inheritors of not only the promise that You gave in Psalm 2:8-9 where You stated that the nations shall be given for your inheritance and the end of the earth for your possession, and You shall rule them with the rod of iron, and dash them to pieces like the potter's vessel.

Father, we know that this rule of the rod of iron that was also spoken in your word, that's how You have defined your Kingdom, a kingdom that cannot be defined by man but is defined by You. Father, in Revelation 2:27, You state, that, "he shall rule them with a rod of iron." In Revelation 12:5 we see that, "the woman gives birth to a man child that shall rule the nations with a rod of iron."

Father, in Revelation 19:15, we see your word: For out of your mouth comes a two-edged sword to smite the nations and that You shall rule them with a rod of iron, and that You will trade the fierce winepress of the wrath of Almighty God.

Father, we know that this reign and this rule is given by your grace, and is not a fearful tyrannical rule, but it is a rule that is most clearly seen through the word that You chose to use *poimeno*, which states that the meaning of the word *rule* is to shepherd and to protect. Father, in that context of your word and Scripture we can understand your rule with the rod of iron as of shepherding with the rod of iron, and of protecting of the Kingdom with the rod of iron. Father, in Psalm 2, You state that, "the people of God shall rule with the rod of iron as well with You.

We are so grateful that we are receiving these accoutrements of royalty, of kings and queens, of sovereignty, of kingdom, of protection and self-defense, Father, a Kingdom of kings and queens which cannot be overtaken by the wolves, a Kingdom of Peace Police and Peace Militia where the citizens through the right given to them by Almighty God, to keep and bear arms, will be

able to protect one another and to protect human flourishing centered on your blessings, your grace, your justice, your mercy, and your heart of love.

Dear God, we are so grateful this day, for all the new couples that are being blessed into your Kingdom; they are now becoming royalty and becoming kings and queens. We pray that they would stand as kings and queens with their crown and rod of iron that they may rule in your manner, and that they may shepherd in your manner, and that they may protect in your manner, a manner that seeks to empower and strengthen and to allow the good to flourish.

It is a time Father, when your Kingdom will spread over this entire world, and the spiritual wickedness in high places and principalities and powers will no longer be able to keep their satanic grasp over humanity.

And as You say in Matthew 5, "Blessed are those who are poor in spirit for they will inherit the Kingdom of God." It is those who know their God-given right that you have given to your children as your heirs, as kings and queens, the right to sovereignty, the right to keep and bear arms, the right to inherit the earth, and protect it from the wickedness, and unrighteousness and the immorality of socialism, communism and all forms of political Satanism.

Gone are the days and those systems of control and oppression, genocide and murder, theft and criminality shall cease from the face of the earth, as your people in the body of Christ stand to inherit your Kingdom, your royalty, the crowns of sovereignty, and stand with their rods of iron as given to them through You and through the defining of your Kingdom that You have given to us through your Word.

Father, we thank You for all of these families that are now blessed. We pray that You would strengthen their families as they are standing in the Book of Life, that they may be the true inheritors of your Kingdom, that they may be merciful and peaceful, that they may be filled with love in their hearts, but that they may stand strong against the wiles of the Devil, and against those who would seek to do innocent people harm.

We pray that they will be the protectors of this earth, that will stand up against all wickedness and all satanic principalities and powers which seek to oppress and control.

Father, we are grateful that we are standing in your presence. We know that You are shielding us with your hedge of protection when we "put on the full armor of God, the helmet of salvation, the shield of faith, the sword of Spirit, and of your Word, our feet shod with preparation of the Gospel of peace, and the breastplate of righteousness," Father, all of those things that You have prepared for us, we pray that You will arm us with spiritually, so that we may be those who can uplift your Kingdom and give You glory forever.

We thank You Father one more time, for all these blessings and the grace that You have poured out upon us and which we do not deserve. We receive them with humility and we protect them

with our lives, our fortune and our sacred honor, giving You all the glory and all the praise this day.

We report these things in our own names, offering this prayer to You and we pray this in your precious name, Amen, Aju!
