Dear Parents, Candidates, and Advocates:

Merry Christmas and Happy New Year!

"True Parents will save the whole of humanity as true people by engrafting them to the true love, true life and true lineage of God. They will do so by conducting the Blessing of holy matrimony through which the conversion of lineage takes place. Furthermore, the people will then form true families and establish the Kingdom of Heaven on earth."

Cheon Seong Gyeong, pp 1263-1264

In True Father's life course, we learn about how True Father died 3 times while being tortured in Heung Nam Communist Death Camp but miraculously came back to life each time and started praying for his torturer for God to forgive him.

The torturer became Rev Moon's first of 12 Disciples in Prison, on the foundation of Rev Moon sacrificing his Blood and unconditional Love. Rev Moon started to give the Blessing in 1960. The Blessing provides spiritual and physical Salvation.
