The Essence of Christianity

I will sing of the steadfast love of the Lord, forever; with my mouth I will make known your faithfulness to all generations. For I said, "Steadfast love will be built up forever; in the heavens you will establish your faithfulness." You have said, "I have made a covenant with my chosen one; I have sworn to David my servant: 'I will establish your offspring forever, and build your throne for all generations.'" *Selah.* Let the heavens praise your wonders, O Lord, your faithfulness in the assembly of the holy ones! For who in the skies can be compared to the Lord? Who among the heavenly beings is like the Lord, a God greatly to be feared in the council of the holy ones, and

awesome above all who are around him? **Psalm 89:1-7**

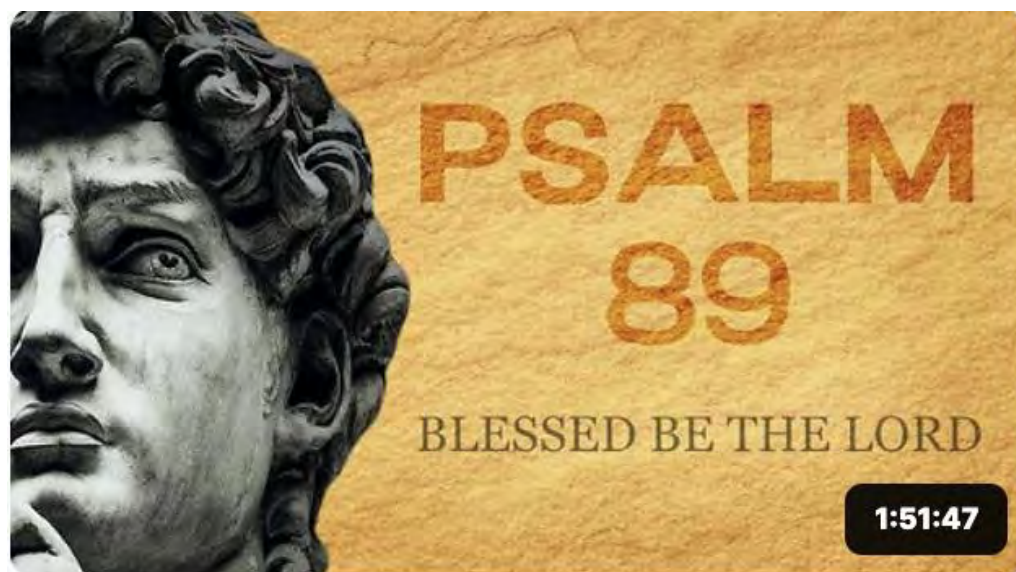

You have to be able people, able to fulfill responsibility which you cannot imagine today in public office and government. You have to educate yourself; I don't mean education from an institution, but inheriting the tradition. If America falters then it is not just the end of America, but of many other nations who have placed their hope in America. They will all be washed away with America. But if America is successful then they will all follow America. **SMM, The Strictest Test You Must Pass Is Meeting the Qualification to Be a Real Parent, February 11, 1980**

Hello,

Hyung Jin Nim spoke about the upcoming ROI Freedom Festival. Gen. Flynn, Jaeson Jones, etc. President Trump is doing smaller speaking engagements like townhalls. We need to prepare for possible terrorism. Leftists were using a forklift to raise the razor wire to let migrants come into the U.S. illegally. [15,000 convicted murders have entered the USA](#). America is facing a life and death situation.

Yeonah Nim was watching a Korean program about helping parents having trouble parenting their children. Mother was badmouthing the father to the son, an 8-year-old was slapping his father. The therapist prescribed Jui Jitsu martial arts training. The father was beaten as a child and went to the opposite extreme of complete passivity. The son has no friends because he is out of control. The wife was caught lying and laughing about this. Martial Arts helps you develop self-control and a reality check that you are not as great as you think. Parents should never let children divide them.

The father should be feared and respected. FAFO. Fool Around and Find Out. But you must not use excess force. Consistent training is important. MAGA supporters are becoming braver.

Tucker Carlson was talking with John Rich about biblical heroes. You need to run the race. Faith without works is not enough. You are training for others. Become other-centered. Everyone gets injuries. The 2nd Queen recited "God has not given me a spirit of fear!" before facing her Jui Jitsu matches. You get stronger by increasing your stress loads. It makes you mentally tougher.

If someone doesn't want you to have children, they hate you. Korean culture is Confucian. The group comes first, so there can be a lack of personal attention. The key of Christianity is different, since its essence is sacrificial love based on free will.

Evangelical training of your children when they are young is important. Otherwise, they will become postmodern materialists. If your identity is not centered on a higher purpose, God, it will struggle.

America will choose between God's system of sovereignty versus globalist system of totalitarianism. People are learning bravery from Trump. There are scarier things than dying, like leaving your children to be slaves.

May God bless you and your families!

Sincerely,

Richard
