Receive the Wealth of My Countenance

As a deer pants for flowing streams, so pants my soul for you, O God. My soul thirsts for God, for the living God. When shall I come and appear before God? My tears have been my food day and night, while they say to me all the day long, "Where is your God?"

These things I remember, as I pour out my soul: how I would go with the throng and lead them in procession to the house of God with glad shouts and songs of praise, a multitude keeping festival. Why are you cast down, O my soul, and why are you in turmoil within me? Hope in God; for I shall again praise him, my salvation and my God. My soul is cast down within me; therefore I remember you from the land of Jordan and of Hermon, from Mount Mizar.

Deep calls to deep at the roar of your waterfalls; all your breakers and your waves have gone over me. By day the Lord commands his steadfast love, and at night his song is with me, a prayer to the God of my life. I say to God, my rock: "Why have you forgotten me? Why do I go mourning because of the oppression of the enemy?" As with a deadly wound in my bones, my adversaries taunt me, while they say to me all the day long, "Where is your God?" Why are you cast down, O my soul, and why are you in turmoil within me? Hope in God; for I shall again praise him, my salvation and my God. **Psalm 42**

If there is a God then He must be good. Therefore we too, should be born good in the image of God. However, from the beginning to the present time there have been so many evil deeds and sins committed that we are now quite separated from God... We are the extension of God who is good, but our extension of Him is stained and dirty... You do not even need to know the Bible to see that there is a gap between God and us and that we have been stained.

What is the origin of this dirty situation? Actually it begins from "me," and I can say that I received it from my parents, who received it from my grandparents, and they from my great-grandparents. Sin is inherited from our ancestors, who are contaminated by sin. Then what made our ancestors dirty?

The essential truth is that our ancestors thought of themselves as being the center of everything; their own egos and selfishness are what stained them. If our ancestors had sought to make themselves clean, they would have emptied themselves and lived in sacrificial service to others. If they had found something more precious than themselves then they could not have become stained... Our ancestors should have recognized that there was an Original Being in the position of cause and subject, and that they were the reflection of that cause. They had to recognize first that there is a God who is the eternal subject of all humanity, that He is good, and that they had to live for Him. If anyone in history had consciously lived for God and for His purpose, that person could never have stained himself. **SMM, Who Was I? March 13, 1977**

Hello,

Hyung Jin Nim recorded a sermon from a hotel room on the way to Wisconsin. He started by explaining that Regis Hanna will be the pastor at Chung Pyung in Tennessee. Kwon Yon Pil will be the Korean pastor in Tennessee.

He then read Psalm 42 out loud. God is working! It is a battle between political Godism and political Satanism. Ever since President Trump was delivered from the assassination attempt on July 13, he has been expressing gratitude to God.

The Micro changes the Macro. Just like David expressed gratitude to God when his enemies were attacking. Europe has become the embodiment of elitist control. They are no longer even pretending to appeal to the name of Christ.

God must be the center of our politics, and and the center of our values. We must be ready to defend our families, neighbors, and communities.

Like all mainstream Christians, we believe in Jesus' Resurrection but know that it was not God's original plan. He praised Shin Joon Nim's videos on the reasons Jesus did not come to die. In a Christo-Fascist nation, saying that could get you killed.

America's founders fled from England to gain religious freedom but were unable to create the ideal without Christ in his second coming. In the Kingdom, there will be freedom but also responsibility. The Peace Police Peace Militia, with an armed citizenry, is the model.

DOGE (Department of Government Efficiency) is akin to the Inspector General's office described in the Cheon Il Guk Constitution (that was declared by Hyung Jin Nim in 2016).

He criticized the pre-Tribulation rapture theology promoted in the Scofield bible, which was funded by the Rockefellers. As the book of James tells us, "resist the devil and he will flee." We are called to fight against evil.

Why are the leftists putting hundreds of millions into the Wisconsin Supreme Court race? If they retain a majority in the WI Supreme Court, they will redistrict and gain 2 seats for Dems, allowing them to gain a majority in the House of Representatives and try to impeach Trump again. He is the macrocosmic king that God has chosen, just as America has been chosen.

In Korea, Sanctuary Church supporters wore red Trump hats. Now, millions do the same. By the hand of God, we are in this revolution period, with the popular vote landslide in the 2024 election. The Micro changes the Macro. At rallies in Korea, Japan, the UK, Europe, and Taiwan, we will wear the same Red Hat symbology.

The Deep State is committed to destroying the innocence of the children through satanic rituals and indoctrination. Just as America, the leading Christian nation, has been tasked with influencing the world, Trump, as the "world King," has the responsibility to turn America and the world around. They are dismantling the Deep State one step at a time. It was an amazing honor that Hyung Jin Nim could sing at Trump's dinner to bless him at Mar A Lago.

We are not just at home watching a movie. We are involved, knocking on doors, talking to people face to face, so we are IN THE MOVIE. He appealed to brothers and sisters in Tennessee, Pennsylvania, Iowa,

and other states to come to Wisconsin. (20 brothers and sisters did attend from those locations.)

On the way driving to Wisconsin, we had to stop twice, first when the right rear wheel was making loud noises due to a damaged emergency brake and, later, the front left tire exploding. The devil was really trying to stop us from reaching the state capital in Madison, where we will do a Jericho march 7 times around the Supreme Court building.

After the Sunday service, we can all do stretches and physical exercise with the young people doing more intensive training, as well as firearms training. Patriots will be attracted by our lifestyle.

We just returned from church planting in Taiwan. Pray for the liberation of Communist China and the whole world.
