The King God Uses to Change the World

*May God be gracious to us and bless us and make his face to shine upon us, Selah that your way may be known on earth, your saving power among all nations. Let the peoples praise you, O God; let all the peoples praise you! Let the nations be glad and sing for joy, for you judge the peoples with equity and guide the nations upon earth. Selah Let the peoples praise you, O God; let all the peoples praise you! The earth has yielded its increase; God, our God, shall bless us. God shall bless us; let all the ends of the earth fear him! **Psalm 67***

*I have accomplished my responsibility. What else is there for me to do? I blessed people equally in the spirit world through the united realm in that world, and I even saved my enemies. There is no basis whatsoever on which Satan can accuse me. Now there is no more indemnity. **SMM, CSG, Bk 6: Our Life and the Spirit Realm, p 957.***

Hello,

Hyung Jin Nim started the sermon by discussing how he will be performing with Chris Darlington at President Trump's event at Mar-a-Lago on December 10. He will perform his own verses to anoint and bless Pres. Trump. He explained that Father directed him to do the rap providence.

He and Kook Jin Nim have been interviewed on the [Survival Dispatch YouTube channel](#) 3 times.

The mainstream propaganda media has no power anymore. Elon's X platform saved freedom and Pres. Trump's presidency.

Kash Patel has been appointed to head the FBI! He will go after those inside the FBI who directed the planting of the pipe bombs and entrapped American citizens to go into restricted places in the U.S. Capitol on January 6. He will investigate election fraud.

Our good friend Frank Scavo was in prison for 6 months for bringing a group of Scranton patriots to Washington, and entering the U.S. Capitol. His wife Karen had a heart attack. The FBI raided the homes of American citizens who attended with SWAT teams. MSNBC is going bankrupt. The pipe bomber turned himself in after Patel's appointment.

He spoke about the new music video, ["Lose Yourself in the MAGA"](#) remix of Eminem song, on the *King Bullethead* channel.

Hyung Jin Nim will be traveling to Japan and Korea to do victory/prayer tours after the presidential inauguration. He will also go to Europe to do the Jericho prayer march around the WHO and the World Economic Forum headquarters in Geneva.

America has become a sexualized satanic country, with 70 million children killed in the womb, but that is beginning to decline after the overturning of Roe v. Wade. Oklahoma is bringing study of the Bible back into the public schools.

The Deep State tells lies in the name of "national security," covering their own evil acts and for the amalgamation of their power. Instead, we need to increase the morality of the people which builds morality in society. Only the Bible teaches equal justice, unlike Islam where a woman is treated like property, and where a man can have 4 wives plus sex slaves of infidel women.

In Buddhism you are reborn into different realms. In Hinduism it states that Brahman created the caste system. The United Kingdom and America were the first nations to abolish the slave trade. Protestantism, which promoted individual access to the words of the Bible, is the basis for America.

Pray for the Chinese Communist Party to be broken down from within. Pennsylvania will be an important state to strengthen election integrity in the coming 3 years. It's sad that 30-40 million Christians did not vote, although 62% of them did vote this year.

Christians must see culture through the eyes of Christ. Trump showed the example by fighting despite 2 assassination attempts. Hyung Jin Nim praised the increased numbers of young men who voted for freedom and the 25% increase for Trump in the Catholic vote.

[CHICOM Threat \(Neil McCabe Interview\)](#)

We need a culture of training in self-defense.

We need to cut our government, which is increasingly becoming a 666 beast, controlling our lives. There will always be a hierarchy, but America replaced natural hierarchy with fake experts who promote transgender mutilation surgery of children.

The world is watching what America does. Young men have begun to turn towards conservatism. We have to help them to understand why that should include marriage. We understand political satanism = Communism.

We dodged a Giant Bullet! From a biblical standpoint, Trump is a king, a ruler, that God can use to make urgently needed changes in our nation, and world. A just judge punishes evil to protect the good.

May God bless you and your families!

Sincerely,

Richard
